Registrant hereby incorporates by reference into this registration statement the following documents and information previously filed with the Commission:

• Our annual report on Form 10-K for the fiscal year ended December 31, 2016, filed with the Commission on April 10, 2017;

• Our definitive proxy statement on Schedule 14A filed on November 17, 2016, for our annual meeting of shareholders held on December 27, 2016; and

•The description of our common stock contained in our Form 8-A.

Additionally, all reports and other documents subsequently filed by us pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this registration statement and to be a part hereof from the date of filing of such documents; provided, however, that documents or information deemed to have been furnished and not filed in accordance with Commission rules shall not be deemed incorporated by reference into this registration statement.

ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 204 of the California General Corporation Law provides that a corporation may, in its Articles of Incorporation, eliminate or limit the personal liability of a director for monetary damages in an action brought by or in the name of the corporation for a breach of a director's duties to the corporation except to the extent that the liability arises from intentional misconduct or knowing violation of law, actions contrary to the best interests of the corporation or involving the absence of good faith, transactions in which a director receives an improper benefit, actions that violate the director's duty of care, or actions for which directors have personal liability under the California General Corporation Law.

Section 317 of the California General Corporation Law provides that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding if such person acted in good faith and in a manner the person reasonably believed to be in the best interest of the corporation. If the proceeding is a criminal proceeding the person to be indemnified must also have had no reasonable cause to believe that such person's conduct was unlawful. Such indemnity may be granted by the corporation if the person is successful in the defense of the matter or if it is determined that such indemnity is proper by a quorum of directors that are not involved in such proceeding, by an independent counsel in a written opinion, by a majority of the shareholders, or the court in which such proceeding is pending.

We have adopted provisions in our Articles of Incorporation and Bylaws to limit the liability of directors and provide indemnity to the full extent permitted by the California General Corporation Law. Such provisions are sufficiently broad to permit the indemnification of such persons in certain circumstances against liabilities arising under the Securities Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors and officers, and to persons controlling our company pursuant to the foregoing provisions, we have been informed that in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

The registrant also maintains a director and officer liability insurance policy.

ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that (i) and (ii) do not apply if the information required to be included in a post-effective amendment thereby is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
