ELECTION OF DIRECTOR
(Proposal 1)

One director is to be elected at the Annual Meeting. Pursuant to the Fund's By-Laws, the directors are classified into three classes with respect to the year of expiration of their terms of office. Because the Fund's Class III director's term of office will expire in 2017, the Annual Meeting is being held for the election of such director. The remaining Class I and Class II directors' terms of office will expire in 2018, and 2019, respectively.

If authority is granted on the accompanying proxy card to vote in the election of the director, it is the intention of the person named in the proxy to vote at the Annual Meeting for the election of the nominee named below, who has consented to being named in the proxy statement and to serve if elected. If the nominee is unavailable to serve for any reason, the person named as proxy will vote for such other nominee selected by the Board of Directors, or the Board may reduce the number of directors as provided in the Fund's By-Laws. The Fund currently knows of no reason why the nominee listed below would be unable or unwilling to serve if elected.

As of August 8, 2017, the Fund's Board of Directors consisted of 5 members. The Class III director of the Fund, Mr. Thomas J. Herzfeld, is the nominee for election, and his current term as director will expire on the date of the Annual Meeting or when his successor is elected and qualified. The nominee would serve until his successor has been elected and qualified.

Certain information regarding the nominee as well as the current directors and executive officers of the Fund is set forth below. Unless otherwise noted, the mailing address of each director and executive officer is c/o The Herzfeld Caribbean Basin Fund, Inc., 119 Washington Avenue, Suite 504, Miami Beach, FL, 33139.

BOARD AND COMMITTEE STRUCTURE

The Fund's Board of Directors consists of 5 members. Thomas J. Herzfeld is an "interested person" (as such term is defined in the 1940 Act) who currently serves as the Chairman of the Board. The Board believes that Mr. Herzfeld's service as Chairman is appropriate and benefits stockholders due to his personal and professional stake in the quality of services provided to the Fund. The Independent Directors believe that they can act independently and effectively without having an Independent Director serve as Chairman. Nonetheless, as currently composed, the Independent Directors constitute a substantial majority of the Board.

While the Fund currently does not have a policy requiring a lead Independent Director, the Board believes that having an Independent Director fill the lead director role is appropriate and on May 9, 2017, the Board appointed Mr. Gelety as lead Independent Director. The lead Independent Director, among other things, works with the Chairman of the Board in the preparation of the agenda for each Board meeting and in determining the need for special meetings of the Board, chairs any meeting of the Independent Directors in executive session, facilitates communications between other members of the Board and the Chairman of the Board or the President of the Fund and otherwise consults with the Chairman of the Board or the President on matters relating to corporate governance and Board performance.

The Board also considered that the chairperson of each Board committee and every member of each Board committee is an Independent Director, which yields similar benefits with respect to the functions and activities of the various Board committees. Through the committees, the Independent Directors consider and address important matters involving the Fund, including those presenting conflicts or potential conflicts of interest for management. The Independent Directors also regularly meet outside the presence of management with Fund counsel. The Board has determined that its committees help ensure that the Fund has effective and independent governance and oversight. The Board also believes that its leadership structure facilitates the orderly and efficient flow of information to the Independent Directors from Fund management.

The Board of Directors of the Fund held four regular meetings, one special meeting and one special telephonic meeting during the Fund's fiscal year ended June 30, 2017. Each of the directors attended at least 75% of the aggregate number of meetings of the Board of Directors and of each committee of which he or she was a member.

Director Qualifications

The Board believes that the significance of each director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of the Board's effectiveness. The Board determined that each of the directors is qualified to serve as such based on a review of the experience, qualifications, attributes and skills of each director. In reaching this determination, the Board has considered a variety of criteria, including, among other things: character and integrity; ability to review critically, evaluate, question and discuss information provided, to exercise effective business judgment in protecting stockholder interests and to interact effectively with the other directors, the Adviser, other service providers, counsel and the independent registered public accounting firm or independent accountants; and willingness and ability to commit the time necessary to perform the duties of a director. Each director's ability to perform his or her duties effectively is evidenced by his or her experience or achievements in the following areas: management or Board experience in the investment management industry or companies or organizations in other fields, educational background and professional training; and experience as a director of the Fund. In addition, the Board values the diverse skill sets and experiences that each director contributes. The Board considers that its diversity as a whole is as a result of a combination of directors and the various perspectives that each director provides as a result of his or her present experiences and his or her background. Information discussing the specific experience, skills, attributes and qualifications of each director which led to the Board's determination that the directors should serve in this capacity is provided below.

