SPECIAL NOTE REGARDING FORWARD-LOOKING INFORMATION

The Prospectus, any Prospectus supplement and the documents we incorporate by reference in this Prospectus contain forward-looking statements within the meaning of Section 21E of the Exchange Act and Section 27A of the Securities Act of 1933, as amended. Certain statements of other than historical fact that are contained in this document and in written material, press releases and oral statements issued by or on behalf of Southside Bancshares, Inc., a bank holding company, may be considered to be “forward-looking statements” within the meaning of and subject to the protections of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are not guarantees of future performance, nor should they be relied upon as representing management’s views as of any subsequent date. These statements may include words such as “expect,” “estimate,” “project,” “anticipate,” “appear,” “believe,” “could,” “should,” “may,” “intend,” “probability,” “risk,” “target,” “objective,” “plans,” “potential,” and similar expressions. Forward-looking statements are statements with respect to our beliefs, plans, expectations, objectives, goals, anticipations, assumptions, estimates, intentions and future performance, and are subject to significant known and unknown risks and uncertainties, which could cause our actual results to differ materially from the results discussed in the forward-looking statements. For example, discussions of the effect of our expansion, trends in asset quality and earnings from growth, and certain market risk disclosures are based upon information presently available to management and are dependent on choices about key model characteristics and assumptions and are subject to various limitations. By their nature, certain of the market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual income gains and losses could materially differ from those that have been estimated. Some of these factors are described in our Annual Report on Form 10-K for the year ended December 31, 2013 and our Quarterly Report on Form 10-Q for the quarter ended March 31, 2014, each of which are incorporated by reference in this Prospectus, under the headings “Risk Factors,” “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Business.” Other factors that could cause actual results to differ materially from forward-looking statements include, but are not limited to, the following:

- general economic conditions, either globally, nationally, in the State of Texas, or in the specific markets in which we operate, including, without limitation, the deterioration of the commercial real estate, residential real estate, construction and development, credit and liquidity markets, which could cause an adverse change in our net interest margin, or a decline in the value of our assets, which could result in realized losses;
- legislation, regulatory changes or changes in monetary or fiscal policy that adversely affect the businesses in which we are engaged, including the impact of the Dodd-Frank Act, the Federal Reserve’s actions with respect to interest rates and other regulatory responses to current economic conditions;
- adverse changes in the status or financial condition of the Government-Sponsored Enterprises (the “GSEs”) impacting the GSEs’ guarantees or ability to pay or issue debt;
- adverse changes in the credit portfolio of other U.S. financial institutions relative to the performance of certain of our investment securities;
- economic or other disruptions caused by acts of terrorism in the United States, Europe or other areas;
- changes in the interest rate yield curve such as flat, inverted or steep yield curves, or changes in the interest rate environment that impact interest margins and may impact prepayments on the mortgage-backed securities (“MBS”) portfolio;
- increases in our nonperforming assets;
- our ability to maintain adequate liquidity to fund operations and growth;
- the failure of our assumptions underlying allowance for loan losses and other estimates;
- unexpected outcomes of, and the costs associated with, existing or new litigation involving us;
- changes impacting our balance sheet and leverage strategy;
- risks related to actual U.S. agency MBS prepayments exceeding projected prepayment levels;
- risks related to U.S. agency MBS prepayments increasing due to U.S. Government programs designed to assist homeowners to refinance their mortgage that might not otherwise have qualified;
- our ability to monitor interest rate risk;

significant increases in competition in the banking and financial services industry;
changes in consumer spending, borrowing and saving habits;
technological changes;

2

- our ability to increase market share and control expenses;
- the effect of changes in federal or state tax laws;
- the effect of compliance with legislation or regulatory changes;
- the effect of changes in accounting policies and practices;
- risks of mergers and acquisitions including the related time and cost of implementing transactions and the potential failure to achieve expected gains, revenue growth or expense savings;
- credit risks of borrowers, including any increase in those risks due to changing economic conditions; and
- risks related to loans secured by real estate, including the risk that the value and marketability of collateral could decline.

All written or oral forward-looking statements made by us or attributable to us are expressly qualified by this cautionary notice. We disclaim any obligation to update any factors or to announce publicly the result of revisions to any of the forward-looking statements included herein to reflect future events or developments.

THE CORPORATION

We were incorporated in Texas in 1982 and serve as the bank holding company for Southside Bank (the “Bank”), headquartered in Tyler, Texas. Tyler has a metropolitan area population of approximately 210,000 and is located approximately 90 miles east of Dallas, Texas and 90 miles west of Shreveport, Louisiana. The Bank has the largest deposit base in the Tyler metropolitan area and is the largest bank, based on asset size, headquartered in East Texas.

At December 31, 2013, we had total assets of \$3.45 billion, total loans of \$1.35 billion, deposits of \$2.53 billion, and total equity of \$259.5 million. We had net income of \$41.2 million and \$34.7 million and diluted earnings per common share of \$2.19 and \$1.81 for the years ended December 31, 2013 and 2012, respectively. We have paid a cash dividend every year since 1970 (including dividends paid by Southside Bank prior to the incorporation of Southside Bancshares). On March 20, 2014 our board of directors declared a 5% stock dividend to common stock shareholders of record as of April 10, 2014, which was paid on May 1, 2014. All share data has been adjusted to give retroactive recognition to stock dividends.

