PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

To Be Held on June 3, 2019 at 2:00 p.m. Mountain Time

April 18, 2019

Fellow Stockholders:

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation by the Board of Directors of Enservco Corporation (“Enservco” or the “Company”) of proxies to be used at the Annual Meeting of Stockholders (the “Meeting”) to be held at 1999 Broadway, Suite 3150, Denver, Colorado 80202 on June 3, 2019, at 2:00 p.m. local time, and at any adjournments or postponements thereof. The Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

This Proxy Statement (including the Notice of Annual Meeting of Stockholders) is first being made available to stockholders beginning on or before April 18, 2019. The Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2018, including financial statements (“Annual Report”), was filed with the Securities and Exchange Commission (the “SEC”) on March 28, 2019. This Proxy Statement and the Annual Report are collectively referred to herein as the “Meeting Materials.”

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Notice and Access Model

We are making the Meeting Materials available to stockholders on the Internet under the SEC's Notice and Access model. On or before April 18, 2019, we will mail to all stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") in lieu of mailing a full printed set of the Meeting Materials. Accordingly, our Meeting Materials are first being made available to our stockholders on the Internet at www.edocumentview.com/ENSV, on or before April 18, 2019. The Notice includes instructions for accessing the Meeting Materials and voting by mail, telephone or on the Internet. You will also find instructions for requesting a full printed set of the Meeting Materials in the Notice.

We believe the electronic method of delivery under the Notice and Access model will decrease postage and printing expenses, expedite delivery of proxy materials to you and reduce our environmental impact. We encourage you to take advantage of the availability of the proxy materials on the Internet. If you received the Notice but would like to receive a full printed set of the proxy materials in the mail, you may follow the instructions in the Notice for requesting such materials.

Solicitation/Cost of the Meeting

The enclosed proxy is being solicited by the Company's Board of Directors. The costs of the solicitation will be borne by the Company. Proxies may be solicited personally or by mail, telephone, facsimile or email by directors, officers and employees of the Company, none of whom will receive any additional compensation for such solicitations. The Company will reimburse banks, brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses incurred in sending the proxy materials to beneficial owners of the Company's shares.

Record Date, Voting Rights, and Votes Required

Holders of shares of Enservco Common Stock (the “Common Stock”) at the close of business on April 9, 2019 (the “Record Date”), are entitled to notice of, and to vote at, the Meeting. As of the Record Date, 54,334,829 shares of Company’s Common Stock were outstanding.

For all Proposals, holders of Common Stock are entitled to one vote per share. Cumulative voting is not permitted in the election of directors or any of the proposals being submitted to the stockholders at the Meeting.

For all Proposals, the presence in person or by proxy of the holders of one-third of the votes entitled to be cast as of the Record Date constitute a quorum for the transaction of business at the Meeting. The presence in person or by proxy of the holders of votes entitled to be cast of at least 18,111,610 votes at the Meeting is required for a quorum.

In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Meeting, the Meeting may be adjourned in order to permit further solicitation of proxies. Abstentions will count towards quorum requirements.

As to the election of directors under Proposal No. 1, the proxy card being provided by the Board enables a stockholder to vote for the election of each of the nominees proposed by the Board, or to withhold authority to vote for one or more of the nominees being proposed. If a quorum is present, directors are elected by a plurality of votes cast, without respect to either (i) broker non-votes, or (ii) proxies as to which authority to vote for one or more of the other nominees being proposed is withheld.

If a quorum is present, the affirmative vote of a majority of the votes cast on the matter is required to approve Proposals No. 2 and 3. As to these Proposals, a stockholder may: (i) vote “FOR” the proposal, (ii) vote “AGAINST” the proposal, or (iii) “ABSTAIN” with respect to the proposal. Abstentions and broker non-votes will not have an effect on this proposal.

With respect to Proposal No. 4 (the frequency of the advisory vote on executive compensation), the frequency receiving the greatest number of votes will be considered the frequency recommended by stockholders. Votes to abstain and broker non-votes will not have an effect on this proposal.

Proposals No. 2 and 3 are advisory in nature and non-binding on the Company; however, our Board of Directors values the opinions of all of our stockholders and will consider the outcome of this vote when making future decisions on the Company's independent auditor selection.

Voting

Whether you plan to attend the Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive by the Meeting through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. Unless contrary instructions are indicated on the proxy, the shares of Common Stock represented by such proxy will be voted "FOR" the slate of directors described herein, and "FOR" Proposal No. 2. Voting by proxy will not affect your right to attend the Meeting. A proxy may be revoked at any time prior to its exercise by (i) providing notice in writing to the Company's corporate secretary that the proxy is revoked; (ii) presenting to the Company a later-dated proxy; or (iii) by attending the Meeting and voting in person. If you plan to attend the Meeting, please ensure that you have an admission ticket or other authorization from the record holder of your shares.

Registered Holder

If your shares are registered directly in your name through our stock transfer agent, Computershare, Inc. ("Computershare"), or you have stock certificates registered in your name, you may vote:

By Internet or by telephone. To vote by internet or telephone, follow the instructions included in the Notice or, if you received printed materials, follow the instructions in the proxy card.

By mail. If you received a proxy card by mail, you can vote by mail by completing, signing, dating and returning the proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the recommendation of our Board of Directors as noted above.

In person at the Meeting. If you attend the Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Meeting.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close on June 3, 2019 at 1:00 a.m. Central Time.

Beneficial Holder

If your shares are held in “street name” (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. If your shares are not registered in your own name and you plan to vote your shares in person at the Meeting, you should contact the broker or agent to obtain a legal proxy or broker’s proxy card and bring it with you to the Meeting in order to vote. You will not be able to vote at the Meeting unless you have a proxy card from your broker.

