Cautionary Statement Regarding Forward-Looking Statements

Certain statements made herein represent forward looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities and Exchange Act of 1934 and are subject to a number of risks and uncertainties. These include, among other risks and uncertainties, whether we will be able to generate sufficient cash flow from our operations or other sources to fund our working capital needs, maintain existing relationships with our lender, successfully introduce and attain market acceptance of any new products, attract and retain qualified personnel both in our existing markets and in new territories in an extremely competitive environment, and potential obsolescence of our technologies.

In some cases, you can identify forward-looking statements by terms such as "may," "will," "should," "could," "would," "plans," "anticipates," "believes," "estimates," "projects," "predicts," "potential" and similar expressions intended to identify forward-looking statements. These statements are only predictions and involve known and unknown risks, uncertainties, and other factors that may cause our actual results, levels of activity, performance, or achievements to be materially different from any future results, levels of activity, performance, or achievements expressed or implied by such forward-looking statements. Given these uncertainties, you should not place undue reliance on these forward-looking statements. Also, these forward-looking statements represent our estimates and assumptions only as of the date of this report. Except as otherwise required by law, we expressly disclaim any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained in this report to reflect any change in our expectations or any change in events, conditions or circumstances on which any of our forward-looking statements are based.