We are a community-focused financial institution that offers a full range of financial services to individuals, businesses, municipal entities, and nonprofit organizations in the communities that we serve. These services include consumer and commercial loans, deposit accounts, trust services, safe deposit services and brokerage services.

Our consumer loan services include 1-4 family residential mortgage loans, home equity loans, home improvement loans, automobile loans and other installment loans. Commercial loan services include short-term working capital loans for inventory and accounts receivable, short and medium-term loans for equipment or other business capital expansion, commercial real estate loans and municipal loans. We also offer construction loans for 1-4 family residential and commercial real estate.

We offer a variety of deposit accounts with a wide range of interest rates and terms, including savings, money market, interest and noninterest bearing checking accounts and certificates of deposit (“CDs”). Our trust services include investment management, administration and advisory services, primarily for individuals and, to a lesser extent, partnerships and corporations. At December 31, 2013, our trust department managed approximately \$880.5 million of trust assets, which are appropriately not consolidated in the financial statements of the Corporation.

We and our subsidiaries are subject to comprehensive regulation, examination and supervision by the Board of Governors of the Federal Reserve System (the “Federal Reserve”), the Texas Department of Banking (the “TDB”) and the Federal Deposit Insurance Corporation (the “FDIC”) and are subject to numerous laws and regulations relating to internal controls, the extension of credit, making of loans to individuals, deposits, and all other facets of our operations.

Our administrative offices are located at 1201 South Beckham Avenue, Tyler, Texas 75701, and our telephone number is 903-531-7111. Our website can be found at www.southside.com.

Our primary source of income is dividends received from the Bank. Dividend payments are, among other things, based on bank earnings, deposit growth and capital position in compliance with regulatory guidelines. Management presently anticipates that future increases in the capital of the Bank will be accomplished through earnings retention or capital injection, although there is no assurance of any future increases.

DIVIDEND REINVESTMENT PLAN

The Plan provides holders of Common Stock with a simple, convenient, and economical method of purchasing additional shares of Common Stock. Participants will be able to reinvest their cash dividends in shares of our Common Stock at the market value determined as provided in the Plan. Our Transfer Agent will use dividend payments for the accounts of Participants to acquire on behalf of Participants shares of our Common Stock. The Plan offers shareholders full or partial dividend reinvestment options.

Current holders of Common Stock of record are eligible to participate in the Plan. Holders of Common Stock may enroll and become Participants in the Plan by completing an Authorization Form and forwarding it to our Transfer Agent at the address shown under “Description of Dividend Reinvestment Plan-Enrollment” below. A specimen copy of the Authorization Form and the Terms and Conditions of the Plan is included in this prospectus as Appendix A. No service fees or brokerage commissions will be charged to Participants for purchases. Participation in the Plan is entirely voluntarily and may be terminated at any time.

RISK FACTORS

An investment in our Common Stock is subject to risks inherent to our business. Before making an investment decision, you should carefully consider and evaluate all of the information included and incorporated by reference in this Prospectus, including the risk factors incorporated by reference from our Annual Report on Form 10-K for the year ended December 31, 2013 under the section entitled “Item 1A. Risk Factors” and from our subsequent Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings that we make with the SEC. See “Description of Dividend Reinvestment Plan-Risks” below for a summary of several of the most important risks that you may face by virtue of your participation in the Plan. We encourage you to read these risk factors in their entirety. In addition to these risks, other risks and uncertainties not presently known to us or that we currently deem immaterial may also adversely affect our business operations and financial condition. Such risks could cause actual results to differ materially from anticipated results, which could cause the trading price of our Common Stock to decline, perhaps significantly, and you may lose part or all of your investment.

UPDATED EARNINGS PER COMMON SHARE DATA

The following table sets forth our net income and earnings per common share, as adjusted, for each of the fiscal years in the five-year period ended December 31, 2013. Future dividends will depend on our earnings, financial condition and other factors, which our Board of Directors considers to be relevant.

We cannot assure the continuation of dividend payments. Participants should recognize and understand that we cannot assure them of a profit or protect them against a loss on the shares purchased by them under the Plan.

DESCRIPTION OF DIVIDEND REINVESTMENT PLAN

This section of the Prospectus summarizes the material terms and conditions of the Southside Bancshares, Inc. Dividend Reinvestment Plan. The following summary is qualified entirely by reference to the complete text of the Terms and Conditions of the Plan, which are included in this prospectus in Appendix A. We encourage you to read the Terms and Conditions of the Plan in their entirety.

Purpose - The Plan provides holders of our Common Stock who elect to participate in the Plan with a convenient and economical method of reinvesting their cash dividends to purchase additional shares of Common Stock.

