By Order of the Board of Directors,

PROXY STATEMENT

TO THE SHAREHOLDERS OF TRI-VALLEY CORPORATION:

GENERAL INFORMATION ABOUT THE SHAREHOLDERS' MEETING

The only items of business which management intends to present at the meeting are listed in the Notice of Annual Meeting of Shareholders. This Proxy Statement provides details about the meeting.

The enclosed proxy material relating to Tri-Valley Corporation from our board of directors is sent to you as the direct or beneficial owner of our common stock, with our sincere request that you give those materials your prompt and thorough consideration. Your vote at the annual meeting is important to us.

The Board of Directors of Tri-Valley Corporation hereby solicits your proxy (on the enclosed proxy form) for use at our Annual Meeting of Shareholders to be held October 20, 2003, at 10:00 A.M. (local time) in the Fairmont San Francisco, atop Nob Hill, San Francisco, California 94108.

By returning your signed proxy, you authorize management to vote your shares as you indicate on these items of business and to vote your shares in accordance with management's best judgment in response to proposals initiated by others at the meeting.

Our administrative office is located at 5555 Business Park South, Bakersfield, California 93309. The approximate date on which this Proxy Statement and proxy will first be sent to the shareholders is August 27, 2003. The costs of this proxy notification will be paid by the company and are estimated to be approximately \$7,000. A professional proxy solicitor has not been engaged.

IF YOU ARE UNABLE TO ATTEND THIS MEETING, WE REQUEST THAT YOU RETURN THE ENCLOSED PROXY FORM, PROPERLY EXECUTED, IN ORDER THAT YOUR SHARES WILL BE REPRESENTED AND VOTED AT THE MEETING.

CHANGING OR REVOKING YOUR PROXY VOTE

You may revoke your signed proxy at any time before it is exercised at the annual meeting. You may do this by advising our secretary in writing of your desire to revoke your proxy, or by submitting a duly executed proxy bearing a later date. We will honor the proxy card with the latest date. You may also revoke your proxy by attending the annual meeting and indicating that you wish to vote in person.

WHO MAY VOTE

As of July 31, 2003, 19,819,348 shares of our common stock were outstanding. Each share is entitled to one vote per director in the election of directors and one vote in all other matters to be voted upon at the meeting. SHAREHOLDERS OF RECORD AS OF THE CLOSE OF BUSINESS AT 5:00 P.M. ON FRIDAY, AUGUST 22, 2003, ARE THE ONLY PERSONS ENTITLED TO VOTE AT THIS MEETING.

Edgar Filing: TRI VALLEY CORP - Form DEF 14A

VOTING IN PERSON

Although we encourage you to complete and return your proxy to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person.

HOW YOUR VOTES ARE COUNTED

We will hold the annual meeting if holders of not less than one-half the outstanding shares are present either in person or by proxy. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the matters listed on the proxy card.

The vote of a majority of the shares present at the meeting, in person or by proxy, is necessary to elect directors and to ratify the selection of the Company's auditors.

If you mark "Abstain" with respect to any proposal on your proxy, your shares will be counted in the number of votes cast. HOWEVER, A VOTE TO "ABSTAIN" HAS THE SAME EFFECT AS VOTING NO. MANAGEMENT REQUESTS THAT YOU VOTE EITHER "FOR" OR "AGAINST" ON EACH PROPOSAL TO COME BEFORE THE MEETING. If a broker or other nominee holding shares for a beneficial owner does not vote on a proposal, the shares will not be counted in the number of votes cast.

A 'broker non-vote' occurs when your broker submits a proxy for your shares but does not indicate a vote for a particular proposal because the broker does not have authority to vote on that proposal and has not received voting instructions from you. 'Broker non-votes' are not counted as votes against the proposal in question or as abstentions, nor are they counted to determine the number of votes present for the particular proposal.

ITEMS OF BUSINESS

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors consists of six (6) members. Each director serves for a term of one (1) year. All six (6) director positions are up for election at the meeting.

VOTING

The six nominees receiving the highest number of votes will be elected. Proxies solicited by the board of directors will be voted in favor of each nominee unless shareholders specify otherwise in their proxies. Should any of the nominees become unavailable at the time of the meeting to accept nomination or election as a director, the proxy holders named in the enclosed proxy will vote for substitute nominees at their discretion. Votes withheld for a nominee will not be counted.

