PROPOSAL 1

ELECTION OF DIRECTORS

General

Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

. The Board of Directors has nominated Raymond B. Ackerman, Bernard G. Ille, Donald W. Munson and Tony M. Shelby to serve a three-year term expiring in 2008. The Board of Directors has nominated John A. Shelley to serve in the class of directors whose term expires in 2006. Each of the nominees except Mr. Shelley is presently serving as a director of the Company.

If any of the nominees become unable or unwilling to serve for good cause (an event which the Board of Directors does not anticipate), the person or persons named in the Proxy Card as the proxies will vote for the election of the person or persons recommended by a majority of the independent directors then serving on the Board of Directors. The proxies cannot be voted for a greater number of persons than the number of nominees.

The Certificate of Incorporation and By-laws of the Company provide for the division of the Board of Directors into three classes, each class consisting as nearly as possible of one-third of the whole. The term of office of one class of directors expires each year, with each class of directors elected for a term of three years and until their successors are duly elected and qualified. Messrs. Ackerman, Ille, Munson and Shelby are in the class whose term is expiring as of the Annual Meeting.

The Company's By-laws provide that the Board of Directors, by resolution from time to time, may fix the number of directors that shall constitute the whole Board of Directors. The By-laws presently provide that the number of directors may consist of not less than three nor more than thirteen. In 2005, the Board of Directors amended the By-Laws to increase the maximum number of directors from twelve to thirteen members. The Board of Directors currently consists of twelve members.

The terms of the Company's \$3.25 Convertible Exchangeable Class C Preferred Stock, Series 2 ("Series 2 Preferred") provide that whenever dividends on the Series 2 Preferred are in arrears and unpaid in an amount equal to at least six quarterly dividends: (a) the number of members of the Board of Directors of the Company shall be increased by two effective as of the time of election of such directors; (b) the Company shall, upon the written request of the record holders of at least 10% of the shares of Series 2 Preferred, call a special meeting of the Series 2 Preferred holders for the purpose of electing such two additional directors; (c) the Series 2 Preferred holders have the exclusive right to vote for and elect such two additional directors; and (d) the term of office of such directors will terminate immediately upon the termination of the right of the Series 2 Preferred holders to vote for such two additional directors, subject to the requirements of Delaware law.

In 2002, the holders of the Series 2 Preferred elected Grant J. Donovan and Dr. N. Allen Ford to serve as directors pursuant to the terms of the Series 2 Preferred. The Series 2 Preferred holders have the right to remove without cause at any time and replace either of the two directors that the Series 2 Preferred holders have elected.

Approval of each nominee for election to the Board of Directors will require the affirmative vote of a plurality of the votes cast by the holders of the voting securities of the Company, voting together as one class.

Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

Exchange (the "AMEX"). In connection with the Board's determination as to whether John A. Shelley is independent, the Board reviewed, in addition to any transactions between the Company and Mr. Shelley discussed under "Certain Relationships and Related Transactions", that the Bank of Union, of which Mr. Shelley is President and Chief Executive Officer, has substantial outstanding loans to Jack E. Golsen, members of his immediate family, and/or entities in which Mr. Golsen and his immediate family own or control (the "Golsen Group") and has been pledged by the Golsen Group approximately 1.4 million shares of LSB common stock, among other things, to secure these loans.

Certain Committees and Meetings of the Board of Directors. The Board of Directors of the Company held six meetings in 2004. During 2004, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which he served, except for Mr. Goss and Dr. Ford who attended 66% and 50%, respectively, of such meetings.

The Company has an Executive Salary Review Committee and an Audit Committee. The Company does not have a nominating committee. The Company's Executive Salary Review Committee sets the compensation of all officers of the Company. The members of the Executive Salary Review Committee are the following non-employee directors: Mr. Ille and Mr. Rhodes. During 2004, the Executive Salary Review Committee had one meeting.

The Company's Audit Committee assists the Board of Directors in monitoring the integrity of the financial statement of the Company, the independent registered public accounting firm's qualifications and independence, the performance of the Company's internal audit function and independent registered public accounting firm, and the Company's compliance with legal and regulatory requirements. During 2004, the Audit Committee had five meetings. The Audit Committee operates under a written charter.