Thomas J. Herzfeld has served as Chairman of the Board since inception of The Herzfeld Caribbean Basin Fund, Inc. in 1993. In addition, he is the Chairman of Thomas J. Herzfeld Advisors, Inc., the Fund's investment adviser. Mr. Herzfeld entered the securities industry in 1968, was founder of a New York Stock Exchange member firm in 1970 and was the Chairman and President of FINRA member firm Thomas J. Herzfeld & Co., Inc., formed in 1981.

Ann S. Lieff joined the Board in 1998. Ms. Lieff is President of Lieff Company, a management consulting firm that offers ongoing advisory services as a corporate director. Previously she served as Chief Executive Officer of Spec's Music for 18 years, from 1980-1998; Specs was one of the largest music retail chain stores in the Southeastern region of the United States for many decades.

Kay W. Tatum, Ph.D., CPA, joined the Board in 2007. Dr. Tatum is an Associate Professor of Accounting at the University of Miami School of Business Administration, where she has been since 1986. She also served as Chair of the Department of Accounting from 2004 to 2008.

John A. Gelety, Esq. joined the Board in 2011 and has been designated the lead Independent Director. Mr. Gelety is a practicing attorney who specializes in business law, with a concentration on domestic and cross-border mergers & acquisitions, private equity and commercial transactions.

Cecilia L. Gondor joined the Board in 2014. Ms. Gondor is a Managing Member of L&M Management, a real estate management business. Ms. Gondor served as the Secretary/Treasurer of Fund since its inception until her retirement in May 2014. She also served as Executive Vice President of the Adviser from 1984 through the date of her retirement. Additionally, she was the Executive Vice President of Thomas J. Herzfeld & Co. Inc., a broker-dealer, from 1984 through 2010, when the broker-dealer ceased operations. Ms. Gondor is a freelance financial writer and has written extensively on closed-end funds.

Specific details regarding each director's principal occupations during the past five years are included in the table above. The summaries set forth above as to the experience, qualifications, attributes and/or skills of the directors do not constitute holding out the Board or any director as having any special expertise or experience, and do not impose any greater responsibility or liability on any such person or on the Board as a whole than would otherwise be the case.

Risk Oversight

While responsibility for the day-to-day operations for the Fund, including certain risk management functions addressed in policies and procedures relating to the Fund, resides with the Adviser, the Board actively performs a risk oversight function, both directly and through its committees, as described below. The Board and its audit committee (the "Audit Committee") exercise a risk oversight function through regular and ad hoc Board and Audit Committee meetings during which the Board and the Audit Committee meet with representatives of the Adviser and other service providers. The Board also periodically receives reports regarding the Fund's and the Adviser's policies and procedures, and reviews and approves changes to Fund's policies and procedures. The Audit Committee also meets regularly with the Fund's independent registered public accounting firm to discuss internal controls and financial reporting matters, among other things. The Board and Audit Committee routinely receive reports from the Fund's officers and the Adviser on a variety of other risk areas relating to the Fund, including, without limitation, investment risks, liquidity risks, valuation risks, cybersecurity risks, and operational risks, as well as more general business risks. In addition, the Board consults with Fund counsel both during and, to the extent required, between meetings of the Board and the Audit Committee.

The Board also meets regularly with the Fund's Chief Compliance Officer ("CCO"), who reports directly to the Board. The CCO has responsibility for annually testing the compliance procedures of the Fund and its service providers. The CCO regularly discusses issues related to compliance with the Board and provides a quarterly report to the Board regarding certain Fund compliance matters.

Committees of the Board

The Board has formed an Audit Committee and a Nominating and Governance Committee.

