Item 1.01 Entry into a Material Definitive Agreement.

On November 2, 2015, Limelight Networks, Inc. (the "Company") entered into a loan and security agreement with Silicon Valley Bank ("SVB") that provides for revolving credit borrowings up to a maximum principal amount of \$25 million (the "Credit Agreement"). Upon entering into the Credit Agreement, the Company immediately became eligible to borrow up to \$7.5 million from SVB. The remaining amount will be available for borrowing, at the Company's discretion, following the successful completion of a field audit to be conducted by SVB.

The Company is subject to a borrowing base calculation to determine the amount available. The borrowing capacity is the lesser of the commitment amount or 80% of eligible accounts receivable. All outstanding borrowings owed under the Credit Agreement become due and payable no later than the final maturity date of November 2, 2017.

Borrowings under the Credit Agreement bear interest at the Company's option of one, two, three or six-month LIBOR plus a margin of 2.75% or an Alternative Base Rate ("ABR"), which is defined as the higher of (a) Wall Street Journal prime rate or (b) Federal Funds Rate plus 0.50%, plus a margin of 0.50% or 1.50% depending on our minimum liquidity, as defined in the Credit Agreement. If the Company falls below a minimum liquidity of \$17.5 million, the Company is required to use the ABR interest rate. The Company incurred a commitment fee of 0.25% upon entering into the Credit Agreement and 0.20% to be paid on the one year anniversary of closing. In addition, there is an unused line fee of 0.375% if the Company's minimum liquidity is greater than \$17.5 million. If the Company's minimum liquidity falls below \$17.5 million, the unused line fee is 0.250%.

Any borrowings are secured by essentially all of the Company's domestic personal property, with a negative pledge on intellectual property. SVB's security interest in the Company's foreign subsidiaries is limited to 65% of voting stock of each such foreign subsidiary.

The Company is required to comply with various financial covenants under the Credit Agreement. Specifically, the Company is required to maintain a minimum tangible net worth, as defined in the Credit Agreement. In addition, the Company has a maximum unfinanced capital expenditures amount of \$30 million for 2015 and \$25 million per annum thereafter. The Credit Agreement also contains customary indemnification obligations and customary events of default, including, among other things, the Company's failure to fulfill certain of its obligations under the Credit Agreement, or insolvency.

The foregoing is only a summary of the material terms of the Credit Agreement, and does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, which is filed as an exhibit to this Current Report on Form 8-K.

Item 2.02 Results of Operations and Financial Condition.

The information in this Form 8-K and the Exhibit attached hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that Section, or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

#### Forward-Looking Statement Disclaimer

The Company includes in this Current Report “forward-looking statements” within the meaning of the federal securities laws. A reader can identify forward-looking statements because they are not limited to historical fact or they relate to the availability of borrowings under the revolving credit facility and the timing thereof. Forward-looking statements are subject to risks, uncertainties and other factors that may change at any time and may cause actual results to differ materially from those that the Company expected. Many of these statements are derived from the Company’s operating budgets and forecasts, which are based on many detailed assumptions that the Company believes are reasonable, or are based on various assumptions about certain plans, activities or events which the Company expects will or may occur in the future.
