ALLTEL is a customer-focused communications company providing wireless, local telephone, long-distance, Internet and high-speed data services to residential and business customers.

The (i) name, (ii) business address, (iii) present principal occupation or employment, (iv) name, principal business and address of any corporation or other organization in which such employment is conducted, and (v) citizenship of each director and executive officer of ALLTEL are set forth on Schedule I hereto and incorporated herein by reference.

##### Item 3. Source and Amount of Funds or Other Consideration.

As an inducement for ALLTEL to enter into an Agreement and Plan of Merger, dated January 9, 2005 (the "Merger Agreement") with Western Wireless, and in consideration thereof, John W. Stanton, the Chairman and Chief Executive Officer of Western Wireless, and Theresa E. Gillespie, Vice Chair of Western Wireless, and certain of their affiliated entities (collectively, the "Shareholders") entered into a Voting Agreement, dated as of January 9, 2005 (the "Voting Agreement"). ALLTEL did not pay additional consideration to the Shareholders in connection with the execution and delivery of the Voting Agreement. Copies of the Merger Agreement and the Voting Agreement are filed as Exhibits 99.1 and 99.2, respectively, and are incorporated herein by reference.

##### Item 4. Purpose of Transaction.

As stated above, the Voting Agreement was entered into as an inducement for, and in consideration of, ALLTEL entering into the Merger Agreement. Subject to the terms and conditions thereof, the Merger Agreement provides for

the merger (the "Merger") of Western Wireless with and into a wholly-owned subsidiary of ALLTEL ("Merger Sub"). At the effective time of the Merger, each outstanding share of Class A Common Stock and each outstanding share of Class B Common Stock, no par value per share ("Class B Common Stock", and together with the Class A Common Stock, the "Western Common Stock") will be exchanged for 0.535 shares of ALLTEL Common Stock and \$9.25 in cash unless the shareholder makes an all-cash or all-stock election. Western Wireless shareholders making an all-stock or all-cash election may be subject to proration depending on the number of shareholders making such elections.

The Merger is subject to the approval of Western Wireless shareholders. In addition, the Merger is subject to expiration or earlier termination of applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act, the receipt of certain required consents from the Federal Communications Commission and foreign competition authorities, as well as other customary closing conditions.

("PN Cellular"), which is substantially owned and controlled by Mr. Stanton and Ms. Gillespie; (ii) 576,859 shares of Class A Common Stock and 1,274,519 shares of Class B Common Stock held of record by Stanton Communications Corporation ("SCC"), which is substantially owned and controlled by Mr. Stanton and Ms. Gillespie; (iii) 4,420,919 shares of Class A Common Stock and 3,025,668 shares of Class B Common Stock held by Mr. Stanton and Ms. Gillespie as joint tenants; (iv) 64,437 shares of Class B Common Stock held of record by The Stanton Family Trust; and (v) an aggregate of 166,655 shares of Class A Common Stock issuable upon exercise of stock options granted to Mr. Stanton or Ms. Gillespie, which are exercisable within 60 days of the date of this Statement. Mr. Stanton and Ms. Gillespie are married and share voting and investment power with respect to the shares jointly held by them, as well as the shares held of record by PN Cellular, SCC and The Stanton Family Trust. Other than with respect to voting rights and conversion, the Class A Common Stock and Class B Common Stock have identical rights. The Class A Common Stock has one vote per share and the Class B Common Stock has ten votes per share. By virtue of their ownership of Class A Common Stock and Class B Common Stock of Western Wireless, in the amounts described above and in note 2 below, the Shareholders hold shares representing approximately 41.4% of the voting power of Western Wireless. Shares of Class B Common Stock generally convert automatically into shares of Class A Common Stock on a share-for-share basis immediately upon any transfer of the Class B Common Stock other than a transfer from an original holder of Class B Common Stock to certain affiliates of such holder. Class B Common Stock also is convertible into shares of Class A Common Stock on a share-for-share basis at any time at the option of the holder. The Class B Common Stock, by its terms, does not expire.

2 The share ownership percentages described in this Schedule are based on 99,517,589 shares of Class A Common Stock deemed to be outstanding as of December 31, 2004 which includes (1) 93,300,241 shares of Class A Common Stock actually issued and outstanding as of such date, (2) an aggregate of 166,655 shares of Class A Common Stock issuable upon exercise of stock options granted to Mr. Stanton or Ms. Gillespie and

In addition, the Shareholders cannot sell, transfer, convert or otherwise dispose

of the shares subject to the Voting Agreement, if such sale, transfer, conversion or disposition would result in the Shareholders' inability to vote such shares as required pursuant to the terms of the Voting Agreement.

The Shareholders may vote the shares subject to the Voting Agreement on all other matters. The Voting Agreement terminates (i) upon the earlier of (A) the approval and adoption of the Merger Agreement by Western Wireless shareholders, (B) the failure of the shareholders of Western Wireless to approve the Merger Agreement at the meeting of Western Wireless shareholders held for such purpose, and (C) the termination of the Merger Agreement, or (ii) at any time upon notice by ALLTEL to the Shareholders.

The purpose of the Voting Agreement is to enable ALLTEL and Western Wireless to consummate the transactions contemplated by the Merger Agreement.

Upon the consummation of the Merger, the managers of Merger Sub immediately prior to the effective time of the Merger will be the initial managers of the surviving company, until their respective successors are duly elected and qualified. Upon consummation of the Merger, the officers of Merger Sub immediately prior to the effective time of the Merger will be the initial officers of the surviving company, until their respective successors are duly appointed.

At the effective time of the Merger, the certificate of formation of Merger Sub, as in effect immediately prior to the effective time of the Merger, shall be the certificate of formation of the surviving company until thereafter changed or amended as provided by the Washington Limited Liability Company Act ("WLLCA") or therein, except that as of the effective time of the Merger, paragraph 1 of the certificate of formation of the surviving company shall be amended to reflect the name of Western Wireless (or a variation thereof) as the name of the surviving company.

If the Merger is consummated as planned, ALLTEL anticipates that Western Wireless will become a wholly-owned subsidiary of ALLTEL and that ALLTEL will seek
