Thus, as previously disclosed, any non-subscribed preferred shares and American Depositary Shares (ADSs), will be shared proportionally in a reoffering round among the shareholders and holders of ADSs who have indicated in their initial subscription the intention to subscribe additional preferred shares or ADSs.

The subscription for the reoffering round of preferred shares can be effected in certain branches of Banco Itáú S.A. on May 25 and 28, 2007. The Bank of New York, as rights agent, will subscribe for preferred shares in the reoffering round on behalf of ADS holders who have indicated in their initial subscription the intention to subscribe additional ADSs. The Company will opportunistically disclose the amount of preferred shares and ADS subscribed in the initial subscription period. It will also opportunistically disclose the number of preferred shares and ADS that can be subscribed in the reoffering round.

As previously disclosed, if not all preemptive rights for the subscription of preferred shares and ADSs are exercised after the reoffering round, the Board of Directors can reduce the size of the rights offering. After the announcement of any such decrease in the size of the offering, holders of the GOL's preferred shares in Brazil will have the opportunity to reconsider their decision to subscribe for the preferred shares. This opportunity will not be granted to U.S. persons (as defined in Regulation S under the Securities Act of 1933, as amended) and other holders of our preferred shares and ADSs in the United States.

An immediately effective registration statement on Form F-3ASR has been filed with the U.S. Securities and Exchange Commission (SEC) regarding the preferred shares and ADSs to be offered in the United States of America.
