EXPLANATORY NOTE

Rexford Industrial Realty, Inc. (the “Company”) is filing this Amendment No. 2 on Form 10-K/A (this “Amendment”) to amend its Annual Report on Form 10-K for the fiscal year ended December 31, 2014, originally filed with the Securities and Exchange Commission (the “SEC”) on March 9, 2015 (the “Original 10-K”). On March 24, 2015, we filed Amendment No. 1 to the Original 10-K (the “Prior Amendment”). The purpose of this Amendment is to clarify certain prior disclosures in response to comments issued by the SEC. This Amendment contains changes to Part II—Item 9A (Controls and Procedures) and Part IV—Item 15 (Exhibits, Financial Statement Schedules).

In accordance with Sections 302 and 906 of the Sarbanes-Oxley Act of 2002, currently dated certifications of the Company’s principal executive officers and principal financial officer are attached to this Form 10-K/A as Exhibits 31.1, 31.2, 31.3, 32.1, 32.2 and 32.3. Part IV—Item 15 has not been amended in any respect from the Original 10-K, except for the amended text of the aforementioned Exhibits.

This Amendment should be read in conjunction with the Original 10-K, the Prior Amendment and the Company’s other filings made with the SEC subsequent to the filing of the Original 10-K on March 9, 2015. The Original 10-K has not been amended or updated to reflect events occurring after March 9, 2015, except as specifically set forth in the Prior Amendment and this Amendment.

Item 9A. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures (as defined in Rule 13a-15(e) or Rule 15d-15(e) under the Exchange Act) that are designed to ensure that information required to be disclosed in our reports under the Exchange Act is processed, recorded, summarized, and reported within the time periods specified in the SEC's rules and forms and that such information is accumulated and communicated to management, including the Co-Chief Executive Officers and Chief Financial Officer, as appropriate, to allow for timely decisions regarding required disclosure.

In designing and evaluating the disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives, and management is required to apply its judgment in evaluating the cost-benefit relationship of possible controls and procedures.

As required by SEC Rule 13a-15(b), we carried out an evaluation, under the supervision and with the participation of management, including the Co-Chief Executive Officers and Chief Financial Officer, of the effectiveness of the design and operation of the disclosure controls and procedures as of December 31, 2014, the end of the period covered by this report.

As noted below, management used the criteria set forth in the Internal Control–Integrated Framework (1992) issued by the Committee of Sponsoring Organizations of the Treadway Commission to assess our internal control over financial reporting and concluded that the Company's internal control over financial reporting was effective as of December 31, 2014. Due to a clerical error, however, the disclosure required by Item 308(a) of Regulation S-K and certain clauses in the certifications required by Section 302 of the Sarbanes-Oxley Act of 2002 were inadvertently omitted. As a result of this clerical error, our Co-Chief Executive Officers and Chief Financial Officer conclude that our disclosure controls and procedures were not effective at the reasonable assurance level as of December 31, 2014.

The Company has implemented additional form requirement checks, effective immediately, to ensure the effectiveness of our disclosure controls and procedures in future periods.

Management's Report on Internal Control Over Financial Reporting

Internal control over financial reporting is a process designed by, or under the supervision of, our Co-Chief Executive Officers and Chief Financial Officer and effected by our board of directors, management, and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. Internal control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of our assets; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that our receipts and expenditures are being made only in accordance with authorizations of management and directors; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of assets that could have a material effect on the consolidated financial statements.

Management is responsible for establishing and maintaining adequate internal control over financial reporting. The Company has used the criteria set forth in the Internal Control–Integrated Framework (1992) issued by the Committee of Sponsoring Organizations of the Treadway Commission to assess our internal control over financial reporting. Based upon this assessment, management concluded that internal control over financial reporting operated effectively as of December 31, 2014.

This annual report does not include an attestation report of the Company’s registered public accounting firm regarding internal control over financial reporting. Management’s report was not subject to attestation by the Company’s registered public accounting firm pursuant to rules of the SEC that permit the Company to provide only management’s report in this annual report.

Changes in Internal Control Over Financial Reporting

There have been no significant changes that occurred during the fourth quarter of the most recent year covered by this report in the Company’s internal control over financial reporting identified in connection with the evaluation referenced above that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.
