Item 1.01 Entry into a Material Definitive Agreement

On July 13, 2007, we entered into an Agreement and Plan of Merger (the "Merger Agreement") with Transportation Resources, Inc. ("TRI"), a Missouri corporation, Seattle Acquisition Corporation, a newly formed Missouri corporation and wholly owned subsidiary of ours ("Merger Sub"), the Shareholders' Agent (as defined in the Merger Agreement) and certain shareholders (the "Selling Shareholders") of TRI, pursuant to which we will acquire TRI for an aggregate purchase price of \$750 million, subject to adjustment. TRI is the privately-held holding company for (among other entities) Contract Freighters, Inc., a truckload carrier headquartered in Joplin, Missouri.

The Merger Agreement provides for the merger of Merger Sub with and into TRI (the "Merger"), with TRI continuing as the surviving corporation and our wholly-owned subsidiary. In the Merger, all shares of TRI common stock will be converted into the right to receive a proportionate share of the consideration in cash (without interest).

The Merger Agreement contains customary representations, warranties and covenants, and consummation of the Merger is subject to customary conditions, including (1) the affirmative vote of holders of two-thirds of TRI's outstanding shares of common stock, (2) expiration or termination of the applicable Hart-Scott-Rodino waiting period, (3) subject to certain exceptions, the accuracy of the representations and warranties made by the parties, (4) completion of satisfactory due diligence by us and (5) the absence of any material adverse effect on TRI. A portion of the aggregate consideration will be placed in escrow to satisfy certain indemnification obligations of TRI and its shareholders. Separately, we have entered into an agreement with holders of approximately 92% of TRI's outstanding shares of common stock, pursuant to which they have committed to vote their shares in favor of the Merger.

The Merger Agreement has been approved by TRI's Board of Directors. Further, TRI's Board of Directors has determined that the transactions contemplated by the Merger Agreement, including the Merger, are in the best interest of TRI and its shareholders. Neither the Merger nor any of the transactions contemplated by the Merger Agreement require approval by our shareholders.

We expect the transaction to close in the third calendar quarter of 2007.

All statements other than statements of historical fact are forward-looking statements, including any projections and objectives of management for future operations, any statements concerning proposed new products or services, any statements regarding Con-way's estimated future contributions to pension plans, any statements as to the adequacy of reserves, any statements regarding the outcome of any claims that may be brought against Con-way, any statements regarding future economic conditions or performance, any statements of estimates or belief, any statements regarding the proposed acquisition of Transportation Resources, Inc. and proposed related financing, and any statements or assumptions underlying the foregoing. and their ability to pay for services rendered, increasing competition and pricing pressure, changes in fuel prices or fuel surcharges, the effects of the cessation of the air carrier operations of Emery Worldwide Airlines, the possibility that Con-way may, from time to time, be required to record impairment charges for long-lived assets, the proposed acquisition of Transportation Resources, Inc and proposed related financing (including without limitation the possibility that such acquisition may not be consummated due to failure of regulatory approval or other closing conditions to be satisfied, risks relating to the financing, integration risks and risks that acquisition synergies are not realized), the possibility of defaults under Con-way's \$400 million credit agreement and other debt instruments (including without limitation defaults resulting from unusual charges), and the possibility that Con-way may be required to repay certain indebtedness in the event that the ratings assigned to its long-term senior debt by credit rating agencies are reduced, labor matters, enforcement of and changes in governmental regulations, environmental and tax matters, matters relating to the 1996 spin-off of Consolidated Freightways Corporation ("CFC"), including the possibility that CFC's multi-employer pension plans may assert claims against Con-way, matters relating to the sale of Menlo Worldwide Forwarding, Inc., including Con-way's obligation to indemnify the buyer for certain losses in connection with the sale, and matters relating to Con-way's defined benefit pension plans. The factors included herein and in Item 7 of Con-way's 2006 Annual Report on Form 10-K as well as other filings with the Securities and Exchange Commission could cause actual results and other matters to differ materially from those in such forward-looking statements. As a result, no assurance can be given as to future financial condition, cash flows, or results of operations.
