PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
To be held on October 16, 2006

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Consulier Engineering, Inc., a Florida corporation (the Corporation), of the accompanying proxy for use at the 2006 Annual Meeting of Shareholders (the Annual Meeting) to be held on October 16, 2006, or at any adjournment or adjournments thereof. Only shareholders of record at the close of business on August 11, 2006 (the Record Date), are entitled to vote at the Annual Meeting. Proxy material is being mailed on or about September 15, 2006, to the Corporation's shareholders of record on the Record Date. All references to the Corporation herein include its subsidiaries.

THE PROXY

Shares of Common Stock represented by a duly executed proxy received by the Corporation will be voted in accordance with the instructions contained therein and, in the absence of specific instructions, will be voted **FOR** the election as directors of the persons nominated by the Board of Directors, **FOR** the ratification of the Board's engagement of Goldstein Lewin & Co., Certified Public Accountants, as the Corporation's independent auditors for the fiscal year ending December 31, 2006, and, in accordance with the judgment of the persons voting the proxy, on any other matter that may properly come before the Annual Meeting. The execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. A shareholder may revoke a proxy at any time before it is voted at the Annual Meeting by written notice delivered to the Secretary of the Corporation.

This Proxy Statement and the accompanying proxy are being mailed on or about September 15, 2006, to shareholders entitled to vote at the Annual Meeting. The cost of solicitation of proxies will be borne by the Corporation. In addition to the use of the mails, proxy solicitations may be made by telephone and personal contact by officers, directors and employees of the Corporation. The Corporation will, upon request, reimburse brokerage houses and persons holding shares in their names or in the names of nominees for their reasonable expenses incurred in sending soliciting material to their principals.

Shareholders who execute proxies retain the right to revoke them by notifying the Corporation at any time before they are voted. Such revocation may be effected by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Secretary at the address of the Corporation's principal office set forth above in the introductory paragraph to this Proxy Statement or delivered to him at the Annual Meeting. Unless so revoked, the shares represented by proxies, if received in time, will be voted in accordance with the directions given therein. If no direction is given, a properly executed proxy will be voted in

favor of the election of directors and for the ratification of the engagement of Goldstein Lewin & Co., Certified Public Accountants, as the Corporation's independent auditors for the calendar year ended December 31, 2006. A plurality of the votes cast at the Annual Meeting shall be necessary to elect a director and to ratify the Corporation's engagement of this firm as the Corporation's independent auditors.

At the Annual Meeting ballots will be distributed with respect to each proposal to be voted upon to the management proxy holders and each shareholder (or the shareholder's proxy if not the management proxy holders) who is present and did not deliver a proxy to the management proxy holders or another person. The ballots shall then be tallied, one vote for each share owned of record, the votes being in three categories: FOR, AGAINST or ABSTAIN, except in the case of the proposal to elect directors, the two categories will be, with respect to each director to be elected, FOR the management nominee or WITHHOLD AUTHORITY from voting FOR the management nominee. Any shareholder who submits a proxy, even though the shareholder abstains as to one or more proposals, or who is present in person, shall be counted for the purpose of determining if a quorum is present, a quorum being a majority of the outstanding shares of the Common Stock. Because each of the directors will be elected by a plurality of the votes cast at the meeting, an abstention, whether by the shareholder of record or by a broker non-vote where the broker or its nominee is the record holder for the shareholder, reduces the number of votes cast for a particular nominee. Assuming that the voting for director is limited to the nominees, an abstention, including a broker non-vote, has no effect on the determination of who is elected. If there are one or more shareholder nominees opposing the management nominees, the candidates receiving the highest votes FOR will be elected, regardless of how many shares WITHHOLD AUTHORITY.

Each shareholder of record is entitled to cast, in person or by proxy, one vote for each share of Common Stock, \$.001 par value (the Common Stock), held by such shareholder at the close of business on the Record Date. As of August 11, 2006, the Corporation had issued and there were outstanding 5,243,105 shares of Common Stock.

Warren B. Mosler, Chairman of the Board of Directors, President, and Chief Executive Officer of the Corporation, has the right to vote sufficient shares to cause each of the proposed actions to be approved without any other shares being voted in favor thereof at the Annual Meeting. Mr. Mosler has indicated his intention to vote all of his shares for approval of the persons nominated as directors and for reappointment of the Corporation's existing independent auditors. Accordingly, any negative vote which a shareholder may cast will not have any effect on the outcome of any of the matters discussed in this proxy.

PROPOSAL ONE
ELECTION OF DIRECTORS

At each Annual Meeting, the successors to all directors are elected to serve until the next Annual Meeting or until their successors shall have been duly elected and qualified to serve. The Board of Directors has nominated the five (5) persons named below for election as directors, each to hold office until the next Annual Meeting of Shareholders and until his or her respective successor has been duly elected and qualified. Each nominee is a member of the current Board of Directors, having been elected by written consent on December 7, 2005. All nominees have consented to serve as directors. The Board of Directors believes that the nominees will be

available and able to serve as directors, but if for any reason any of these persons should not be available or able to serve, the persons named in the proxy may exercise discretionary authority to vote for substitutes proposed by the Board of Directors of the Corporation, unless such authority shall have been withheld.

The following table sets forth certain information as of the Record Date concerning the nominees for election as directors of the Corporation. PROPOSAL TWO**RATIFICATION OF REAPPOINTMENT OF INDEPENDENT AUDITORS**

Goldstein Lewin & Co., has been selected by the Board of Directors to serve as the Corporation's independent auditors for the current fiscal year.

Goldstein Lewin & Co., Certified Public Accountants, has served as the Corporation's independent auditors for the years 2003 through 2005. During this period, there have been no disagreements with the Corporation's independent auditors on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of the independent auditors, would have caused them to make reference to the subject matter of any such disagreement in their reports on the financial statements. A representative of Goldstein Lewin & Co. will be present at the Annual Meeting, with an opportunity to make a statement if he or she so desires and to respond to appropriate questions.

The following table sets forth fees billed to the Corporation by the Corporation's independent auditors for the years ended December 31, 2005 and December 31, 2004 for (i) services rendered for the audit of the Corporation's annual financial statements and the review of the Corporation's quarterly financial statements, (ii) services rendered that are reasonably related

to the performance of the audit or review of the Corporation's financial statements that are not reported as Audit Fees, (iii) services rendered in connection with tax preparation, compliance, advice and assistance, and (iv) all other services.

The Corporation's audit committee has considered whether the non-audit services provided by the Corporation's auditors in connection with the year ended December 31, 2005, are compatible with the auditors' independence.

The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Goldstein Lewin & Co. as independent auditors of Consulier and its subsidiaries for the year ending December 31, 2006, and proxies executed and returned will be so voted unless contrary instructions are indicated thereon.

If the Corporation is not notified of a shareholder proposal by August 1, 2007, then the proxy held by management of the Corporation may provide the discretion to vote against such shareholder proposal even though such proposal is not included in the proxy statement and form of proxy.

SOLICITATION OF PROXIES

The solicitation of proxies on the enclosed form of proxy is made by and on behalf of the Board of Directors of the Corporation and the cost of this solicitation is being paid by the Corporation.