Nominations of Directors

. The Board of Directors does not have a standing nominating committee. The Board believes that the Company is best served by having all of its independent directors serve in the capacity of a nominating committee. Accordingly, each director nominee must be selected or recommended for the Board's nomination by a majority of the independent directors of the Board. Upon recommendation by a majority of the independent directors, all of the Company's directors participate in the consideration of director nominees. In considering candidates for directorship, the independent directors consider the entirety of each candidate's credentials, but do not have any specific minimum qualifications that must be met by a candidate in order to be recommended as a nominee.

In March 2002, the holders of the Company's Series 2 Preferred elected Dr. Allen Ford and Mr. Grant Donovan to serve as members of the Company's Board of Directors pursuant to the terms of the Series 2 Preferred.

The By-laws of the Company provide that only persons nominated by or at the direction of: (a) the Board of Directors of the Company, or (b) any stockholder of the Company entitled to vote for the election of the directors that complies with certain notice procedures, shall be eligible for election as a director of the Company. In accordance with our By-laws, the Board of Directors will consider director nominations submitted by a stockholder if the stockholder gives written notice of the proposed nomination to the Secretary of the Company at the Company's principal executive office not less than 50 days prior to the date of the meeting of stockholders to elect directors; except, if less than 60 days' notice or prior disclosure of the date of such meeting is given to the stockholders, then written notice by the stockholder must be received by the Secretary of the Company not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. In addition, if the stockholder proposes to nominate any person, the stockholder's written notice to the Company must provide all information relating to such person is required to be disclosed in solicitation of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended.

Communication with the Board of Directors and Directors Attendance at Annual Meetings

. The Company's Board of Directors believes that it is important for the Company to have a process whereby its stockholders may send communications to the Board. Accordingly, stockholders who wish to communicate with the Board of Directors or a particular director may do so by sending a letter to David Shear, Senior Vice President, General Counsel and Secretary at 16 S. Pennsylvania Avenue, Oklahoma City, 73101. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all members of the Board of Directors or only certain specified individual directors. Mr. Shear will make copies of all such letters and circulate them to the appropriate director or directors. Although the Company does not currently have a policy with respect to the attendance of its directors at the Annual Meeting, the Company encourages each of its directors to attend whenever possible. A majority of the directors attended the Company's 2004 Annual Meeting of Stockholders.

Code of Ethics

. The Chief Executive Officer, the Chief Financial Officer, the principal accounting officer, and the controller of the Company and each of the Company's subsidiaries, or persons performing similar functions, are subject to the Company's Code of Ethics. The Company and all of its subsidiary companies have adopted a Statement of Policy Concerning Business Conduct applicable to their employees. This policy was amended in May 2005. The Company's Amended Statement of Policy Concerning Business Conduct and the Code of Ethics is available on the Company's website at <http://www.lsb-okc.com>. The Company will post any amendments to these documents, as well as any waivers that are required to be disclosed pursuant to the rules of either the Securities and Exchange Commission or the AMEX, on the Company's website.

. In 2004, the Company compensated eight non-employee directors \$10,000 each for their services as directors on the Company's Board. Certain non-employee directors also served on the Board of Directors of the Company's subsidiary, ThermaClima, Inc., without additional compensation. The non-employee directors of the Company also received \$500 for every meeting of the Board of Directors attended during 2004.

Mr. Ackerman received an additional \$20,000 for his services on the Audit and Public Relations and Marketing Committees in 2004. Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

Company's Common Stock under the 1993 Non-Employee Director Stock Option Plan ("1993 Plan") and the Outside Directors Stock Purchase Plan. The Company did not grant options under these plans during 2004. The 1993 Plan expired in 2004 and no additional options may be granted under that plan.

Audit Committee Report.

Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control; the Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Committee has discussed with the independent registered public accounting firm the auditors' independence from management and the Company, and has received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of nonaudit services with the auditors' independence.

The Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Committee meets with the internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting. The Committee held five meetings during 2004.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission. The Committee appointed Ernst & Young LLP as the Company's independent registered public accounting firm for 2005.

Notwithstanding anything to the contrary set forth in the Company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate by reference previous or future filings, including this Proxy Statement, in whole or in part, the foregoing report of the Audit Committee and any statements regarding the independence of the Audit Committee members shall not be incorporated by reference into any such filings.

