Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 4, 2018, the Board of Directors (the "Board") of Biolase, Inc. (the "Company") elected Garrett Sato to the Board. In connection with his election to the Board, Mr. Sato was appointed to serve as a member of the Audit, Compensation, and Nominating and Corporate Governance Committees of the Board.

Most recently, from December 2013 to February 2016, Mr. Sato was Chairman and Chief Executive Officer of California-based Danville Materials LLC, a developer and manufacturer of dental clinic materials, until its acquisition by Zest Dental Solutions, Inc. Previously, from June 2011 through December 2013, Mr. Sato served as a consultant and advisor to several businesses, including New Zealand-based Triodent Corporation, where he served as Executive Director, Santa Barbara, CA-based Isolite Corporation, Kyoto, Japan-based Shofu Corporation, Canada-based Clinicians Research Dental Inc., and Japan-based Mani Corporation. From October 2009 to June 2011, Mr. Sato was Executive Vice President of Culver City, CA-based Discus Dental, a Philips company.

Mr. Sato has a Bachelor of Science degree in marketing from California State University, Long Beach.

There are no understandings or arrangements between Mr. Sato or any other person and the Company or any of its subsidiaries pursuant to which Mr. Sato was selected to serve as a director of the Company. There are no family relationships between Mr. Sato and any director, executive officer or person nominated or chosen by the Company to become a director or executive officer, and there are no transactions between Mr. Sato or any of his immediate family members and the Company or any of its subsidiaries.

Pursuant to the terms of the Company's 2002 Stock Incentive Plan, upon his election to the Board, Mr. Sato received an automatic option grant to purchase 44,178 shares of the Company's common stock at the closing price \$0.41 on April 4, 2018. Each option is immediately exercisable for all of the option shares. However, any shares purchased under such option are subject to repurchase by the Company, at the lower of the exercise price paid per share or the fair market value per share (determined at the time of repurchase), should they cease Board service prior to vesting of those shares. The shares vest, and the Company's right of repurchase lapses, in four successive quarterly installments upon Mr. Sato's completion of each quarter of service as a non-employee director measured from the grant date. The shares subject to the option grant will immediately vest in full if certain changes in control or ownership occur or if Mr. Sato dies or becomes disabled while serving as a director.

Item 7.01 Regulation FD Disclosure.

On April 4, 2018, the Company issued a press release announcing the election of Mr. Sato to the Board, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.

99.1 Press Release of Biolase, Inc., dated April 4, 2018.
