Memphis TradeCenter III is a warehouse containing approximately 709,000 square feet located in Memphis, Tennessee. At December 31, 2003, Memphis TradeCenter III was 100% occupied by two tenants.

Memphis TradeCenter III was acquired by Dividend Capital Trust Inc. (the Company) from an unrelated party on June 22, 2004 for a total cost, including acquisition costs of \$242,000, of approximately \$24.5 million, which was paid with proceeds from the Company's public offering.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The results of operations can be significantly impacted by the rental market of the Memphis, Tennessee region.

Interim Information (unaudited)

In the opinion of management, the unaudited information as of March 31, 2004 included herein contains all the adjustments necessary, which are of a normal recurring nature, to present fairly the revenues and certain expenses for the three months ended March 31, 2004. Results of interim periods are not necessarily indicative of results to be expected for the year. Management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results.

Note 2 - Operating Leases

Edgar Filing: DIVIDEND CAPITAL TRUST INC - Form 8-K/A

Memphis TradeCenter III's revenues are obtained from tenant rental payments as provided for under non-cancelable operating leases.
