Item 8.01 Other Events.

First Mid-Illinois Bancshares, Inc. (“First Mid”) announced today the final results of the First Clover Leaf Financial Corp. (“First Clover Leaf”) stockholder election associated with the merger completed on September 8, 2016. Pursuant to the merger agreement between First Mid and First Clover Leaf, each record holder of First Clover Leaf common stock could make one of the following elections prior to the Election Deadline of 5:00 p.m. central time on August 31, 2016 (the “Election Deadline”):

• a cash election to receive \$12.87 in cash, without interest, for each share of First Clover Leaf common stock, subject to certain adjustments and proration; or

• a stock election to receive 0.495 shares of First Mid common stock, for each share of First Clover Leaf common stock, subject to certain adjustments and proration.

Stockholders who failed to make an effective election by the Election Deadline were deemed to have made an election to receive stock consideration.

Overall elections were subject to proration so that 75% of the First Clover Leaf shares would be exchanged for First Mid stock and 25% of the First Clover Leaf shares would be exchanged for cash.

Of the 7,005,833 shares of First Clover Leaf common stock outstanding immediately prior to the closing of the merger:

3,225,234, or 46.04%, elected to receive cash;

2,362,514, or 33.72%, elected to receive stock; and

1,418,135, or 20.24%, did not make an effective election.

As a result, First Clover Leaf shares as to which a stock election was made will receive First Mid common stock, First Clover Leaf shares as to which a cash election was made will receive cash for approximately 54.31% percent of those shares and First Mid common stock for the remainder of those shares, and shares with respect to which no effective election was made will receive First Mid common stock. No fractional shares of First Mid common stock will be issued. As a result, each former holder of First Clover Leaf stock who would otherwise have been entitled to receive a fraction of a share of First Mid common stock will receive, instead, an amount in cash (without interest), rounded to the nearest whole cent, determined by multiplying \$12.87 by the fractional share of First Mid common stock to which such former holder of First Clover Leaf common stock would otherwise be entitled.