Fees Paid to Independent Registered Public Accounting Firm

Audit Fees

The aggregate fees billed by Ernst & Young LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal years ended December 31, 2004 and 2003, for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for those fiscal years, and for review of documents filed with the Securities and Exchange Commission for those fiscal years were approximately \$602,500

and \$737,250, respectively.

Audit-Related Fees

Ernst & Young LLP billed the Company \$99,100 and \$63,600 during 2004 and 2003, respectively, for audit-related services, which included benefit plan audit and accounting consultations.

Tax Fees

Ernst & Young LLP billed \$106,573 and \$94,000 during 2004 and 2003, respectively, for tax services to the Company, which included tax return review and preparation and tax consultations and planning.

All Other Fees

The Company did not engage its accountants to provide any other services for the fiscal years ended December 31, 2004 and 2003.

Engagement of the Independent Registered Public Accounting Firm

The Audit Committee is responsible for approving all engagements with Ernst & Young LLP to perform audit or non-audit services for us prior to us engaging Ernst & Young LLP to provide those services. All of the services under the headings Audit Related, Tax Services, and All Other Fees were approved by the Audit Committee in accordance with paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X of the Exchange Act. The Audit Committee of the Company's Board of Directors has considered whether Ernst & Young LLP's provision of the services described above for the fiscal years ended December 31, 2004 and 2003 is compatible with maintaining its independence.

Audit Committee Financial Expert. While the Board of Directors endorses the effectiveness of the Company's Audit Committee, its membership does not presently include a director that qualifies for designation as an "Audit Committee Financial Expert." However, each of the current members of the Audit Committee is able to read and understand fundamental financial statements and at least one of its members is "financially sophisticated" as defined by applicable AMEX rules. The Board of Directors believes that the background of each member of the Audit Committee is sufficient to fulfill the duties of the Audit Committee. For these reasons, although members of our Audit Committee are not professionally engaged in the practice of accounting or auditing, the Company's Board of Directors has concluded that the ability of the Company's Audit Committee to perform its duties would not be impaired by the absence of an "Audit Committee Financial Expert."

Audit Committee's Pre-Approval Policies and Procedures. All audit and non-audit services that may be provided by our principal accountant, Ernst & Young LLP to the Company require pre-approval by the Audit Committee. Certain Relationships and Related Transactions

Northwest

. Northwest Internal Medicine Associates ("Northwest"), a division of Plaza Medical Group, P.C., has an agreement with the Company to perform medical examinations of the management and supervisory personnel of the Company and its subsidiaries. Under such agreement, Northwest is paid \$2,000 a month to perform all such examinations. Dr. Robert C. Brown (a director of the Company) is Vice President and Treasurer of Plaza Medical Group, P.C.

LSB Chemical

. In 1983, LSB Chemical Corp. ("LSB Chemical"), a subsidiary of the Company, acquired all of the outstanding stock of El Dorado Chemical Company ("EDC") from its then four stockholders ("Ex-Stockholders"). Jack E. Golsen guaranteed LSB Chemical's payment obligation under the promissory notes issued as part of such purchase. A substantial portion of the purchase price consisted of an earnout based primarily on the annual after-tax earnings of EDC for a ten-year period. During 1989, two of the Ex-Stockholders received LSB Chemical promissory notes for a portion of their earnout, in lieu of cash, totaling approximately \$896,000, payable \$496,000 in January 1990, and \$400,000 in May 1994. LSB Chemical agreed to a buyout of the balance of the earnout from the four Ex-Stockholders for an aggregate purchase amount of \$1,231,000. LSB Chemical purchased for cash the earnout from two of the Ex-Stockholders and issued multi-year promissory notes totaling \$676,000 to the other two Ex-Stockholders. The remaining balance of these notes of \$400,000 was

paid during 2004.

Prime

. At October 15, 2001 Prime Financial Corporation ("Prime"), a subsidiary of the Company, had a note with an outstanding principal balance of \$1,350,000 (the "Prime Note") owed to SBL Corporation ("SBL"), a corporation wholly owned by the spouse and children of Jack E. Golsen, Chairman of the Board and President of the Company. The Prime Note was issued in connection with a loan from SBL to Prime of funds borrowed by SBL from SBL's lender. In order to obtain the loan from SBL, Prime was required to (a) issue to SBL's lender a limited guaranty of the lender's loan to SBL, and (b) pledge to SBL's lender 1,973,461 shares of the Company's common stock owned by Prime as security for the limited guaranty.

