### **Explanatory Paragraph**

Edgar Filing: ICEWEB INC - Form 10-K/A

This Amendment No. 2 on Form 10-K/A (this Amendment No. 2 ) amends and supersedes Part II, Item 9A. Disclosure Controls and Procedures which appeared in the Annual Report on Form 10-K of IceWEB, Inc. (the Company ) for the year ended September 30, 2013, as filed with the Securities and Exchange Commission on January 14, 2014 (the Original Form 10-K ) , as previously amended by Amendment No. 1 on Form 10-K/A filed with the Securities and Exchange Commission on January 28, 2014 (with the Original Form 10-K, collectively, the Form 10-K ) in response to oral comments from the Securities and Exchange Commission. This Amendment No. 2 is being filed to further clarify, amend and restate Item 9A relating to our disclosure of the evaluation of our controls and procedures.

This amendment No. 2 also includes currently dated certifications pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 as Exhibits 31.1, 31.2, 32.1 and 32.2 as set forth in Part IV, Item 15 .

Except as described above, no other information in the Form 10-K has been updated and this Amendment No. 2 continues to speak as of the date of the Original Filing. This Amendment No. 2 is part of the Form 10-K and should be read in conjunction with the Form 10-K. Other events occurring after the filing of the Original Filing or other disclosures necessary to reflect subsequent events have been or will be addressed in other reports filed with or furnished to the SEC subsequent to the date of the Original Filing.

## ITEM 9A. CONTROLS AND PROCEDURES

### **Evaluation of Disclosure Controls and Procedures**

Under the supervision and with the participation of our management, including our principal executive officer and principal financial officer, we have conducted an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Securities and Exchange Act of 1934, as of the end of the period covered by this report. Based on this evaluation, our principal executive officer and principal financial officer concluded as of the evaluation date that our disclosure controls and procedures were not effective.

### **Management's Annual Report on Internal Control Over Financial Reporting**

Our management, including our Chief Executive Officer and Chief Financial Officer, is responsible for establishing and maintaining adequate internal control over financial reporting to provide reasonable assurance regarding the reliability of our financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of our assets, (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that our receipts and expenditures are being made only in accordance with authorizations of our management and directors, and (iii) provide reasonable assurance regarding prevention or timely detection of the unauthorized acquisition, use or disposition of our assets that could have a material effect on the financial statements.

As of September 30, 2013, management assessed the effectiveness of our company's internal control over financial reporting based on the criteria for effective internal control over financial reporting established in Internal Control--Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") and SEC guidance on conducting such assessments. Based on that evaluation, they concluded that, during the period covered by this report, such internal controls and procedures were not effective as of September 30, 2013. This was due to deficiencies that existed in the design or operation of our internal control over the calculation of share-based expenses that adversely affected our internal controls and that may be considered to be material weaknesses. The matters involving internal controls and procedures that our company's management considered to be material weaknesses under the standards of the Public Company Accounting Oversight Board were ineffective controls over the calculation of share-based expenses. The aforementioned material weaknesses were identified by our company's Chief Financial Officer in connection with the audit of our financial statements as of September 30, 2013 and communicated the matters to our management.

Management believes that the material weaknesses set forth above did not have an effect on our company's financial results.

We are committed to improving our financial organization. As part of this commitment, in January, 2014 Management implemented additional review procedures to included procedures in the review of the calculation of share based expenses.

As a result of the implementation of the above procedures, Management has concluded that the material weakness described above has been remediated as of January, 2014.

We will continue to monitor and evaluate the effectiveness of our internal controls and procedures and our internal controls over financial reporting on an ongoing basis and are committed to taking further action and implementing additional enhancements or improvements, as necessary and as funds allow. This annual report does not include an attestation report of our company's registered accounting firm regarding internal control over financial reporting.

### **Changes in Internal Controls Over Financial Reporting**

Except as noted above, there have been no changes in our internal control over financial reporting identified in connection with the evaluation required by paragraph (d) of Rules 13a-15 or 15d-15 under the Exchange Act that occurred during the Registrant's last fiscal quarter that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.