No Dissenters Rights

The proposed corporate actions on which the stockholders are being asked to vote are *not* corporate actions for which stockholders of a Delaware corporation have the right to dissent under the Delaware General Corporation Law (the “DGCL”).

Proposals by Security Holders and Other Matters

No stockholder has requested that we include any additional proposals in this Proxy Statement or otherwise requested that any proposals be submitted to the stockholders at the Meeting. Management and the Board of Directors of the Company know of no other matters to be brought before the Meeting other than as described herein. If any other matters are properly presented to the stockholders for action at the Meeting and any adjournments or postponements thereof, the proxy holder named in the enclosed proxy intends to vote in his discretion on all matters on which the shares of Common Stock represented by such proxy are entitled to vote.

Forward-Looking Statements

This Proxy Statement may contain certain “forward-looking” statements, as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, in connection with the Private Securities Litigation Reform Act of 1995 that involve risks and uncertainties, as well as assumptions that, if they never materialize or prove incorrect, could cause our results to differ materially and adversely from those expressed or implied by such forward-looking statements.

Such forward-looking statements include statements about our expectations, beliefs or intentions regarding actions contemplated by this Proxy Statement, our potential business, financial condition, results of operations, strategies, or prospects. You can identify forward-looking statements by the fact that these statements do not relate strictly to historical or current matters. Rather, forward-looking statements relate to anticipated or expected events, activities, trends, or results as of the date they are made and are often identified by the use of words such as “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” or “will,” and similar expressions or variations. Because forward-looking statements relate to matters that have not yet occurred, these statements are inherently subject to risks and uncertainties that could cause our actual results to differ materially from any future results expressed or implied by the forward-looking statements. Many factors could cause our actual activities or results to differ materially from the activities and results anticipated in forward-looking statements. These factors include those described under the caption “Risk Factors” included in our other filings with the Securities and Exchange Commission (“SEC”), including the disclosures set forth in Item 1A of our Form 10-K for the year ended December 31, 2018. Furthermore, such forward-looking statements speak only as of the date of this Proxy Statement. We undertake no obligation to update any forward-looking statements to reflect events or circumstances occurring after the date of such statements.

Vote Required and Recommendation

Each share will count as one vote cast for the election of directors, and abstentions and broker non-votes will not be counted. To be elected each director must receive a plurality of the votes cast at the Meeting—the six individuals with the most votes will be elected to the Board of Directors. Unless otherwise specified, the enclosed proxy will be voted “FOR” the election of the Board of Directors' slate of nominees. Neither Management nor the Board of Directors of the Company is aware of any reason which would cause any nominee to be unavailable to serve as a Director.

THE BOARD OF DIRECTORS RECOMMENDS YOU VOTE “FOR” THE ELECTION OF MESSRS. BEHRENS, DICKINSON, HAYMONS, HERLIN, JOLLY, AND MURPHY.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited financial statements appearing in the Company's Annual Report on Form 10-K for the year ended December 31, 2018, with Enservco management. The Audit Committee has discussed with the Company's independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board (the "PCAOB") in Rule 3200T and has received written disclosures from the independent auditor required by the applicable requirements of the PCAOB regarding the independent auditor's independence. The Audit Committee has discussed the independent auditor's independence with representatives of the independent auditor. Based on that review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included with the Company's Form 10-K for the fiscal year ended December 31, 2018.

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has selected the accounting firm of Plante & Moran, PLLC ("PM") to serve as our independent registered public accounting firm for the 2019 fiscal year. Effective October 1, 2018, EKS&H LLLP ("EKS&H"), the independent registered public accounting firm for the Company, combined with PM. As a result of this transaction, on October 1, 2018, EKS&H resigned as the independent registered public accounting firm for the Company. Concurrent with such resignation, the Company's audit committee approved the engagement of PM as the new independent registered public accounting firm for the Company. We are asking our stockholders to ratify the selection of PM as our independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of PM to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice.

To the Company's knowledge, a representative from PM is expected to be present at the Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to questions.

Fees Billed

The following is a summary and description of fees for services provided by PM and EKS&H LLLP for the years ended December 31, 2018 and 2017.

	2018	2017
Audit fees (1)	\$ 157,934	\$ 129,000
Audit-related fees (2)	—	17,470
Tax fees	—	—
All other fees (3)	—	2,493
Total	\$ 157,934	\$ 148,963

Audit Fees include professional services for the audit of our annual consolidated financial statements, reviews of the (1) consolidated financial statements included in our Form 10-Q filings, audits of company provided employee benefit plans, and services that are normally provided in connection with statutory and regulatory filings or engagements.

Audit-Related Fees comprise fees for professional services that are reasonably related to the performance of the (2) audit or review of the Company's consolidated financial statements including review of the consolidated financial statements incurred in conjunction with registration statements.

(3) All other fees include amounts billed for consultation provided to the Company.

Pre-Approval Policies and Procedures

The Audit Committee Charter provides that the Audit Committee is responsible for the appointment, compensation, retention and oversight of the independent public accountants, and pre-approves all audit services and permissible non-audit services to be provided to the Company by the independent public accountants. The Audit Committee may, in its discretion, delegate the authority to pre-approve all audit services and permissible non-audit services to the Chairman of the Audit Committee provided the Chairman reports any delegated pre-approvals to the Audit Committee at the next meeting thereof. The Audit Committee has not, however, adopted any specific policies and procedures for the engagement of non-audit services.

The Audit Committee approved of PM performing our audit and all other consultation services provided for the 2018 and 2017 fiscal years as set forth in the table above.