Participation - All holders of record of shares of Common Stock are eligible to participate in the Plan. In order to participate in the Plan, a beneficial owner of shares of Common Stock registered in a name other than his own must become a holder of record of shares by having shares transferred into his name or make arrangements with the record holder to participate in the Plan on his behalf. Participants must maintain their status as shareholders of record to participate directly in the Plan. Disposal of all of a Participant's shares of Common Stock will constitute an automatic termination of participation in the Plan.

Enrollment - Holders of record of Common Stock may enroll in the Plan at any time by signing and returning the enclosed Authorization Form to the Transfer Agent:

Computershare Trust Company, Inc., Transfer Agent
350 Indiana Street, Suite 750
Golden, Colorado 80401

If a shareholder's Authorization Form is received by our transfer agent, Computershare Trust Company, Inc. (the "Transfer Agent"), prior to the close of business on the record date for payment of a cash dividend, reinvestment of the Participant's dividends with respect to the designated portion of shares of Common Stock will begin with that dividend payment. If, however, a shareholder's Authorization Form is received by the Transfer Agent after the close of business on the record date for payment of a cash dividend, that shareholder's dividend will be paid in cash and participation in the Plan will begin with the next cash dividend payment. For example, if our Board authorizes the payment of a dividend on December 16 to holders of our Common Stock as of December 1, you would need to submit your Authorization Form to the Transfer Agent prior to the close of business on December 1, the record date for a dividend payment. If the Transfer Agent received your Authorization Form prior to the close of business on the record date, you would be enrolled in the Plan for that dividend. If, however, the Transfer Agent received your Authorization Form after the close of business on the record date, then the first dividend reinvestment under the Plan that you would participate in would be the next dividend payment date occurring after December 16. After enrollment, all future cash dividends, as designated on the Authorization Form, will be automatically reinvested until the earlier of (i) receipt by the Transfer Agent of written notice of termination from you, (ii) you ceasing to be a shareholder of record, or (iii) suspension or termination of the Plan by the Corporation. During participation in the Plan, a Participant's dividends will be reinvested according to the directions given to the Transfer Agent on the Authorization Form.

The Authorization Form directs the Transfer Agent to reinvest all of the Participant's cash dividends, including dividends received on shares acquired by the Participant under the Plan, in shares of Common Stock, unless otherwise specified. The Participant, however, has the option to designate on the Authorization Form that the Transfer Agent reinvest only those cash dividends declared on a portion of the shares of Common Stock registered in his name. If the latter option is chosen, the dividends declared on the remaining shares will continue to be paid in cash. A Participant may change his investment option at any time by signing a new Authorization Form and returning it to the Transfer Agent.

Administration - The Transfer Agent administers the Plan for Participants. The Transfer Agent, upon reinvestment of dividends for the Participant, will issue fractional shares which will increase the accuracy of our shareholder accounting and provide a cost savings to the Corporation. The Transfer Agent will forward a quarterly stock ownership statement representing the shares purchased with the cash dividend to the Participant as soon as is practicable. Those participants desiring stock certificates may request issuance of any full shares at any time after the reinvestment procedure is complete. However, a reasonable service charge may be assessed at the time of a Participant's withdrawal from the Plan or at any time a share certificate is requested by a Participant.

Purchases and Purchase Price - Shares of Common Stock will be purchased for dividend reinvestment under the Plan on the date that the cash dividend payment on shares of Common Stock is made (the "Investment Date"). Historically, cash dividends on our Common Stock have been paid quarterly. Shares of Common Stock will be acquired from the authorized but unissued shares of Common Stock of the Corporation. Participants become record owners of shares purchased under the Plan as of the Investment Date.

The purchase price of shares of Common Stock purchased with reinvested cash dividends will be the market price of such shares on the Investment Date, or if not traded that day, the previous day a trade occurred. The market price for shares of Common Stock will be based on the weighted average purchase price of all shares of Common Stock, to the extent known to us, traded on the applicable Investment Date, and if no shares were traded on that day, the weighted average purchase price of all shares of Common Stock on the previous day a trade occurred. Purchases of shares of Common Stock under the Plan will only be permitted so long as the market price exceeds the par value of such shares of Common Stock. Our Common Stock is traded on the NASDAQ Global Select Market under the symbol "SBSI."

The number of shares of Common Stock to be purchased on behalf of a Participant depends on the amount of the Participant's dividend and the market price of the shares on the Investment Date. Each Participant will be credited with the number of shares, including fractional shares rounded to three decimals, equal to the total amount of his cash dividend divided by the purchase price of the shares acquired on the Investment Date. Quarterly statements will be provided on the book entry purchases.

Participants in the Plan will be responsible for the entire tax liability associated with the payment of the dividends on the Common Stock despite their participation in the Plan. Please see "-Federal Income Tax Consequences" below.

Delivery of Shares - Through our Transfer Agent, we will issue quarterly statements representing book entry shares to the Participants in the Plan representing the number of shares, including fractional shares rounded to three decimals, purchased under the Plan on their behalf.

Withdrawal and Termination - A Participant may terminate participation in the Plan by submitting a written notice addressed to the Transfer Agent at the address set forth under "-Enrollment" above.

