Zurich, March 20, 2015 The Board of Directors of Credit Suisse Group AG today announced its proposals for the Annual General Meeting on April 24, 2015. Additionally, Credit Suisse Group AG and Credit Suisse AG published their 2014 Annual Report today. The 2014 Annual Report on Form 20-F includes Credit Suisse's audited financial statements and Compensation Report. The Corporate Responsibility Report and the Company Profile have also been published.

Distribution against Reserves from Capital Contributions

As previously announced, the Board of Directors proposes a distribution against reserves from capital contributions of CHF 0.70 per registered share for the 2014 financial year in the form of either a scrip dividend, a cash distribution or a combination thereof. This allows Credit Suisse Group AG to pay a distribution to shareholders, while in case of an

election for shares retaining regulatory capital in view of the increased regulatory capital requirements. Shareholders will be entitled to elect to either receive new shares (free of charge), subject to any legal restrictions applicable in their home jurisdiction, or to receive a cash distribution in the amount of CHF 0.70 per registered share. Should no election be made, the distribution will be paid out entirely in cash.

The delivery for both the new shares and the cash distribution is scheduled for May 21, 2015. The issue price of the new shares is based on the five-day average of volume-weighted average prices from May 11, 2015 to May 18, 2015 of the shares of Credit Suisse Group AG listed on the SIX Swiss Exchange AG, less a discount of 6%.

Further information on the scrip dividend can be found in the "Shareholder Information – Summary Document", which is available on the Credit Suisse website at:
www.credit-suisse.com/agm

Increase and Extension of Authorized Capital

In order to maintain financial flexibility in the course of further developing business activities and the business portfolio, and for the purposes of servicing the scrip dividend, the Board of Directors proposes an increase in the authorized capital from currently CHF 4,497,908.52 (equivalent to 112,447,713 registered shares) to a maximum of CHF 6,400,000 (equivalent to 160,000,000 registered shares). Additionally, the Board of Directors proposes that the authorization be extended by two years, and that Art. 27 of the Articles of Association be amended accordingly. 60,000,000 of these registered shares are exclusively reserved for servicing the 2015 scrip dividend.

Approval of the Compensation of the Board of Directors and the Executive Board

At the 2014 ordinary General Meeting of Shareholders, Credit Suisse Group AG amended the Articles of Association to take account of the requirements of the Ordinance against Excessive Compensation with Respect to Listed Stock Corporations and thus, for the purposes of good corporate governance, created at an early stage the basis for the approval of the compensation of the Board of Directors and the Executive Board. The General Meeting of Shareholders approves on an annual basis the compensation of the Board of Directors in advance for the period up until the next ordinary General Meeting of Shareholders. In the interests of well-functioning compensation governance, to ensure flexibility when aligning the approval periods with the compensation plans, the Board of Directors sets out in its proposal to the General Meeting of Shareholders whether approval by the General Meeting of Shareholders is prospective or retrospective with regard to the compensation of the Executive Board and for which periods. With regard to the 2015 General Meeting of Shareholders, the Board of Directors has decided to present the fixed compensation component for the Executive Board to the General Meeting of Shareholders for approval in advance, while the variable components are to be approved in retrospect.

The Board of Directors proposes approving a maximum amount of compensation of the Board of Directors of CHF 12 million for the period until the 2016 ordinary General Meeting of Shareholders. Additionally, the Board of Directors proposes approving the maximum amount of CHF 32.0 million, comprising the fixed compensation component for the Executive Board for the period until the 2016 ordinary General Meeting of Shareholders. The Board of Directors also proposes approving the amount of CHF 39.1 million, comprising the long-term and short-term variable compensation elements of the Executive Board for the 2014 financial year.

Consultative Vote on the 2014 Compensation Report

Consistent with the practice in prior years, the 2014 Compensation Report, which is part of Credit Suisse Group AG's Annual Report, will be presented to the General Meeting of Shareholders for a consultative vote.