Vote Required and Recommendation of Board

Proposal No. 2 requires the affirmative vote of a majority of the votes cast at the Meeting. If our stockholders fail to ratify the selection, it will be considered as a direction to the Board to consider the selection of a different firm. The Board considers PM as successor to EKS&H, to be well-qualified to serve as the independent auditor for the Company and PM has experience since 2010 in doing so. However, even if the selection is ratified, the Board of Directors, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE RATIFICATION OF PM AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTING FIRM.

PROPOSAL NO. 3
ADVISORY VOTE ON EXECUTIVE COMPENSATION

Starting in 2011, Section 14A of the Exchange Act, and Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), require that at stockholder meetings at which directors are to be elected, certain public companies submit to their stockholders what is commonly known as a “Say on Pay” proposal. A Say on Pay proposal gives stockholders the opportunity to vote to approve or not approve, on an advisory basis, the compensation of the companies Named Executive Officers (“NEOs”)—being those executive officers whose total compensation is described in the Executive Compensation disclosure included in the Company’s Annual Report as well as in the materials prepared and distributed in connection with stockholder meetings.

This Say On Pay vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s NEOs and our compensation philosophy, policies and practices, as disclosed under the “Executive Compensation” section of this Proxy Statement.

The Company recognizes that a framework that accounts for the Company’s financial resources and its business objectives is essential to an effective executive compensation program. The Company’s compensation framework and philosophy are established and overseen primarily by the Compensation Committee. Our executive compensation program is designed to provide a competitive level of compensation necessary to attract and retain talented and experienced executives and to motivate them to achieve short-term and long-term corporate goals that enhance stockholder value. To that end we strive to ensure that the compensation of our executives is in-line with those of similarly situated oil and gas field services companies. The Compensation Committee attempts to balance the compensation of our NEOs between near term compensation (being the payment of competitive salaries) with providing compensation intended to reward executives for the Company’s long-term success (being equity-based compensation). Moreover, the equity-based compensation element is intended to further align the longer term interests of our executive officers with that of our stockholders. To further implement our objectives in attracting and retaining qualified executive officers our NEOs are also eligible to receive an annual bonus and receive various employment benefits.

Additionally, as part of our philosophy of aiming to attract and retain qualified executive level personnel the Company has entered into an employment agreement with each of its NEOs that is intended to provide each executive with a reasonable level of security with respect to his on-going employment.

We believe our executive compensation program implements our primary objectives of attracting and retaining qualified executive level personnel, providing the executives with reasonable contractual terms that offer some level of security, and motivating executive level personnel with a balance between short-term incentives with longer term

incentives aimed to help further align the interests of our executive officers with our stockholders. Stockholders are encouraged to read the Executive Compensation section of this Proxy Statement for a more detailed discussion of the compensation structure and programs implemented by the Company during its 2018 fiscal year and which we expect to continue going forward.

At the 2016 Annual Meeting of Stockholders, held on September 29, 2016, an advisory vote was held on executive compensation for Enservco's NEOs. At the 2016 Annual Meeting of Stockholders the stockholders approved a frequency of three years for voting on executive compensation. Pursuant to the foregoing, the Company is holding an advisory stockholder vote regarding NEO compensation at this Meeting. At the Annual Meeting, we will ask our stockholders to indicate their support for our NEO compensation as described in this Proxy Statement by voting "FOR" the following resolution:

RESOLVED, that the stockholders of Enservco approve, on an advisory basis, the compensation of the Company's named executive officers, as such compensation is disclosed pursuant to Item 402 of Regulation S-K, including the tabular disclosure regarding such compensation, and the accompanying narrative executive compensation disclosures set forth in the Company's 2019 Annual Meeting Proxy Statement.

While we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature and therefore not binding on the Company. However, our Board of Directors values the opinions of all of our stockholders and will consider the outcome of this vote when making future compensation decisions for our NEOs.

Vote Required and Recommendation of Board

The advisory (non-binding) vote on the Company's executive compensation structure and program as described in this Proxy Statement (including under the heading "Executive Compensation") is non-binding, meaning that our Board will not be obligated to take any compensation actions, or to adjust our executive compensation programs or policies, as a result of the vote. Notwithstanding the advisory nature of the vote, the resolution will be considered passed with the affirmative vote of a majority of the votes cast at the Meeting. Although the vote is non-binding, our Board will review the voting results. The Board intends to consider the feedback obtained through this process in making future decisions about executive compensation programs.

The Board believes the Company's executive compensation program is appropriately structured and effective in achieving the Company's core compensation objectives.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL NO. 4
FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

Starting in 2011 Section 14A of the Exchange Act, and Section 951 of the Dodd-Frank Act, require that public companies give their stockholders the opportunity to vote, at stockholder meetings at which directors are to be elected and on an advisory basis, on the frequency with which companies include in their meeting materials an advisory vote to approve or not approve the compensation of their NEOs.

At the 2016 Annual Meeting of Stockholders, held on September 29, 2016, an advisory vote was held on the frequency of the advisory vote on the compensation program for Enservco's named executive officers. More than a majority of the votes cast at the annual meeting approved holding an advisory vote on the compensation program for named executive officers on a triennial basis (that is, each three years).

Our Board of Directors believes that an advisory vote on executive compensation that occurs every three years is the most appropriate choice for the Company, as a triennial vote complements the Company's goal to create a compensation program that enhances long-term stockholder value. As described in the section titled "Executive Compensation," our executive compensation program is designed to motivate executives to achieve both short-term and longer-term corporate goals that enhance stockholder value. To facilitate the creation of long-term, sustainable stockholder value, certain of our compensation awards are contingent upon successful completion of multi-year performance and service periods. A triennial vote will provide stockholders the ability to evaluate our compensation program over a time period similar to the periods associated with our compensation awards, allowing them to compare the Company's compensation program to the long-term performance of the Company.