If the notice of termination is received by the Transfer Agent prior to the close of business on a dividend record date, the amount of the cash dividend which would otherwise have been invested on the next Investment Date, and all subsequent dividends, will be paid in cash. If the notice of termination is received by the Transfer Agent after close of business on the dividend record date, the amount of the cash dividend to be invested on the next Investment Date will be so invested, but all subsequent dividends will be paid to the Participant in cash. A shareholder may re-enroll in the Plan at any time by submitting a new Authorization Form to the Transfer Agent.

If a Participant sells all of the shares of Common Stock registered in his name, the Transfer Agent will terminate his participation in the Plan as of the date that the final dividend on such shares is paid to the Participant. The transferee of the Participant's shares must submit a new Authorization Form to the Transfer Agent and request Plan enrollment to

participate in the Plan.

8

If a Participant who is reinvesting the cash dividends on part of the Common Stock registered in his name disposes of a portion of such shares, the Transfer Agent will continue to reinvest the dividends on the remainder of the shares designated by the Participant for dividend reinvestment until the Transfer Agent is otherwise notified by the Participant in writing.

Death of a Participant - On receipt by the Transfer Agent of proper notice of death or incompetency of a Participant, together with any other form or documentation as may be properly required by the Transfer Agent, such Participant's participation in the Plan can be terminated in the same manner as that of a Participant who withdraws from the Plan.

Cost - The purchase of Common Stock under the Plan is available to Participants without the payment of brokerage commissions or administrative costs of the Plan. However, a reasonable service charge may be assessed at the time of a Participant's withdrawal from the Plan or at any time a share certificate is requested by a Participant. Should the Participant sell any of the shares acquired under the Plan through a broker or dealer, the Participant will be responsible for payment of any applicable brokerage fees, transfer taxes, and similar charges.

Stock Splits and Stock Dividends - In the event of a stock split or a stock dividend, the Participant will be issued additional shares of Common Stock as the result of the split or the dividend on the total shares acquired by the Participant under the Plan.

Shareholder Voting - We will distribute to each Participant proxy material that will enable him or her to vote all the Common Stock registered in the Participant's name in connection with each meeting of shareholders. This will include those shares issued to the Participant under the Plan.

Reports - Each Participant in the Plan will receive a 1099-DIV form reporting the total dividend we are deemed to have paid to the Participant. The 1099's are the Participant's continuing record of the Participant's dividend income and the Participant's initial tax basis in the shares issued to the Participant under the Plan and should be retained for tax purposes. In addition, Participants will receive this Prospectus as well as copies of all reports sent to the holders of shares of Common Stock.

Responsibility of the Corporation and Transfer Agent - Neither we nor the Transfer Agent shall be liable for any act done in good faith or for any good faith omission to act when done or omitted in accordance with the terms and conditions of the Plan including, without limitation, any claim of liability arising out of a failure to terminate a Participant's participation in the Plan upon such Participant's death prior to receipt of written notice of such death, the prices at which the shares are purchased on behalf of a Participant or the times when such purchases are made or with respect to any fluctuation in the market value of the Common Stock before or after purchases. Neither we nor the Transfer Agent have any duties, responsibilities or liabilities except as expressly set forth in the Plan or as imposed by applicable laws, including, without limitation, federal securities laws.

You should recognize that we cannot assure profit or protect against a loss on the shares you purchase under the Plan, and we take no position on whether shareholders or investors should participate in the Plan.

Investments Gains or Losses - Your investment in the Plan is no different from any other investment in shares held by you and will be exposed to changes in market conditions and changes in the market value of the shares. If you choose to participate in the Plan, then you should recognize that none of us, our subsidiaries and affiliates, or the Transfer Agent can assure you of a profit or protect you against loss on the shares that you purchase under the Plan. You bear the risk of loss in value and enjoy the benefits of gains with respect to all your shares. You must make your own independent investment and participation decisions consistent with your situation and needs. None of us, our subsidiaries and affiliates, or the Transfer Agent can guarantee liquidity in the markets, and the value and

marketability of your shares may be adversely affected by market conditions.

Plan accounts are not insured or protected by the Securities Investor Protection Corporation or any other entity and are not guaranteed by the Federal Deposit Insurance Corporation or any government agency.

9

Risks - The following summary identifies several of the most important risks that you may face by virtue of your participation in the Plan. There may be any number of additional risks that are not listed below, and you should consult your financial, tax, legal and other advisors prior to determining whether to participate in the Plan.

There is no price protection for your shares in the Plan. Your investment in the shares held in the Plan will be exposed to changes in market conditions and changes in the market value of the shares.

You have no control over the share price or timing of the purchase of shares under the Plan. You cannot designate a specific price or date at which to purchase Plan shares. As a result, you will not know the exact number of shares purchased until after the investment date.