On October 18, 2001 the Company, Prime, and SBL entered into an agreement (the "Agreement") whereby the Company issued to SBL 1,000,000 shares of a newly created series of Series D Convertible Preferred Stock in the Company ("Series D Preferred Stock"). In consideration of the issuance of the Series D Preferred stock, SBL (a) reduced the principal amount of the Prime Note by \$1,000,000, (b) caused Prime's limited guaranty to be reduced to an amount not to exceed \$350,000, and (c) caused the shares of LSB common stock pledged by Prime to SBL's lender to be reduced by 1,000,000 shares. In February 2003, SBL's lender terminated Prime's limited guaranty and released all shares of LSB common stock pledged by Prime to secure the limited guaranty. The remaining balance of \$50,000 under the Prime Note was paid during 2004.

Each share of Series D Preferred Stock issued to SBL has, among other things, .875 votes and the right to vote as a class with the Company's common stock, a liquidation preference of \$1.00 per share, cumulative dividends at the rate of 6% per annum, and is convertible into LSB common stock on the basis of four shares of Preferred Stock into one share of common stock. Dividends on the Series D Preferred Stock issued to SBL will be paid only after accrued and unpaid dividends are paid on the Company's Series 2 Preferred. As of the Record Date, there were \$180,000 in accrued but unpaid dividends due on the Series D Preferred Stock.

In August 1996, Prime made a loan to John A. Shelley in the principal sum of \$50,000, bearing an annual rate of interest of 9%, payable on demand. The loan is evidenced by a demand promissory note and was made as part of his severance package as President when the Company sold Equity Bank. The note was fully reserved by the Company. The Company has never demanded repayment of the principal or any accrued interest under the note. It is the Company's intention to write off the note in 2005 prior to the Annual Meeting.

As consideration for the acquisition of such shares, Mr. Golsen transferred to the Company 17,458 shares of the Company's common stock owned by him, having a value per share of \$6.97 on June 29, 2004, the date of such exercise, for an aggregate fair market value of \$121,688.

(4) Mr. Barry H. Golsen exercised his right to purchase shares of the Company's common stock under the Company's stock option plans by acquiring 100,000 shares at an aggregate purchase price of \$137,500. consideration for the acquisition of such shares, Mr. Shear transferred to the Company 2,600 shares of the Company's common stock owned by him, having a value per share of \$6.95 on January 30, 2004, the date of such exercise, for an aggregate fair market value of \$18,070.

At December 31, 2005, we currently estimate that there will be approximately 45,000 shares that will not be fully vested under the Company's currently outstanding qualified and non-qualified stock options. The Company currently intends to accelerate the vesting of such options so that, as of December 31, 2005, all outstanding stock options will be fully vested and no cumulative effect of accounting change adjustment will be required on our financial statements when FASB Statement No. 123 (revised 2004) becomes effective for us on January 1, 2006.

Other Plans

. The Board of Directors has adopted an LSB Industries, Inc., Employee Savings Plan (the "401(k) Plan") for the employees (including executive officers) of the Company and its subsidiaries, excluding employees covered under union agreements and certain other employees. The 401(k) Plan is funded by employee contributions, and the Company and its subsidiaries make no contributions to the 401(k) Plan (with limited matching exceptions at three subsidiary locations). The amount that an employee may contribute to the 401(k) Plan equals a certain percentage of the employee's compensation, with the percentage based on the employee's income and certain other criteria as required under Section 401(k) of the Internal Revenue Code. The Company or subsidiary deducts the amounts contributed to the 401(k) Plan from the employee's compensation each pay period, in accordance with the employee's instructions, and pays the amount into the 401(k) Plan for the employee's benefit. The salary and bonus set forth in the Summary Compensation Table above includes any amounts contributed during the 2004, 2003, and 2002 fiscal years pursuant to the 401(k) Plan by the named executive officers of the Company.