The Company and the Board of Directors would similarly benefit from this longer time period between advisory votes. Three years will give the Company sufficient time to fully analyze the Company's compensation program (as compared to the Company's performance over that same period) and to implement necessary changes. In addition, this period will provide the time necessary for implemented changes to take effect and the effectiveness of such changes to be properly assessed. The greater time period between votes will also allow the Company to consider various factors that impact the Company's financial performance, stockholder sentiments and executive pay on a longer-term basis. The Board of Directors believes anything less than a triennial vote may yield a short-term mindset and detract from the long-term interests and goals of the Company.

While we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature and therefore not binding on the Company or the Board of Directors. Our Board of Directors values the opinions of all of

our stockholders and will consider the outcome of this vote when making future decisions on the frequency with which we will hold an advisory vote on executive compensation.

Unless the timing of the advisory votes is changed, the next required advisory vote regarding the frequency of an advisory vote on named executive officer compensation will be held at the Annual Meeting of Stockholders to be held in 2022.

Vote Required and Recommendation of Board

With respect to Proposal No. 4, stockholders will have the opportunity to cast their vote on the preferred voting frequency by selecting the option of holding an advisory vote on executive compensation: 1) “EVERY THREE YEARS,” 2) “EVERY TWO YEARS”, 3) “EVERY ONE YEAR,” or stockholders may “ABSTAIN.” The frequency receiving the greatest number of votes will be considered the frequency recommended by stockholders. Although the advisory vote is non-binding, our Board will review the results of the vote and take them into account in making a determination concerning the frequency of advisory votes on executive compensation.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU SELECT “THREE YEARS” FOR VOTING ON THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION.

CORPORATE GOVERNANCE

The Board is committed to sound and effective governance practices, which help us compete more effectively, sustain our success, and build long-term stockholder value. The Board reviews the Company's governance policies and business strategies, and advises and counsels the executive officers who manage the Company.

Meetings of the Board and Committees; Attendance at the Annual Meeting

The Board of Directors held 4 formal in-person or telephonic meetings during the fiscal year ended December 31, 2018 and acted by unanimous consent four times during 2018. The incumbent directors each attended 100% of the board meetings held during 2018. In addition, regular communications were maintained throughout the year among all of the officers and directors of the Company.

Board members are not required to attend the annual stockholder meeting. The Company last held an annual meeting of stockholders on June 26, 2018, and six Board members were in attendance, either in person or telephonically.

Committees of the Board

Audit Committee

The Board of Directors established the Audit Committee on May 29, 2013, in accordance with Section 3(a)(58)(A) of the Exchange Act and then NYSE MKT Rule 803(B) as modified for smaller reporting companies by then NYSE MKT Rule 801(h). The Audit Committee was established to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements.

The members of our Audit Committee are Messrs. Haymons, Jolly, and Herlin. Mr. Haymons is chairman of the Audit Committee. On May 1, 2017, and each subsequent Audit Committee meeting, the Board of Directors determined that Mr. Haymons, Mr. Jolly and Mr. Herlin were independent under SEC Rule 10A-3(b)(1) and NYSE American Rule 802(a). The Board has determined that all current members of the Audit Committee are "financially literate" as interpreted by the Board in its business judgment. No members of the Audit Committee have been qualified as an audit committee financial expert, as defined in the applicable rules of the SEC, because the Board believes that the Company's status as a smaller reporting company does not require expertise beyond financial literacy. The Audit

Committee held four meetings during the year ended December 31, 2018.

The Audit Committee meets quarterly with our independent accountants and management to review the scope and results of the annual audit and to review our financial statements and related reporting matters prior to the submission of the financial statements to the Board. In addition, the Audit Committee meets with the independent auditors at least on a quarterly basis to review and discuss the annual audit or quarterly review of our financial statements.

We have adopted an Audit Committee Charter that deals with the establishment of the Audit Committee and sets out its duties and responsibilities. The Audit Committee reviews and reassesses the adequacy of the Audit Committee Charter on an annual basis. The Audit Committee Charter is available on our Company website at <http://www.enservco.com>.

No Nominating Committee

Enservco has not established a nominating committee. Under the NYSE American Rule 804(a), if there is no nominating committee, nominations must be made by a majority of the independent directors. In accordance with this rule, the independent members of the Board of Directors are responsible for identifying and nominating appropriate persons to become members of the Board of Directors, as necessary. In identifying Board candidates, it is the Company's goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of the Company, while also reviewing other appropriate factors. Enservco believes that this method of identifying, evaluating, and nominating members to join the Board of Directors is appropriate given Enservco's status as a smaller reporting company.

In order to comply with NYSE American rules, Enservco has adopted a nomination procedure in its Bylaws by which eligible stockholders may nominate a person to the Board of Directors. Such procedure was amended by the Board of Directors on March 16, 2015. That procedure is as follows:

Enservco will consider all recommendations from any person (or group) who holds and has (or collectively if a group have) held more than 5% of Enservco's voting securities for longer than one year. Any stockholder who desires to submit a nomination of a person to stand for election of directors at the next annual or special meeting of the stockholders at which directors are to be elected must submit a notification of the stockholder's intention to make a nomination ("Notification") to Enservco's corporate secretary by the date mentioned in the most recent proxy statement or information statement under the heading "*Proposal From Stockholders*" as such date may be amended in cases where the annual meeting has been changed as contemplated in SEC Rule 14a-8(e), Question 5, and in that notification must provide the following additional information to Enservco:

Name, address, telephone number and other methods by which Enservco can contact the stockholder submitting the Notification and the total number of shares beneficially owned by the stockholder (as the term "beneficial ownership" is defined in SEC Rule 13d-3);

If the stockholder owns shares of Enservco's voting stock other than on the records of Enservco, the stockholder must provide evidence that he or she owns such shares (which evidence may include a current statement from a brokerage house or other appropriate documentation);

Information from the stockholder regarding any intentions that he or she may have to attempt to make a change of control or to influence the direction of Enservco, and other information regarding the stockholder any other persons associated with the stockholder that would be required under Items 4 and 5 of SEC Schedule 14A were the stockholder or other persons associated with the stockholder making a solicitation subject to SEC Rule 14a-12(c); and

All information required by Item 7 of SEC Schedule 14A with respect to the proposed nominee, which shall be in a form reasonably acceptable to Enservco.