The market price for our common stock varies, and you should purchase shares for long-term investment only. Although our common stock currently is traded on the NASDAQ Global Select Market, we cannot assure you that there will, at any time in the future, be an active trading market for our Common Stock. Even if there is an active trading market for our Common Stock, we cannot assure you that you will be able to sell your shares at a favorable price, if at all. As a result, you should participate in the Plan only if you are capable of making, and are seeking to make, a long-term investment in our Common Stock.

Other important factors and risks are identified in our most recent Annual Reports on Form 10-K and are updated in our Quarterly Reports on Form 10-Q, which are incorporated by reference into this Prospectus. You are encouraged to review these risk factors carefully.

Suspension, Modification or Termination of the Plan - We may, in our sole discretion, terminate a Participant's individual participation in the Plan. We may also for any reason terminate, suspend or modify the Plan or any provisions of the Plan at any time. Participants will be notified, by written notice, of any suspension, modification or termination of the Plan or of the termination of their participation in the Plan. All notices to Participants shall be mailed to Participants at the address furnished by Participants to the Transfer Agent.

Federal Income Tax Consequences - The following discussion is based upon the Internal Revenue Code of 1986, as amended and in effect on the date hereof (the "Code"), existing and proposed regulations thereunder, judicial decisions and current administrative rulings and practices. Any of these authorities could be repealed, overruled or modified at any time after the date hereof. Any such change could be retroactive and, accordingly, could modify the tax consequences discussed herein. No ruling from the Internal Revenue Service or opinion of counsel with respect to the matters discussed herein has been requested, and there is no assurance that the Internal Revenue Service or the courts would agree with the conclusions set forth in this discussion.

This discussion is for general information only and does not address the federal income tax consequences that may be relevant to particular Participants in light of their personal circumstances or to certain types of Participants (such as dealers in securities, insurance companies, foreign entities, individuals who are not U.S. citizens or residents, financial institutions and tax-exempt entities) who may be subject to special treatment under the federal income tax laws. This discussion also does not address any tax consequences under state, local or foreign laws. You should consult your own advisor regarding the tax consequences of participation in the Plan.

A Participant whose dividends are reinvested pursuant to the Plan generally will be treated as having received a taxable dividend on the relevant dividend payment date in an amount equal to the fair market value of the shares of Common Stock purchased on the Participant's behalf. A Participant will be treated, for Federal income tax purposes, as receiving a taxable dividend on each dividend payment date even though such Participant may not receive any cash with which to pay the tax on such income.

We will take the position for Federal income tax purposes that the “fair market value” of the shares will be determined in the same manner as the purchase price for shares purchased under the Plan. Please see the discussion under “-

Purchases and Purchase Price” above for a description of how the purchase price is determined. We believe that this is a reasonable method to calculate the fair market value of our Common Stock.

A Participant’s initial tax basis for the shares of Common Stock purchased with reinvested dividends generally will be equal to the amount of the distribution the Participant is treated as having received for Federal income tax purposes (as described above). This basis would be relevant to a Participant upon the subsequent disposition of the shares received pursuant to the Plan. Gain or loss equal to the difference between the amount realized on the disposition and the tax basis in the shares sold would be realized by the Participant when the shares received pursuant to the Plan are sold or otherwise disposed of. Such gain or loss generally would be capital in character if such shares were a capital asset in the hands of the Participant. A Participant’s holding period for shares obtained pursuant to the Plan will begin on the day after the day the shares are credited to your account.

In the case of a foreign Participant whose dividends are subject to the withholding of U.S. income taxes or to any Participant subject to backup withholding, the tax required to be withheld will be deducted from each dividend payment before it is reinvested in our Common Stock. Thus, only the net amount of the dividend payment available after such withholding would be available to be reinvested under the Plan.

We will report to Participants and to the Internal Revenue Service information sufficient to apprise each of them of the amounts that would constitute dividend or other income as described herein and the amount of any amounts withheld.

PARTICIPANTS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OR PARTICIPATION IN THE PLAN, INCLUDING THE APPLICABILITY OF ANY STATE, LOCAL OR FOREIGN TAX LAWS, CHANGES IN APPLICABLE TAX LAWS AND ANY PENDING OR PROPOSED LEGISLATION.

DESCRIPTION OF COMMON STOCK

Our authorized capital presently consists of 40,000,000 shares of Common Stock, par value \$1.25 per share. Each holder of shares of Common Stock is entitled to one vote for each share held on all questions submitted to holders of shares of Common Stock. Holders of Common Stock do not have cumulative voting rights at elections of directors, and the holders of Common Stock have no preemptive, redemption or conversion rights. Upon issuance and sale of the shares offered hereby in accordance with the terms of the Plan, such shares will be fully paid and nonassessable. In the event of any liquidation, dissolution or winding-up of the Corporation, holders of Common Stock are entitled to share ratably in the assets of the Corporation remaining after provision for payment of creditors.

Our certificate of formation provides for the election of directors to three classes, as nearly equal in number as possible, to hold office for staggered terms. Directors elected to each class shall hold office until the expiration of the three-year term applicable to the class of directorship to which the respective director is elected and until their successors are elected and qualified, or they shall hold office until death or retirement or until resignation or removal in the manner provided in our bylaws. This helps ensure the continuity of the Board of Directors and effectively makes it more difficult for potential acquirers of the Corporation to acquire control of the Corporation through control of the Board of Directors.