Audit Committee. The Audit Committee of the Board currently consists of each Mr. Gelety, Ms. Gondor, Ms. Lieff and Dr. Tatum, none of whom is an "interested person" of the Fund. Each member of the Audit Committee is considered independent under the applicable NASDAQ Capital Market listing standards. The Board has determined that Dr. Tatum qualifies as an "audit committee financial expert" and that she is "independent" of the Fund as such terms are defined in Item 3 of Form N-CSR. The Audit Committee met two times during the fiscal year ended June 30, 2017. The Board has adopted a written charter for the Audit Committee, which is available on the Fund's website at www.herzfeld.com/cuba.

The Audit Committee reviews the scope of the audit by the Fund's independent registered public accounting firm, confers with the independent accountants with respect to the audit and the internal accounting controls of the Fund and with respect to such other matters as may be important to an evaluation of the audit and the financial statements of the Fund, and makes recommendations with respect to the selection of the independent registered public accounting firm for the Fund.

Audit Committee Report. The Audit Committee has reviewed and discussed the Fund's audited financial statements for the fiscal year ended June 30, 2017 with Fund management. Further, the Audit Committee has discussed with Tait, Weller & Baker LLP ("Tait Weller"), the Fund's independent registered public accounting firm, the matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") Auditing Standard No. 16 (Communications with Audit Committees). The Audit Committee has received the written disclosures and a letter from Tait Weller required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence) and has discussed with Tait Weller their independence. Based upon the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for filing with the U.S. Securities and Exchange Commission ("SEC") for the fiscal year ended June 30, 2017.

Kay W. Tatum
John A. Gelety
Cecilia Gondor
Ann S. Lieff

Nominating and Governance Committee. The Nominating and Governance Committee (the "Nominating Committee") is currently comprised of Mr. Gelety, Ms. Gondor, Ms. Lieff, and Dr. Tatum, each of whom is an Independent Director under the 1940 Act and under NASDAQ Capital Market listing standards. During the fiscal year ended June 30, 2017, the Nominating Committee met once.

The Nominating Committee is responsible for reviewing and recommending qualified candidates in the event that a directorship is vacated or created. The Nominating Committee will not consider nominees recommended by stockholders. The Nominating Committee believes that candidates for director should have certain minimum qualifications, including (i) the ability to apply good business judgment; (ii) the ability to properly exercise their duties of loyalty and care; (iii) proven leadership capabilities, high integrity and moral character, significant business experience and a high level of responsibility within their chosen fields; (iv) the ability to quickly grasp complex principles of business, finance, international transactions and the regulatory environment in which investment

companies must operate; and (v) the ability to read and understand basic financial statements. The Nominating Committee retains the right to modify these minimum qualifications from time to time. In general, candidates will be preferred who hold an established senior or executive level position in business, finance, law, education, research or government. The Nominating Committee's process for identifying and evaluating nominees is as follows: in the case of incumbent directors whose terms of office are set to expire, the Nominating Committee reviews such directors' overall service to the Fund during their term, including the number of meetings attended, level of participation, quality of performance, and transactions of such directors with the Fund, if any, during their term, and confirms their independence, if applicable. In the case of new director candidates, the Nominating Committee first determines whether the nominee must be independent for purposes of the NASDAQ Capital Market and whether the candidate must be considered an Independent Director under the 1940 Act. In either case, determinations are based upon the Fund's charter and bylaws, applicable securities laws, the rules and regulations of the SEC, and the advice of counsel, if necessary. The Nominating Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating Committee then meets to discuss and consider such candidates' qualifications and recommend the nominee.

Herzfeld) are not paid compensation for their service as a director. THE BOARD, INCLUDING ALL THE DIRECTORS WHO ARE NOT "INTERESTED PERSONS" (AS DEFINED IN THE 1940 ACT) OF THE FUND (THE "INDEPENDENT DIRECTORS") RECOMMENDS THAT THE FUND'S STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEE FOR DIRECTOR.

ADDITIONAL INFORMATION

HERZFELD/CUBA (the “Adviser”), a division of Thomas J. Herzfeld Advisors, Inc., with offices at 119 Washington Avenue, Suite 504, Miami Beach, Florida 33139, serves as the Fund’s investment adviser pursuant to an investment advisory contract dated September 10, 1993. The Adviser also provides certain administration services to the Fund pursuant to the terms of the investment advisory contract.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Tait, Weller & Baker LLP, (“Tait Weller”) an independent registered public accounting firm, has been selected by the Board as the Fund’s independent auditor for the current fiscal year ending on June 30, 2018. A representative of Tait will be available at the meeting and will have the opportunity to respond to appropriate questions from stockholders and to make such statements as desired.