The Company has a death benefit plan (the "Plan") for certain key employees. Under the Plan, the designated beneficiary of an employee covered by the Plan will receive a monthly benefit for a period of ten years if the employee dies while in the employment of the Company or a wholly-owned subsidiary of the Company. The Plan provides, in addition to being subject to other terms and conditions set forth in the Plan, that the Company may terminate the Plan as to any employee at anytime prior to the employee's death. The Company has purchased life insurance on the life of each employee covered under the Plan to provide, in large part, a source of funds for the Company's obligations under the Plan. The Company also will fund a portion of the benefits by investing the proceeds of such insurance policy received by the Company upon the employee's death. The Company is the owner and sole beneficiary of each of the insurance policies and the proceeds are payable to the Company upon the death of the employee. The following table sets forth the amounts of annual benefits payable to the designated beneficiary or beneficiaries of the executive officers named in the Summary Compensation Table under the current Plan.

Name of Individual	Amount of Annual Payment
Jack E. Golsen	\$ 175,000
Barry H. Golsen	\$ 30,000
David R. Goss	\$ 35,000
Tony M. Shelby	\$ 35,000
David M. Shear	\$ N/A

During 1991 the Company entered into a non-qualified arrangement with certain key employees of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company or a subsidiary of the Company at age 65 (the "Retirement Plan"). Under the Retirement Plan, the employee is eligible to receive for the life of such employee, upon reaching age 65, a designated benefit as set forth in the Retirement Plan. If prior to attaining the age 65, the employee dies while in the employment of the Company or a subsidiary of the Company, the designated beneficiary of the employee will receive a monthly benefit for a period of ten years. The Retirement Plan provides, in addition to being subject to other terms and conditions set forth in the Retirement Plan, that the Company may terminate the Retirement Plan as to any employee at any time prior to the employee's death.

The Company has purchased insurance on the life of each employee covered under the Retirement Plan where the Company is the owner and sole beneficiary of the insurance policy, and the proceeds are payable to the Company to provide a source of funds for the Company's obligations under the Retirement Plan. The Company may also fund a portion of the benefits by investing the proceeds of such insurance policies. Under the terms of the Retirement Plan, if the employee becomes disabled while in the employment of the Company or a wholly-owned subsidiary of the Company, the employee may request the Company to cash-in any life insurance on the life of such employee purchased to fund the Company's obligations under the Retirement Plan. Jack E. Golsen does not participate in the Retirement Plan. The following table sets forth the amounts of annual benefits payable to the executive officers named in the Summary Compensation Table under the Retirement Plan.

Name of Individual	Amount of Annual Payment
Barry H. Golsen	\$ 17,480
David R. Goss	\$ 17,403
Tony M. Shelby	\$ 15,605
David M. Shear	\$ 17,822

On May 12, 2005, the Company entered into a certain death benefit agreement with Jack E. Golsen. This agreement replaces certain existing benefits that were payable to Mr. Golsen under a split dollar insurance policy purchased by the Company on Mr. Golsen's life in 1996 and a second policy purchased in 2002, each of which were replaced in 2005. The new Death Benefit Agreement provides that, upon Mr. Golsen's death, the Company will pay to Mr. Golsen's family or designated beneficiary \$2.5 million to be funded from the net proceeds received by the Company under certain new life insurance policies on Mr. Golsen's life that have been purchased and are owned by the Company. The new life insurance policies owned by the Company provide a stated death benefit of \$7 million. The Company is obligated to keep in existence no less than \$2.5 million of the stated death benefit.

Employment Contracts and Termination of Employment
and Change in Control Arrangements

(a) Termination of Employment and Change in Control Agreements

. The Company has entered into severance agreements with each of Jack E. Golsen, Barry H. Golsen, Tony M. Shelby, David R. Goss, David M. Shear.

Each severance agreement provides (among other things) that if, within 24 months after the occurrence of a change in control (as defined) of the Company, the Company terminates the officer's employment other than for cause (as defined), or the officer terminates his employment for good reason (as defined), the Company must pay the officer an amount equal to 2.9 times the officer's base amount (as defined). The phrase "base amount" means the average annual gross compensation paid by the Company to the officer and includable in the officer's gross income during the most recent five year period immediately preceding the change in control. If the officer has been employed by the Company for less than five years, the base amount is calculated with respect to the most recent number of taxable years ending before the change in control that the officer worked for the Company.