Indemnification of Directors and Officers

Generally, Chapter 8 of the Texas Business Organizations Code (“TBOC”) permits a corporation to indemnify a person who was, is, or is threatened to be made a named defendant or respondent in a proceeding because the person was or is a director or officer if it is determined that such person (1) conducted himself in good faith, (2) reasonably believed (a) in the case of conduct in his official capacity as a director or officer of the corporation, that his conduct was in the corporation’s best interest, or (b) in other cases, that his conduct was not opposed to the corporation’s best interests, and (3) in the case of any criminal proceeding, did not have reasonable cause to believe that his conduct was unlawful. In addition, the TBOC requires a corporation to indemnify a director or officer for any action that such director or officer is wholly successful, on the merits or otherwise, in the defense of the proceeding.

Article 13 of our certificate of formation limits the liability of our directors to the fullest extent permitted by Texas statutory or decisional law. The TBOC currently prohibits the elimination of personal liability for (1) a breach of the director’s duty of loyalty, (2) acts or omissions not in good faith that (a) constitute a breach of the director’s duty to the corporation or (b) involve intentional misconduct or a knowing violation of law, (3) any transaction from which the director derived an improper personal benefit, or (4) acts or omissions for which the liability of a director is expressly provided by an applicable statute.

Our bylaws provide for indemnification rights to our officers and directors to the fullest extent allowed by Texas law. Pursuant to the TBOC and Article 6 of our bylaws, we will indemnify and, under certain circumstances, advance expenses to, any person who was, is, or is threatened to be named as, a defendant or respondent in a proceeding because that person is or was one of our directors or officers or because that person served at our request as a present or former partner, director, officer, venturer, proprietor, trustee, employee, administrator or agent of another corporation, limited liability company, partnership, joint venture, trust or other organization or employee benefit plan. We may also pay or reimburse expenses incurred by any director or officer in connection with that person’s appearance as a witness or other participation in a proceeding at a time when that person is not a named defendant or respondent in that proceeding.

The TBOC authorizes a Texas corporation to purchase and maintain insurance to indemnify or hold harmless an existing or former director, delegate, officer, employee or agent against any liability asserted against and incurred by

the person in that capacity or arising out of the person's status in that capacity, without regard to whether the corporation would have the power to indemnify the person against that liability under Chapter 8 of the TBOC.

Article 6 of our bylaws authorizes us to purchase and maintain insurance on behalf of any person who is or was our director, officer, employee or agent or is or was serving at our request as a partner, director, officer, venturer, proprietor, trustee, employee, administrator or agent of another corporation, limited liability company, partnership or other organization or employee benefit plan, against any expense, liability, or loss asserted against and incurred by such person in such capacity or arising out of such person's status as such, without regard to whether we would otherwise have the power to indemnify such person against such expense, liability or loss under Article 6 of our bylaws or applicable law.

In addition, we maintain insurance policies, which insure our officers and directors against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

USE OF PROCEEDS

We cannot determine the number of shares of Common Stock that will be sold under the Plan or the prices at which such shares will be sold. We intend to use proceeds from the sale of Common Stock for general corporate purposes, including advances to or investments in our Bank. We are unable to estimate the amount of the proceeds that will be devoted to any specific purpose. The principal purpose of the Plan is to provide holders of our Common Stock who elect to participate in the Plan with a convenient and economical method of reinvesting their cash dividends to purchase additional shares of Common Stock.

PLAN OF DISTRIBUTION

Subject to the availability of shares of Common Stock registered for issuance under the Plan, there is no total maximum number of shares that can be issued pursuant to the reinvestment of dividends.

The purchase of Common Stock under the Plan is available to Participants without the payment of brokerage commissions or administrative costs of the Plan. However, should the Participant sell any of the shares acquired under the Plan through a broker or dealer, the Participant will be responsible for payment of any applicable brokerage fees, transfer taxes, and similar charges.

Our Common Stock may not be available under the Plan in all states or jurisdictions. This Prospectus does not constitute an offer to sell, or a solicitation of an offer to buy, any of our Common Stock or other securities in any state or any other jurisdiction to any person to whom it is unlawful to make such offer in such jurisdiction.

SOUTHSIDE BANCSHARES, INC.
DIVIDEND REINVESTMENT PLAN
TERMS AND CONDITIONS

Southside Bancshares, Inc., a Texas corporation (the “Corporation”), has adopted a Dividend Reinvestment Plan (the “Plan”), the terms and conditions of which are set forth below.

I. PURPOSE OF THE PLAN

The purpose of the Plan is to provide the participating shareholders of the Corporation with a convenient method of reinvesting their cash dividends to purchase additional shares of Common Stock of the Corporation.