Compensation Committee

The Board of Directors established the Compensation Committee in November, 2017. The Board of Directors appointed Messrs. Herlin, Jolly, and Haymons to the Compensation Committee, each of whom the Board of Directors has determined is independent pursuant to the independence tests under the NYSE American Company Guide. The Compensation Committee is charged with reviewing and approving the terms and structure of the compensation of the Company's executive officers. The Compensation Committee held three meetings during the year ended December 31, 2018.

Pursuant to the NYSE American rules, the independent members of Enservco's Board of Directors determine the compensation of our Chief Executive Officer. The Board believes that this is appropriate given that Enservco is a smaller reporting company and these compensation decisions are made by the independent directors. The process and procedures for establishing executive compensation are discussed in the "Executive Compensation" and "Compensation of Directors" sections located elsewhere in this proxy statement.

We have adopted a Compensation Committee Charter that deals with the establishment of the Compensation Committee and sets out its duties and responsibilities. The Compensation Committee reviews and reassesses the adequacy of the Compensation Committee Charter on an annual basis. The Compensation Committee Charter is available on our Company website at <http://www.enservco.com>.

Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Board Chairman as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has not designated a lead independent director. The roles of Chief Executive Officer and Chairman are presently separated, and Richard A. Murphy serves as the Chairman of the Board.

Board's Role and the Role of the Audit Committee in Risk Oversight

While management is charged with the day-to-day management of risks that Enservco faces, the Board of Directors and Audit Committee are responsible for oversight of risk management. The full Board and the Audit Committee have responsibility for general oversight of risks facing the Company. Specifically, the Audit Committee will review and assess the adequacy of Enservco's risk management policies and procedures with regard to identification of Enservco's principal risks, both financial and non-financial, and review updates on these risks from the Chief Financial Officer and the Chief Executive Officer. The Audit Committee will also review and assess the adequacy of the implementation of appropriate systems to mitigate and manage the principal risks.

Director Independence

The Company utilizes the definition of "independent director" as it is set forth in Section 803A(2) of the NYSE American Rules. Further, the Board considers all relevant facts and circumstances in its determination of independence of all members of the Board (including any relationships). Based on the foregoing criteria, Messrs. Behrens, Haymons, Herlin, Jolly, and Murphy are considered independent directors and were confirmed as such by the Board of Directors.

Further information regarding enhanced independence standards applicable to directors who serve on the Company's Audit Committee, and directors who participate in the determination of the compensation of our chief executive officer, can be found in the Corporate Governance section elsewhere in this proxy statement, under the headings "Audit Committee" and "No Compensation Committee".

Board of Directors – Composition, Qualifications and Attributes; Board Diversity

The Company's Board of Directors seeks to ensure that it is composed of members whose particular experience, qualifications, attributes, and skills, when taken together, will allow the Board of Directors to satisfy its oversight obligations effectively. The Company does not currently have a separate nominating (or similar) committee and, as further discussed above, given the Company's small size, the Company does not yet believe such a committee is necessary. However, as the Company grows, it may consider establishing a separate nominating committee.

Under the NYSE American Rule 804(a), if there is no nominating committee, nominations must be made by a majority of the independent directors. In accordance with this rule, the independent members of the Board of Directors are responsible for identifying and appointing appropriate persons to become members of the Board of Directors, as

necessary. In identifying Board candidates, it is the Company's goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of the Company, while also reviewing other appropriate factors. Enservco believes that this method of identifying, evaluating, and nominating members to join the Board of Directors is appropriate given Enservco's status as a smaller reporting company.

The Board of Directors does not have a formal diversity policy. The Board considers candidates that will make the Board as a whole reflective of a range of talents, skills, diversity, and experience.

Related Party Transactions Policy and Procedures

The Board has adopted a written policy that establishes a framework for the review and approval or ratification of transactions between the Company and its related parties and/or their respective affiliated entities. We refer to this policy as our "Related Party Transactions Policy". The Related Party Transactions Policy is available on our website at www.enservco.com.

Pursuant to this policy, "Related Parties" includes our executive officers and directors, any nominee for director, beneficial owners of 5% or greater of the Company's voting securities, and the immediate family members any of the foregoing persons. An "Immediate Family Member" of a Related Party means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or any person sharing a household with the Related Party, other than a tenant or employee.

A "Related Party Transaction" includes:

- any transaction or relationship directly or indirectly involving a Related Party that would need to be disclosed under Item 404(a) of Regulation S-K;
- any material amendment or modification to an existing Related Party Transaction; and
- any transaction deemed by the directors or the Company's legal counsel to be a Related Party Transaction.

Under the Related Party Transactions Policy, Related Party Transactions are prohibited, unless approved or ratified by the disinterested directors of the Company. A Related Party Transaction entered into without pre-approval is not invalid, unenforceable, or in violation of the policy, provided that such transaction is brought to the disinterested directors as promptly as reasonably practical after it is entered into, and such transaction is ratified.

