#### Explanatory Note

This Amendment No. 1 on Form SD/A to the Specialized Disclosure Report on Form SD of CSP Inc. for the reporting period from January 1, 2013 to December 31, 2013, which was filed with the Securities and Exchange Commission on May 29, 2014 (the "Original SD Report"), is being filed solely for the purpose of (1) amending and restating the chart of smelters and refineries included in Section 4 of the Conflict Minerals Report filed as an exhibit to the Original SD Report, and (2) identifying the Conflict Minerals Report as Exhibit 1.02 to the Original SD Report. The chart of smelters and refineries has been amended because the Original SD Report included a smelters and refineries list from one of our vendors that was applicable to a broader customer base as opposed to one which only purchases printed circuit boards (a "PCB Customer Only"). According to this vendor, because we are a PCB Customer Only, the list of smelters and refineries is significantly shorter than the list that is applicable to their broader customer base. Accordingly this vendor submitted a revised response which included a significantly shorter list, and this Amendment No. 1 on form SD/A now includes that shorter list, and thus properly omits several smelters and refineries that were included in the Original SD Report.

Except as described above, this Form SD/A does not modify or update disclosure in, or exhibits to, the Original SD Report.
