On April 26, 2018, the board of directors (the “Board”) of Kennedy-Wilson Holdings, Inc. (the “Company”), upon the recommendation of the Company’s Nominating Committee, elected Ms. Sanaz Zaimi as a director of the Company, effective April 26, 2018. Ms. Zaimi will serve as a member of the class of directors whose term will expire at the 2020 annual meeting of stockholders of the Company.

Ms. Zaimi currently serves as the Head of Global Fixed Income, Currencies and Commodities (“FICC”) Sales within Bank of America Merrill Lynch (“BAML”) and is based in London. Ms. Zaimi has served as an executive director on the Merrill Lynch International Board, and until May 2017, also served as a founder member of the FICC Market Standards Board.

There are currently no arrangements or understandings between Ms. Zaimi and any other persons pursuant to which she was elected as a director of the Company and Ms. Zaimi was determined to be independent by the Board pursuant to the applicable independence requirements of the New York Stock Exchange.

In addition, in connection with her election to the Board and in accordance with the Company’s non-employee director compensation policies, the Board approved an annual retainer fee to Ms. Zaimi of \$150,000 in connection with her service as a non-employee director.

Ms. Zaimi may be deemed a related person in the following transactions between the Company and BAML, which occurred in the fiscal year ended December 31, 2017:

The Company is currently party to real estate loans and a revolving credit facility with BAML. The loans, which accrue interest at an annual rate of 4.4%, had an approximate aggregate balance (including accrued interest) of approximately \$161.4 million as of April 20, 2018, the latest practicable date, and the largest aggregate amount of principal outstanding on the loans during the fiscal year ended December 31, 2017 was \$216.8 million. In connection with the loans, the Company paid BAML approximately \$35.3 million in principal repayments, \$6.1 million in interest payments and \$2.3 million in fees and charges during the fiscal year ended December 31, 2017. The Company also paid BAML approximately \$4.8 million in advisory fees in connection with our acquisition of KWE and approximately \$0.02 million in fees in connection with foreign currency forward contracts and options during the fiscal year ended December 31, 2017. Over the last three fiscal years, the Company has made payments to BAML totaling approximately \$209.6 million, of which approximately \$27.3 million were fees and charges and interest payments on outstanding loans and \$182.3 million were principal payments on outstanding loans. Ms. Zaimi was not a participant in any of the transactions that have been entered into between the Company and BAML. Ms. Zaimi will be recused from participating in any future transactions between the Company and BAML.

On April 26, 2018, the independent members of the Board also appointed David Minella as the lead independent director of the Board. Mr. Minella will also serve as the chairperson of all executive sessions of the independent members of the Board.

2018 Cash Bonus Program

On April 26, 2018, the Compensation Committee approved and adopted a bonus program (the “new cash bonus program”) for the Company’s named executive officers for calendar year 2018. Pursuant to the new cash bonus program, the named executive officers will be eligible to earn annual cash bonuses, 80% of which are based on the achievement of corporate performance goals and 20% of which are based on individual performance, as determined

by the Compensation Committee. The following table sets forth the applicable new cash bonus program metrics and weighting of each metric:

Performance Metrics	Weighting
GAAP Net Income + KW Share of D&A / Shares Outstanding	40%
Cash Generated from Asset Sales	25%
In-place NOI Added from Unstabilized / Development Assets	15%
Subjective/Individual Performance	20%

The Compensation Committee set the following range of performance goals for each of the metrics above: GAAP Net Income plus KW Share of D&A per share of \$1.30 to \$1.90, Cash Generated from Asset Sales of \$300 million to \$500 million and In place NOI Added from Unstabilized/Development Assets of \$10 million to \$15 million.

The Compensation Committee also established the threshold, target and maximum cash bonus opportunities (denominated as a percentage of the applicable executive’s annual base salary) for each of the executives, as set forth in the table below. Whether any of the threshold, target, or maximum bonus levels are attained by any of the executives will be determined by the Compensation Committee based on the level of achievement of the criteria described in the table above.

Executive	Threshold	Target	Maximum
William J. McMorrow	100%	200%	300%
Mary Ricks	100%	200%	300%
Justin Enbody	82.5%	165%	250%
Kent Mouton	57.5%	115%	175%
Matt Windisch	100%	200%	300%