The severance agreements provide that a "change in control" means a change in control of the Company of a nature that would require the filing of a Form 8-K with the Securities and Exchange Commission and, in any event, would mean when: (a) any individual, firm, corporation, entity, or group (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended) becomes the beneficial owner, directly or indirectly, of 30% or more of the combined voting power of the Company's outstanding voting securities having the right to vote for the election of directors, except acquisitions by (i) any person, firm, corporation, entity, or group which, as of the date of the severance agreement, has that ownership, or (ii) Jack E. Golsen, his wife; his children and the spouses of his children;

his estate; executor or administrator of any estate, guardian or custodian for Jack E. Golsen, his wife, his children, or the spouses of his children, any corporation, trust, partnership, or other entity of which Jack E. Golsen, his wife, children, or the spouses of his children own at least 80% of the outstanding beneficial voting or equity interests, directly or indirectly, either by any one or more of the above-described persons, entities, or estates; and certain affiliates and associates of any of the above-described persons, entities, or estates; (b) individuals who, as of the date of the severance agreement, constitute the Board of Directors of the Company (the "Incumbent Board") and who cease for any reason to constitute a majority of the Board of Directors except that any person becoming a director subsequent to the date of the severance agreement, whose election or nomination for election is approved by a majority of the Incumbent Board (with certain limited exceptions), will constitute a member of the Incumbent Board; or (c) the sale by the Company of all or substantially all of its assets.

Except for the severance agreement with Jack E. Golsen, the termination of an officer's employment with the Company "for cause" means termination because of: (a) the mental or physical disability from performing the officer's duties for a period of 120 consecutive days or one hundred eighty days (even though not consecutive) within a 360 day period; (b) the conviction of a felony; (c) the embezzlement by the officer of Company assets resulting in substantial personal enrichment of the officer at the expense of the Company; or (d) the willful failure (when not mentally or physically disabled) to follow a direct written order from the Company's Board of Directors within the reasonable scope of the officer's duties performed during the 60 day period prior to the change in control. The definition of "Cause" contained in the severance agreement with Jack E. Golsen means termination because of: (a) the conviction of Mr. Golsen of a felony involving moral turpitude after all appeals have been completed; or (b) if due to Mr. Golsen's serious, willful, gross misconduct or willful, gross neglect of his duties has resulted in material damages to the Company and its subsidiaries, taken as a whole, provided that (i) no action or failure to act by Mr. Golsen will constitute a reason for termination if he believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (ii) failure of Mr. Golsen to perform his duties hereunder due to disability shall not be considered willful, gross misconduct or willful, gross negligence of his duties for any purpose.

The termination of an officer's employment with the Company for "good reason" means termination because of (a) the assignment to the officer of duties inconsistent with the officer's position, authority, duties, or responsibilities during the 60 day period immediately preceding the change in control of the Company or any other action which results in the diminishment of those duties, position, authority, or responsibilities; (b) the relocation of the officer; (c) any purported termination by the Company of the officer's employment with the Company otherwise than as permitted by the severance agreement; or (d) in the event of a change in control of the Company, the failure of the successor or parent company to agree, in form and substance satisfactory to the officer, to assume (as to a successor) or guarantee (as to a parent) the severance agreement as of no change in control had occurred.

Except for the severance agreement with Jack E. Golsen, each severance agreement runs until the earlier of: (a) three years after the date of the severance agreement, or (b) the officer's normal retirement date from the Company; however, beginning on the first anniversary of the severance agreement and on each annual anniversary thereafter, the term of the severance agreement automatically extends for an additional one-year period, unless the Company gives notice otherwise at least 60 days prior to the anniversary date. The severance agreement with Jack E. Golsen is effective for a period of three years from the date of the severance agreement; except that, commencing on the date one year after the date of such severance agreement and on each annual anniversary thereafter, the term of such severance agreement shall be automatically extended so as to terminate three years from such renewal date, unless the Company gives notices otherwise at least one year prior to the renewal date.

(b) Employment Agreement

. The Company has an employment agreement with Jack E. Golsen, the Chairman of the Board and Chief Executive Officer of the Company, which requires the Company to employ Mr. Golsen as an executive officer of the Company. The current term of the employment agreement will expire March 21, 2008; however, pursuant to an amendment to the employment agreement approved by the Board of Directors, the term will be automatically renewed for up to three additional three-year periods. The employment agreement may be terminated by either

Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

party by written notice at least one year prior to the expiration of the then current term. Under the terms of such employment agreement, Mr. Golsen shall be paid (a) an annual base salary at his 1995 base rate, as adjusted from time to time by the Executive Salary Review Committee, but such shall never be adjusted to an amount less than Mr. Golsen's 1995 base salary, (b) an annual bonus in an amount as determined by the Executive Salary Review Committee, and (c) receive from the Company certain other fringe benefits. The employment agreement was amended to reflect the termination of a split dollar life insurance policy on Mr. Golsen's life and the new Death Benefit Agreement, as described in the Report of the Executive Salary Review Committee.