CUMULATIVE VOTING

Although we are incorporated in Delaware, we currently maintain our business offices and principal oil and gas operations in California. Accordingly, shareholders are entitled, under California corporation law, to cumulative voting rights in the election of directors. This means that a shareholder may multiply the shares held by the total number of directors to be elected (six)

Edgar Filing: TRI VALLEY CORP - Form DEF 14A

and vote all of such shares for any one director. Prior to the meeting and vote on directors, any shareholder wishing to exercise cumulative voting rights must give the company written notice of exercise of cumulative voting rights. Discretionary authority to cumulate votes in the exercise of proxies is hereby solicited by management.

Compensation Committee

Our compensation committee is comprised of C. Chase Hoffman (Chair) and Harold J. Noyes, both of whom are independent directors. The committee held two meetings in 2002. Both members attended both meetings.

Audit Committee - The Corporation has had independent director review of its financial reports since 1981.

Purpose: The audit committee provides an open avenue of communication

between our independent auditor, the company officers and the board of

directors. The committee operates under a charter that sets forth the

committee's tasks. The chief duties of the committee are:

- Assure the independence and objectivity of the auditing firm.
- Review and coordinate the auditing responsibilities with the auditor and chief financial officer.

Edgar Filing: TRI VALLEY CORP - Form DEF 14A

- Review the adequacy of internal accounting controls.
- Inquire about significant risks and about management's actions to minimize risks.
- Review significant audit findings and any difficulties encountered in conducting the audit.

Members: Loren J. Miller, CPA (Chair)

Dennis P. Lockhart
Milton J. Carlson

The committee charter requires the audit committee to be comprised of at least three members, who must be independent members of our board of directors. The qualifications of members and standards for determining who is an "independent" director conform to the standards set forth in the Nasdaq Stock Market's rules for companies quoted on Nasdaq. All audit committee members must be able to read and understand fundamental financial statements or to become able to do so shortly after joining the committee. At least one member must have previous employment in accounting or finance, certification in accounting or comparable experience. Our current audit committee members meet these requirements. Mr. Miller is a certified public accountant.

Number of Meetings Held in 2002: Four

Our board of directors appointed and organized the committee at the board meeting immediately following the 2000 shareholders' meeting in September 2000. Attendance:

All Audit Committee members participated in all committee meetings held in 2002.

The audit committee has received from the independent accountants a formal written statement regarding the auditors' independence and has discussed with the independent accountant matters relating to their independence. The audit committee members have satisfied themselves as to the auditors' independence. The audit committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, which includes, among other items, matters related to the audit of our financial statements.

The audit committee has recommended to the board of directors that the audited financial statements be included in the company's Annual Report on Form 10-K for

2002 for filing with the Securities and Exchange Commission.

Compensation Committee Report

Mr. Blystone's compensation is paid pursuant to the provisions of his employment contract, which had a primary period ending in December 2002 and which is extendable for three consecutive annual periods through December 2005. The base salary amount is \$99,000 per year plus 5,000 shares of our common stock at the end of each year of service. Mr. Blystone is also entitled to a bonus (not to exceed \$25,000) equal to 10% of net operating cash flow before taxes, including interest income and excluding debt service. Mr. Blystone is also entitled to a bonus of 4% of the company's annual net after-tax income. The total of the bonuses from cash flow and net income may not exceed \$50,000 per year.

Because of the relatively small size of the staff of Tri-Valley, which permits the board and compensation committee to evaluate the performance of Mr. Blystone and the remaining officers in detail, the compensation committee has not adopted quantitative performance measures to review performance, award bonuses and adjust compensation, other than those contained in Mr. Blystone's employment contract and noted in the preceding paragraph. Based on the performance of Tri-Valley in 2002, the board awarded Mr. Blystone the maximum \$50,000 bonus that is permitted under his contract. In making this award, the board and compensation committee considered not only Mr. Blystone's performance during 2002 but also his continued dedication to the company over the past several years.

The employment agreement also provides a severance payment to Mr. Blystone if he is terminated within 12 months after a sale of control of Tri-Valley. The severance payment equals \$150,000. In addition, Mr. Blystone is entitled to a bonus equal to 10% of net operating cash flow before taxes, including interest income and excluding debt service, plus 4% of the company's annual net after-tax income, up to a maximum of \$50,000 (with the maximum amount pro-rated over the period for which the payment is made). For purposes of the severance provision, a sale of control is deemed to be the sale of ownership of 30% of our outstanding stock or the acquisition by one person of enough stock to appoint a majority of the board of directors of the company.