The Company's executive officers, directors, or nominees for director are required to promptly notify the Board of Directors and the Company's legal counsel of any proposed Related Party Transaction. The Company's disinterested directors will review such transaction, considering all relevant facts and circumstances, including the commercial reasonableness of the terms, the benefit and perceived benefit (or lack thereof) to the Company, opportunity costs of alternate transactions, the materiality and character of the Related Party's direct or indirect interest, and the actual or apparent conflict of interest of the Related Party. The disinterested directors shall not approve or ratify a Related Party Transaction unless they have determined that upon consideration of all relevant information, the proposed Related Party Transaction is in, or not inconsistent with, the best interests of the Company and its stockholders.

The following sets forth information regarding transactions between the Company (and its subsidiaries) and its officers, directors and significant stockholders since January 1, 2018 or otherwise outstanding as of the Record Date.

Subordinated Loan Agreement entered into with Cross River Partners, L.P.

On June 28, 2017, the Company entered into a subordinated loan agreement (the “Subordinated Loan Agreement”) with Cross River Partners, L.P., (“Cross River”), which documents the Company’s obligations to Cross River with respect to the financial accommodations made to the Company by Cross River in connection with the Tenth Amendment to the Company Amended and Restated Revolving Credit and Security Agreement with PNC Bank. In connection with the Subordinated Loan Agreement, on June 28, 2017, the Company delivered two subordinated promissory notes to Cross River in the amounts of \$1 million and \$1.5 million, respectively (each a “Note”, collectively, the “Notes” and, together with the Subordinated Loan Agreement, the “Subordinated Loan Documents”). The Notes each have a maturity date of June 28, 2022 (the “Maturity Date”) and bear interest at a fixed per annum rate of 10.0%.

On August 10, 2017, the Company entered into the Loan and Security Agreement with East West Bank (the "2017 Credit Agreement"), which replaced the 2014 Credit Agreement. In relation to the 2017 Credit Agreement, on August 7, 2017, Cross River entered into a subordination agreement with East West Bank. The Company began making quarterly payments of accrued interest under each Note on July 1, 2017 and will continue making such interest only payments until all of the Company's obligations under the 2017 Credit Agreement have been satisfied. Once all of the Company's obligations under the 2017 Credit Agreement have been satisfied, the Company will begin making quarterly payments of principal (based on an amortization schedule of 10 years) plus interest until the Maturity Date. On the Maturity Date, all amounts still outstanding under the Notes will become due and payable. The Company has the right to prepay the outstanding balance of all principal and interest of either or both Notes, in whole, subject to a prepayment penalty equal to the total interest that would have been due and payable on the next two quarterly payments following such prepayment.

In connection with the Subordinated Loan Agreement, on June 28, 2017, the Company issued Cross River two five-year warrants (the "Warrants") to buy an aggregate total of 1,612,902 shares of the Company's Common Stock at an exercise price of \$0.31 per share, the average closing price of the Company's Common Stock for the 20 day period ended May 11, 2017. These warrants were exercised on June 29, 2018. Proceeds from the exercise of the warrants in the amount of \$500,000 were used to reduce the subordinated debt balance.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires Enservco's directors and officers and any persons who own more than ten percent of Enservco's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). All directors, officers and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports filed. Based solely on our review of the copies of Forms 3, 4 and any amendments thereto furnished to us during the fiscal year completed December 31, 2018, we believe that during the Company's 2018 fiscal year all of our named executive officers, directors, and greater than ten percent stockholders filed the required reports on a timely basis under Section 16(a) of the Exchange Act, with the exception of Mr. Kersting, whose Initial Statement of Beneficial Ownership on Form 3 was not timely filed. Mr. Kersting was appointed as an executive officer of the Company on May 21, 2018; therefore this Form 3 was due on June 5, 2018. This Form 3 would have reported that Mr. Kersting did not beneficially own any of the Company's securities as of the date of his appointment as a named executive officer. The Company filed a Form 5 on Mr. Kersting's behalf on April 17, 2019 to report Mr. Kersting's beneficial ownership that should have been reported on Form 3.

Code of Business Conduct and Whistleblower Policy

On July 27, 2010, our Board of Directors adopted a Code of Business Conduct and Whistleblower Policy (the "Code of Conduct") which the Board updated on May 29, 2013. The Code of Conduct applies to all of our officers and

employees, including our principal executive officer, principal financial officer and principal accounting officer. Our Code of Conduct establishes standards and guidelines to assist our directors, officers, and employees in complying with both the Company's corporate policies and with the law and is posted at our website: www.enservco.com. Additionally, a copy of our Code of Conduct was filed as an exhibit to our Current Report on Form 8-K dated July 27, 2010 and the amended Code of Conduct was filed as an exhibit to a Current Report on Form 8-K dated May 29, 2013.

Insider Trading Policy

On June 22, 2016, our Board of Directors approved a new Insider Trading Policy. The Insider Trading Policy applies to all of our officers, directors, and employees. Our Insider Trading Policy is posted at our website: www.enservco.com. Additionally, a copy of our Insider Trading Policy was filed as an exhibit to our Current Report on Form 8-K dated June 22, 2016.

(1) Stock awards reflect the grant date fair value of the awards determined in accordance with ASC Topic 718. The assumptions and methodologies used in the calculations of these amounts are set forth in Note 11 to the consolidated financial statements set forth in the Form 10-K for the fiscal year ending December 31, 2018. Under generally accepted accounting principles, compensation expense with respect to stock awards granted to our executive officers is generally recognized over the vesting periods applicable to the awards. The SEC disclosure rules require that we present stock award amounts in the applicable row of the table above using the grant date fair value of the awards granted during the corresponding year (regardless of the period over which the awards are scheduled to vest).