The employment agreement provides that Mr. Golsen's employment may not be terminated, except (a) upon conviction of a felony involving moral turpitude after all appeals have been exhausted, (b) Mr. Golsen's serious, willful, gross misconduct or willful, gross negligence of duties resulting in material damage to the Company and its subsidiaries, taken as a whole, unless Mr. Golsen believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (c) Mr. Golsen's death. However, no such termination under (a) or (b) above may occur unless and until the Company has delivered to Mr. Golsen a resolution duly adopted by an affirmative vote of three-fourths of the entire membership of the Board of Directors at a meeting called for such purpose after reasonable notice given to Mr. Golsen finding, in good faith, that Mr. Golsen violated (a) or (b) above.

If Mr. Golsen's employment is terminated in breach of the employment agreement, then he shall, in addition to his other rights and remedies, receive and the Company shall pay to Mr. Golsen (a) in a lump sum cash payment, on the date of termination, a sum equal to the amount of Mr. Golsen's annual base salary at the time of such termination and the amount of the last bonus paid to Mr. Golsen prior to such termination times the number of years remaining under the then current term of the employment agreement and (b) provide to Mr. Golsen all of the fringe benefits that the Company was obligated to provide during his employment under the employment agreement for the remainder of the term of the employment agreement.

If there is a change in control (as defined in the severance agreement between Mr. Golsen and the Company) and within 24 months after such change in control Mr. Golsen is terminated, other than for Cause (as defined in the severance agreement), then in such event, the severance agreement between Mr. Golsen and the Company shall be controlling.

In the event Mr. Golsen becomes disabled and is not able to perform his duties under the employment agreement as a result thereof for a period of 12 consecutive months within any two-year period, the Company shall pay Mr. Golsen his full salary for the remainder of the term of the employment agreement and thereafter 60% of such salary until Mr. Golsen's death.

Compensation Committee Interlocks and Insider Participation

. The Company's Executive Salary Review Committee has the authority to set the compensation of all officers of the Company. This Committee generally considers and approves the recommendations of the Chief Executive Officer. The Chief Executive Officer does not make a recommendation regarding his own salary. The members of the Executive Salary Review Committee are the following non-employee directors: Bernard G. Ille and Horace G. Rhodes. Neither Mr. Ille nor Mr. Rhodes is, or ever has been, an officer or employee of the Company or any of its subsidiaries. During 2004, the Executive Salary Review Committee had one meeting.

See "Compensation of Directors" for information concerning compensation paid to each non-employee director of the Company during 2004 for services as a director to the Company.

Report of Executive Salary Review Committee

General

. The Executive Salary Review Committee ("Committee") is presently comprised of Bernard G. Ille and Horace G. Rhodes, neither of whom is a current or former employee of the Company. The Committee is responsible for reviewing and approving the compensation paid to executive officers of the Company.

Compensation Policy for Executive Officers

Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

. Although the Committee has not established specific quantitative compensation policies for executive officers of the Company, including the Chief Executive Officer, the Committee reviews each executive officer's performance on behalf of the Company during the last preceding year in establishing the executive officer's bonus for such year, if any, and any increase or decreases to such executive officers' compensation for the next year. The guiding principle of the Committee is based on the following objectives: (a) to attract and retain qualified executives in a highly competitive environment who will play significant roles in achieving the Company's goals; (b) to reward executives for strategic management and the long-term enhancement of stockholder value; (c) to create a performance-oriented environment that rewards performance with respect to financial and operational goals of the Company; and, (d) motivate executives to protect the interests of the Company in all situations. The key elements of the Company's executive compensation program have consisted of a base salary, bonus and stock options.

As to the compensation (salary and bonus) paid or payable to executive officers, other than the Chief Executive Officer, the Chief Executive Officer makes a recommendation to the Committee. The Committee considers such recommendations. The Chief Executive Officer's recommendation with respect to base salary and the Committee's approval or disapproval of such recommendation is primarily based on the objectives set forth above. Recommendations by the Chief Executive Officer of bonus compensation and the Committee's decision to approve or disapprove such recommendations is closely tied to the individual's performance and the Company's financial performance.