II. DEFINITIONS

For the purposes of these terms and conditions, the following words or phrases shall have the meanings assigned to them below:

- A. “Authorization Form” shall mean the form or other document designated by the Transfer Agent as the required evidence of a shareholder’s election to participate in the Plan.
- B. “Common Stock” shall mean the \$1.25 par value Common Stock of the Corporation.
- C. “Fair Market Value” shall mean the weighted average purchase price per share for all shares of Common Stock traded on the applicable date, to the extent known to the Corporation, and if no shares were traded on the applicable date, the weighted average price per share for all shares of Common Stock traded on the last day a trade occurred.
- D. “Investment Date” shall mean the date a cash dividend is actually paid by the Corporation.
- E. “Participant” shall mean a record holder of Common Stock of the Corporation who has elected to participate in the Plan by delivering an executed Authorization Form to the Transfer Agent.
- F. “Plan Shares” shall mean shares of Common Stock that have been purchased on behalf of a Participant under the Plan and which are held by the Transfer Agent in a custodial account.
- G. “Record Date” shall mean the date on which a person must be registered as a shareholder on the stock books of the Corporation in order to receive a dividend.
- H. “Transfer Agent” shall mean Computershare Trust Company, Inc. or its successors or assigns.

III. ADMINISTRATION

The Plan shall be administered by the Transfer Agent.

IV. PARTICIPATION

Subject to the provisions of Articles IV, V, XIV and XV herein, all holders of record of the Common Stock of the Corporation are eligible to participate in the Plan. A beneficial owner whose shares are registered in a name other than his own must first become a shareholder of record by having all or a part of such shares transferred into his own name in order to participate directly in the Plan. Alternatively, a beneficial owner can participate in the Plan indirectly by making arrangements with the shareholder of record to participate in the Plan on his behalf.

The Corporation reserves the right not to offer participation in the Plan to those holders of record who reside in jurisdictions which require (i) registration or qualification of the Common Stock to be issued pursuant to the Plan with the securities commission of that jurisdiction, or (ii) registration or qualification of the Corporation or the Transfer Agent, or any of their respective officers or employees, as a broker, dealer, salesman or agent.

V. ENROLLMENT

A shareholder of record may enroll in the Plan at any time, unless (i) the Corporation or the Transfer Agent has reason to believe that such enrollment is not, at such time, permitted under the laws of the jurisdiction in which such shareholder resides or under the laws of the United States, or (ii) the Plan is suspended or terminated as hereinafter provided, by completing and signing an Authorization Form and returning it to the Transfer Agent. If an Authorization Form requesting reinvestment of dividends is received by the Transfer Agent on or before the close of business on the Record Date established for a particular dividend, reinvestment will commence with that dividend. If an Authorization Form is received from a shareholder after the close of business on the Record Date established for a particular dividend, the reinvestment of dividends will begin on the Investment Date following the next Record Date if the shareholder is still a holder of record.

A shareholder who elects to enroll in the Plan may choose to participate with respect to some, but not all shares of Common Stock owned of record by that shareholder. Once a shareholder has enrolled in the Plan, his participation continues with respect to his participating shares until the earlier of: (i) receipt by the Transfer Agent of a written notice of termination from the shareholder, (ii) the shareholder ceasing to be a shareholder of record, or (iii) suspension or termination of the Plan or the Participant's participation in the Plan by the Corporation.

VII. PURCHASES

On each Investment Date, the Corporation will deliver to the Transfer Agent the total amount of dividends payable on each Participant's shares of Common Stock enrolled in the Plan (including Plan Shares). Except as otherwise directed by the Corporation, the Transfer Agent shall use that amount for the purchase from the Corporation out of the Corporation's authorized but unissued shares of Common Stock, a number of shares of Common Stock equal to the dividends payable on each Participant's shares of Common Stock enrolled in the Plan (including Plan Shares) divided by the Fair Market Value of the Common Stock on the Investment Date. Each Participant's account will be credited with the number of whole and fractional shares (calculated to three (3) decimal places) purchased on behalf of the Participant by the Transfer Agent. Participants will become record owners of shares purchased under the Plan as of the Investment Date.

VIII. TEMPORARY CURTAILMENT OF PURCHASES OR SALES

Temporary curtailment or suspension of purchases or sales of shares may be made at any time when such purchases or sales would, in the judgment of the Corporation or the Transfer Agent, contravene or be restricted by applicable regulations, interpretations or orders of the Securities and Exchange Commission, or any other governmental

commission, agency or instrumentality, of any court or securities exchange or of the National Association of Securities Dealers, Inc. Neither the Corporation nor the Transfer Agent shall be accountable or otherwise liable for failure to make purchases or sales at such times.

A-3

IX. STOCK DIVIDENDS AND STOCK SPLITS

In the event of a stock split or stock dividend, shares to be issued in such stock split or stock dividend on Plan Shares will be credited to Participants' Plan accounts on the basis of the whole or fractional shares held in each Plan account.

X. COSTS

All brokerage commissions for purchases of Common Stock and costs of administration of the Plan will be borne by the Corporation; however, a reasonable service charge may be assessed at the time of a Participant's withdrawal from the Plan or at any time a share certificate is requested by a Participant. Participants will be responsible for the entire tax liability associated with the payments of dividends on Plan Shares. Participants will be charged the full actual cost, including any brokerage commissions and transfer taxes, of all shares of Common Stock sold upon a Participant's request from such Participant's account.