Change in Independent Registered Public Accounting Firm

The Audit Committee (the “Committee”) of the Board of Directors of the Fund completed a competitive process to select the Fund’s independent registered public accounting firm for the fiscal years ending June 30, 2016 and 2017. As a result of this process, on May 11, 2016, the Committee approved and the Board of Directors ratified (i) the engagement of Tait Weller as the Fund’s new independent registered public accounting firm to audit its financial statements for the fiscal years ending June 30, 2016 and 2017, and (ii) the dismissal of KPMG LLP (“KPMG”), as the Fund’s independent registered public accounting firm. Accordingly, on May 18, 2016, Tait Weller was engaged by the Fund as the independent registered public accounting firm and KPMG was dismissed.

The audit reports of KPMG on the Fund’s financial statements as of and for the two fiscal years ended June 30, 2014 and 2015 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended June 30, 2014 and 2015, and through the subsequent interim period preceding KPMG’s dismissal on May 18, 2016: (i) there were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement, or (ii) there were no “reportable events” within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

The selection of Tait Weller does not reflect any disagreements with or dissatisfaction by the Fund or the Board of Directors with the performance of the Fund’s prior independent registered public accounting firm, KPMG. During the Fund’s fiscal years ended June 30, 2014 and 2015, neither the Fund nor anyone on their behalf, consulted with Tait Weller on items which: (i) concerned the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Fund’s financial statements; or (ii) concerned the subject of a disagreement (as defined in paragraph (a)(1)(iv) of Item 304 of Regulation S-K) or reportable events (as described in paragraph (a)(1)(v) of said Item 304).

Independent Auditor’s Fees

The following table sets forth the aggregate fees and percentage of total fees charged by the Firms’ independent registered public accounting firm for the two most recent fiscal years for professional services rendered for: (i) the audit of the annual financial statements and the review of the financial statements included in the Fund’s report to stockholders; (ii) audit-related services; (iii) tax compliance, tax advice, and tax planning; (iv) all other products and services provided to the Fund which included matters related to regulatory issues and preparation of unaudited financial statements.

Fiscal Year

Ended June 30,	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
2017	\$36,000 (87.80%)	\$0 (0%)	\$3,000 (7.32%)	\$2,000 (4.88%)*
2016	\$36,000 (49.66%)	\$0 (0%)	\$3,000 (4.14%)	\$33,500 (46.20%)**

* For fiscal year ended June 30, 2017 “All Other Fees” were paid to KPMG, as the Fund’s previous auditor, for services in connection with the Fund’s at-the-market (“ATM”) offering.

** For fiscal year ended June 30, 2016 “All Other Fees” were paid to KPMG, prior to the Fund’s engagement of Tait Weller, for services in connection with the Fund’s at-the-market (“ATM”) offering.

The Fund’s Audit Committee charter requires that the Audit Committee shall pre-approve all auditing services and permitted non-audit services (including the fees for such services and terms thereof) to be performed for the Fund by its independent registered public accounting firm in one of two methods. Under the first method, the engagement to render the services would be entered into pursuant to pre-approval policies and procedures established by the Audit Committee, provided: (i) the policies and procedures are detailed as to the services to be performed; (ii) the Audit Committee is informed of each service; and (iii) such policies and procedures do not include delegation of the Audit Committee’s responsibilities under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) to the Fund’s management. Under the second method, the engagement to render the services would be presented to and pre-approved by the Audit Committee (subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit). At the present time, the Audit Committee has not adopted pre-approval policies and procedures, and would use the second method for pre-approval provided for in its charter. All of the audit, audit-related and tax services described above for which the independent registered public accounting firm billed the Fund fees for the fiscal years ended June 30, 2016 and 2017 were pre-approved by the Audit Committee.

STOCKHOLDER PROPOSALS

Proposals intended to be presented by stockholders for consideration at the 2018 Annual Meeting of Stockholders must be received by the Secretary of the Fund no later than May 1, 2018, in order to be included in the proxy
