Re: American Electric Power Company, Inc.
File No. 70-10021

Gentlemen:

In connection with the transactions proposed and described in the Application or Declaration on Form U-1 filed with this Commission in the captioned proceeding, to which this opinion is an exhibit, I have examined, among other things, the Application or Declaration on Form U-1, as amended.

Based upon such investigation as I have deemed necessary, it is my opinion that:

- (a) all state laws applicable to the proposed transactions have been complied with;
- (b) the notes issued by American Electric Power Company, Inc. ("AEP") are valid and binding obligations of AEP in accordance with their terms; subject, however, to the qualification that the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights in general and by general principles of equity; and
- (c) the consummation of the proposed transactions have not violated the legal rights of the holders of any securities issued by AEP or any associate company thereof.

I hereby consent to the filing of this opinion as an exhibit to the above-mentioned Application or Declaration.

Very truly yours,

/s/ William E. Johnson
