**Item 8.01 Other Events.**

On December 4, 2009, the Arbitrator in the arbitration action between RealNetworks, Inc. ("RealNetworks") and VeriSign, Inc. issued his "Full and Final Reasoned Award" ("Final Award") disposing of all claims pending in the arbitration. In the Final Award, the Arbitrator concluded that RealNetworks is not responsible for any damages to VeriSign. In addition, the Arbitrator reversed his prior determination that RealNetworks committed acts of tortious interference with existing and prospective business relationships and he dismissed VeriSign's related tortious interference claims. Finally, the Arbitrator determined that VeriSign failed to prove that RealNetworks' conduct related to VeriSign's proposed sale of certain business units proximately caused VeriSign any measurable damages. We are pleased with these final decisions of the Arbitrator.
