**ITEM 2.05. COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.**

On January 10, 2005, Constellation Brands, Inc. (the "Company") committed to the principal features of a plan to restructure and integrate the operations of The Robert Mondavi Corporation ("Robert Mondavi") which the Company acquired on December 22, 2004 (the "Plan"). The Plan is under development and is expected to be finalized during the Company's fiscal year ending February 28, 2006 ("Fiscal 2006"). The objective of the Plan is to achieve operational efficiencies and eliminate redundant costs resulting from the transaction. The Plan includes the elimination of approximately 300 employees, the consolidation of certain field sales and administrative offices, and the termination of various contracts. The Company does not currently anticipate closing any production facilities in connection with the Plan. The actions under the Plan commenced on January 10, 2005, and the Company currently expects to complete the Plan by the end of the fourth quarter of Fiscal 2006.

As further detailed in the table below, a portion of the costs associated with the Plan will be recorded as liabilities in the Company's allocation of purchase price in connection with the Company's acquisition of Robert Mondavi. The remaining portion of the costs associated with the Plan will be charged to the Company's results of operations during the fourth quarter of the Company's fiscal year ending February 28, 2005, and Fiscal 2006. In connection with the Plan, the Company expects to incur aggregate cash expenditures of approximately \$52 million. No noncash charges are contemplated in connection with the Plan. The following table sets forth the Company's current expectations related to the Plan:

The Company currently intends to continue with these dispositions. The Company does not currently expect to record a material charge to the Company's results of operations as a result of these dispositions.