Jack E. Golsen has been Chief Executive Officer of the Company since its formation in 1969. In March 1996, the Company entered into an employment agreement with Mr. Golsen, which sets Mr. Golsen's salary at his 1995 base rate, as adjusted from time to time by the Committee. In determining any adjustments to Mr. Golsen's compensation, the Committee takes into account the fact that Mr. Golsen continues the strategy of developing the Company through internal growth, acquisitions, redeployment of assets and personnel, the complexity of issues required to be dealt with, and development of international markets. There were no increases in Mr. Golsen's annual salary for 2002, 2003 or 2004.

Since 1996, the Company has owned a \$3 million split dollar endorsement life insurance policy on the life of Jack B. Golsen in order to provide a death benefit for Mr. Golsen's family. In 2002, the Company purchased an additional \$2 million life insurance policy. The proceeds of those policies were to fund a \$2.5 million death benefit to Mr. Golsen's family. In March 2005, the Committee determined that due, in part, to certain ambiguities with, and the implementation of, Sarbanes Oxley Act of 2002, the Company should replace the split dollar policy and the additional policy on Mr. Golsen's life. As a result, the Committee recommended and the Board of Directors approved, the termination of the existing policies and the purchase of three new whole life insurance policies on Mr. Golsen's life, having an aggregate stated death benefit of \$7 million. In connection with the purchase of the new policies, the Committee recommended and the Board of Directors approved a Death Benefit Agreement between the Company and Mr. Golsen. The agreement provides for the payment of \$2.5 million to Mr. Golsen's family or designated beneficiary upon the Company's receipt of \$2.5 million of insurance proceeds under the new policies. The amount payable under the Death Benefit Agreement to Mr. Golsen's family or designated beneficiary is the same amount that would have been payable under the prior two policies.

Bonuses, if any, are paid to executive officers in arrears for performance during the previous fiscal year. The Committee considers the payment of bonuses to be consistent with the goals set forth above. Bonuses were paid in 2004, 2003 and 2002. See "Executive Compensation." Bonuses have not been determined for 2004 performance.

The Company utilizes the granting of stock options to compensate executive officers of the Company. This practice is founded on the belief that stock options offer executive officers a valuable incentive to achieve increased profitability of the Company in order to enhance stockholder value. There are no specific factors used to determine the number of options granted or to the timing of such grants; however, certain criteria are considered such as length of service, level of responsibility, and the achievement of the Company's earnings objectives. No stock options were granted to the Chief Executive Officer and other executive officers of the Company during 2004.

Performance Graph

. The following table compares the yearly percentage change in the cumulative total stockholder return of (a) the Company, (b) a composite index ("Peer Group") comprised of a peer group of entities from two distinct industries which represent the Company's two primary lines of business (Climate Control and Chemical), and (c) the American Stock Exchange Market Value Index ("AMEX MVI"). The table set forth below covers the period from year-end 1999 through year-end 2004.

Assumes \$100 invested at year-end 1999 in the Company, the Peer Group, and the AMEX MVI, and the investment of dividends, if any.

The Peer Group was developed for the Company by Hemscott Group (formerly CoreData) and is comprised of all companies that have specified Hemscott Group General Index Groups codes, which the Company believes correspond to the Company's primary lines of business. The Peer Group is comprised of (a) climate control companies having a Hemscott Group code 634 (general building materials) and (b) chemical companies having a Hemscott Group codes 112 (agricultural chemicals) and 113 (specialty chemicals), and is provided for comparison to the Company's two primary lines of business, Climate Control and Chemical. The companies which comprise the Peer Group are listed on Exhibit "A" to this Proxy Statement. The Company has been advised that the cumulative total return of each component company in the Peer Group has been weighted according to the respective company's stock market capitalization. The AMEX MVI line is provided because the Company believes that those companies listed in the AMEX most closely resemble the size and composition of the Company. In light of the Company's unique industry diversification and current market capitalization, the Company believes that the Peer Group and AMEX MVI are appropriate for comparison to the Company.

The above Performance Graph shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (collectively, the "Acts"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be soliciting material or to be filed under such Acts.