(2) Amounts represent the calculated fair value of stock options granted to the named executive officers based on provisions of ASC 718-10, *Stock Compensation*, which vested during the year. (7) Mr. Kersting was named chief operating officer on May 21, 2018.

(8) This award is subject to performance conditions. If the highest level of all conditions are met, the value of the award would be \$414,000.

Narrative Disclosure to Summary Compensation Table

Compensation Committee. The Board of Directors established the Compensation Committee in November, 2017. The Board of Directors appointed Messrs. Herlin, Jolly, and Haymons to the Compensation Committee, each of whom the Board of Directors has determined is independent pursuant to the independence tests under the NYSE American Company Guide. The Compensation Committee is charged with reviewing and approving the terms and structure of the compensation of the Company's executive officers.

The Company considers various factors when evaluating and determining the compensation terms and structure of its executive officers, including the following:

1. The executive's leadership and operational performance and potential to enhance long-term value to the Company's stockholders;
2. The Company's financial resources, results of operations, and financial projections;
3. Performance compared to the financial, operational, and strategic goals established for the Company;
4. The nature, scope, and level of the executive's responsibilities;
5. Competitive market compensation paid by other companies for similar positions, experience, and performance levels; and
6. The executive's current salary, the appropriate balance between incentives for long-term and short-term performance.

Company management is responsible for reviewing the base salary, annual bonus and long-term compensation levels for other Company employees, and the Company expects this practice to continue going forward. The entire Board of Directors remains responsible for significant changes to, or adoption, of new employee benefit plans.

The Company believes that the compensation environment for qualified professionals in the industry in which we operate is highly competitive. In order to compete in this environment, the compensation of our executive officers is primarily comprised of the following four components:

Base salary;

Annual short-term incentive plan compensation (cash bonus awards);

Long-term incentive compensation (equity awards); and

Other employment benefits.

Base Salary

Base salary, paid in cash, is the first element of compensation to our officers. In determining base salaries for our key executive officers, the Company aims to set base salaries at a level we believe enables us to hire and retain individuals in a competitive environment and to reward individual performance and contribution to our overall business goals. The Board of Directors believes that base salary should be relatively stable over time, providing the executive a dependable, minimum level of compensation, which is approximately equivalent to compensation that may be paid by competitors for persons of similar abilities. The Board of Directors believes that base salaries for our executive officers are appropriate for persons serving as executive officers of public companies similar in size and complexity similar to the Company.

The Company's named executive officers (being Messrs. Dickinson, Bradford, and Kersting) receive base salaries in accordance with the terms of their respective employment agreements (which are described below).

Cash Bonuses

Historically, discretionary cash bonuses were another element of our compensation plan. These discretionary cash bonuses provided executive officers and other employees with the potential to receive a portion of their annual cash compensation as a cash bonus in order to encourage performance to achieve key corporate objectives and to be competitive from a total remuneration standpoint. We did not establish a set formula for determining or awarding discretionary cash bonuses to our other executives or employees. In determining whether to award bonuses and the amount of any bonuses, we have taken and expect to continue to take into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package, as well as the Company's overall performance including cash flow and other operational factors.

In 2018, we adopted the 2018 Short Term Incentive Plan ("2018 STIP") in order to motivate and reward our named executive officers for meeting or exceeding corporate performance goals. Under the 2018 STIP, the Compensation Committee set target opportunities of 100% of base salary for our CEO, and 70% of base salary for our CFO and COO. The Compensation Committee also determined that 60% of the total cash incentive bonus for each named executive officer should be based on the Company's attainment of a threshold ratio of EBITDA to debt, 20% should be based on the Company's achievement of certain safety goals, and 20% should be discretionary at the discretion of the Compensation Committee, in each case subject to the Compensation Committee's further adjustment in order to realign with corporate goals.

In reviewing the performance of the Company for 2018, the Compensation Committee determined that the actual amount of the cash bonus awards would be 50% of target for each named executive officer. This determination was based on the Compensation Committee's determination that 0% of the bonus should be attributable to the Company's attainment of the specified EBITDA threshold, 10% should be based on the Company's achievement of certain safety goals, and 40% should be awarded on a discretionary basis due to the named executive officers' contributions towards the Company's achievement of corporate objectives during 2018.

Equity-Based Compensation

Each of the Company's executive officers are eligible to be granted awards under the Company's equity compensation plans. The Company believes that equity-based compensation helps align management and executives' interests with the interests of our stockholders. Our equity incentives are also intended to reward the attainment of long-term corporate objectives by our executives. We also believe that grants of equity-based compensation are necessary to enable us to be competitive from a total remuneration standpoint. At the present time, we have one active equity incentive plan for our management and employees, the 2016 Stock Incentive Plan (the "2016 Plan"), and one dormant equity incentive plan for our management and employees, the 2010 Stock Incentive Plan (the "2010 Plan"), pursuant to which there are still outstanding awards.

Historically, in determining whether to grant awards and the amount of any awards, the Company took into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package. In 2018, the Company adopted the Long-Term Incentive Plan ("2018 LTIP"), which is intended to balance the short-term orientation of other compensation elements, further align management and shareholder interests, focus named executive officers on achievement of long-term results, and retain executive talent. The Company's named executive officers and senior managers are eligible to receive awards under the 2018 LTIP. All awards granted under the 2018 LTIP are made pursuant to the 2016 Plan. The 2018 LTIP awards contain the following terms: (i) 60% shall vest upon the Company's Common Stock achieving a 90-day moving average price of at least \$2.25 per share and (ii) 40% shall vest upon the Company achieving a ratio of trailing twelve-month debt to EBITDA ratio of 1.50 to 1.0.

The Company has granted restricted stock and stock options to each of its executive officers as described above in the table entitled "Security Ownership of Management, Directors, and Certain Beneficial Owners" and below in the table entitled "Stock Options, Stock Awards, and Equity Incentive Plans."

Forfeiture and Grant of Stock Options

The Compensation Committee granted restricted stock awards to Messrs. Dickinson, Bradford, and Kersting for fiscal year 2018 under the 2016 Plan. On June 14, 2018 the Compensation Committee approved granting Mr. Dickinson 225,000 shares of restricted stock, Mr. Kersting 300,000 shares of restricted stock, and Mr. Bradford 175,000 shares of restricted stock.

The Board of Directors granted stock options to Messrs. Dickinson, Peitz, and Bradford for fiscal year 2017 under the 2016 Plan. On June 2, 2017 the Board granted Mr. Dickinson options to purchase 1,200,000 shares of Common Stock and Mr. Peitz options to purchase 500,000 shares of Common Stock, in each case under the the 2016 Plan. On June 26, 2017, the Board granted Mr. Bradford options to purchase 50,000 shares of Common Stock under the 2016 Plan.

As discussed below, Mr. Franciscus was granted options to purchase 800,000 shares of Common Stock under the 2016 Plan, however, Mr. Franciscus forfeited 533,334 of these unvested options in connection with his resignation.

Other Compensation/Benefits

Another element of the overall compensation is through providing our executive officers various employment benefits, such as the payment of health and life insurance premiums on behalf of the executive officers. Additionally, the Company provided Mr. Peitz with an automobile. Our executive officers are also eligible to participate in our 401(k) plan on the same basis as other employees and the Company historically has made matching contributions to the 401(k) plan, including for the benefit of our executive officers.

Declared Discretionary Bonuses

During 2018, the Board of Directors awarded discretionary bonuses to Messrs. Dickinson, Kersting, and Bradford as shown in the Summary Compensation Table above. During 2017, the Board of Directors awarded discretionary bonuses to Messrs. Dickinson and Peitz, as shown in the Summary Compensation Table above.

Risks of Compensation Programs

The Company's equity-based compensation is performance-based in that the issued stock options become valuable as the stockholders' returns (measured by stock price) increase. Furthermore, in all cases, options granted to the Company's employees include time-based vesting. The Company believes that this vesting, coupled with the internal controls and oversight of the risk elements of its business, have minimized the possibility that the compensation programs and practices will have a material adverse effect on the Company and its financial, and operational, performance.

COMPENSATION OF DIRECTORS

Each member of the Board of Directors receives a quarterly director fee of \$7,000. Directors who are members of the Board's Audit Committee receive an additional fee of \$1,500 per quarter. As chair of the Audit Committee, Mr. Haymons receives an additional fee of \$3,000 per quarter. As chair of the compensation committee, Mr. Herlin receives an additional \$2,500 per quarter. DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

If hard copies of the materials are requested, we will send only one Proxy Statement and other corporate mailings to stockholders who share a single address unless we received contrary instructions from any stockholder at that address. This practice, known as “householding,” is designed to reduce our printing and postage costs. However, the Company will deliver promptly upon written or oral request a separate copy of the Proxy Statement to a stockholder at a shared address to which a single copy of the Proxy Statement was delivered. You may make such a written or oral request by sending a written notification stating (i) your name, (ii) your shared address and (iii) the address to which the Company should direct the additional copy of the Proxy Statement, to the Company at Corporate Secretary, Enservco Corporation, 999 18th Street, Suite 1925N, Denver, CO 80202; Phone: (866) 998-8731.

Enservco Corporation anticipates its next Annual Meeting of Stockholders will be held in June of 2020. Under Rule 14a-8, if a stockholder wants us to include a proposal in our proxy statement for presentation at our 2020 Annual Meeting of Stockholders, the proposal must be received by us by December 29, 2019. If the date of our 2020 Annual Meeting of Stockholders is more than 30 days from the anniversary date of our 2019 Annual Meeting of Stockholders, stockholders who wish to submit proposals for the 2020 Annual Meeting of Stockholders must submit such proposals a reasonable amount of time before we print and mail our proxy materials for the 2020 Annual Meeting of Stockholders. All proposals should be addressed to Enservco Corporation, Attention: Corporate Secretary, 999 18th Street, Suite 1925N, Denver, CO 80202. As discussed under the heading “Committees of the Board – No Nominating Committee” elsewhere in this proxy statement, the Company’s Bylaws set forth specific information that must be included with any nomination of a person to stand for election of directors at the next Annual Meeting or special meeting of the stockholders at which directors are to be elected.

The SEC also sets forth procedures under which stockholders may make proposals outside of the process described above in order for a stockholder to nominate persons for election as directors or to introduce an item of business at an annual meeting of stockholders. These procedures require that stockholders must submit nominations or items of business in writing to our Corporate Secretary at our offices in Denver, Colorado. We must receive the notice of your intention to introduce a nomination or to propose an item of business at our 2020 Annual Meeting no later than 45 days before the date on which the Company first sent proxy materials for the prior year’s annual meeting if it is being held within 30 days preceding the anniversary date of this year’s annual meeting (June 3, 2019), which is a reasonable time before the Company will make its proxy materials available to stockholders.

Assuming that our 2020 Annual Meeting is held on schedule, we must receive notice of your intention to introduce a nomination or other item of business at that meeting by March 4, 2020, which is a reasonable time before the Company will make its proxy materials available to stockholders. In order to curtail controversy as to the date on which a proposal was received by us, it is suggested that proponents submit their proposals by certified mail, return receipt requested. Such proposals must also meet the other requirements established by the SEC for stockholder proposals.