XI. REPORTS TO PARTICIPANTS

As soon as practicable after the end of each fiscal quarter of the Corporation, the Transfer Agent will forward to each Participant a quarterly stock ownership statement showing the number of shares purchased on behalf of the Participant pursuant to the Plan. In addition, each Participant will receive the following: (i) annually, Internal Revenue Service Form 1099-DIV; (ii) a copy of the prospectus filed with the Securities and Exchange Commission pursuant to which shares issued under the Plan are registered; and (iii) copies of all reports sent by the Corporation to its shareholders.

XII. VOTING OF SHARES

Each Participant will receive proxy materials for the purpose of voting all whole shares owned of record by the Participant (both Plan Shares and non-Plan Shares) at each meeting of shareholders. Participants may also vote all shares owned by them of record (both Plan Shares and non-plan shares) by voting such shares in person at a meeting of shareholders.

XIII. CERTIFICATES FOR SHARES

Certificates for any whole number of Plan Shares will be issued to Participants upon receipt by the Transfer Agent of a request in writing. A reasonable fee may be charged for each certificate requested. Certificates for fractional shares will not be issued under any circumstances.

Certificates will be issued to Participants upon withdrawal of Plan Shares or upon termination of participation in the Plan. Certificates will be registered in the name or names in which the Participant's account is maintained.

A Participant may not pledge or assign shares held in the Plan. In order to pledge or assign Plan Shares, the Participant must request withdrawal of such Plan Shares from the Plan.

XIV. TERMINATION AND WITHDRAWAL

A Participant may terminate his participation in the Plan at any time by giving written notice of termination to the Transfer Agent; however, any notice received after the close of business on a Record Date shall not be effective until dividends issued on the next Investment Date have been invested and credited to his account. If the written notice of termination is received prior to the close of business on a Record Date, the dividend, which would otherwise have been invested on the next Investment Date, and all subsequent dividends, will be paid in cash to the Participant. Any shareholder who has voluntarily terminated his Participation in the Plan may reenroll at any time by submitting a new Authorization Form to the Transfer Agent.

Within a reasonable time after termination, the Transfer Agent will deliver to the Participant (i) a certificate for all whole Plan Shares held under the Plan, (ii) a check for any uninvested dividends, and (iii) a check in lieu of the issuance of a fractional share equal to the fractional Plan Share multiplied by the Fair Market Value per share of the Common Stock on the date of termination. The Participant may be charged a reasonable fee for issuance of certificates.

If a Participant sells all shares of Common Stock registered in his name, including Plan Shares, the Transfer Agent will terminate his participation in the Plan as of the date that the most recent dividend on such shares was paid to the Participant. The transferee of the Participant's shares must submit a new Authorization Form to the Transfer Agent and request Plan enrollment to participate in the Plan.

If a Participant who is reinvesting the cash dividends on part of the Common Stock registered in his name disposes of a portion of such shares, the Transfer Agent will continue to reinvest the dividends on the remainder of the shares designated by the Participant and on all Plan Shares credited to the Participant's account under the Plan until the Transfer Agent is otherwise notified by the Participant in writing.

If a Participant disposes of all shares of Common Stock registered in his name other than Plan Shares, the Transfer Agent will, unless otherwise instructed by the Participant, continue to reinvest the dividends on the Plan Shares credited to the Participant's account under the Plan. However, if a Participant has only a fractional share of Common Stock credited to his account under the Plan on the Record Date for any cash dividend on the Common Stock, the Corporation reserves the right not to reinvest any additional dividends on such fractional share and pay the Participant in cash for such fractional share and any dividend thereon. The cash payment for the fractional share will be based upon the Fair Market Value of the Common Stock for the business day prior to the date the Corporation elects to make such cash payment to the Participant.

On receipt by the Transfer Agent of proper notice of death or incompetency of a Participant, together with any other form or documentation as may be properly required by the Transfer Agent, such Participant's participation in the Plan will be terminated by the Transfer Agent as if that Participant had withdrawn from the Plan.

XV. SUSPENSION, MODIFICATION OR TERMINATION OF THE PLAN

The Corporation, in its sole discretion, may terminate a Participant's individual participation in the Plan. The Corporation may also for any reason terminate, suspend or modify the Plan or any provisions of the Plan at any time without the approval of the Participants. Participants will be notified, by written notice, of any suspension, modification or termination of the Plan or of the termination of their participation in the Plan.

XVI. INTERPRETATION OF THE PLAN

Any question of interpretation arising under the Plan will be determined by the Board of Directors of the Corporation pursuant to applicable federal and state law and the rules and regulations of all regulatory authorities, and such determination shall be final and binding on all Participants and the Transfer Agent.

A-5

XVII. NOTICES

All communications with or notices to the Participants may be given by letter addressed to the Participant at the Participant's last address of record with the Transfer Agent. The Transfer Agent agrees to give prompt written notice to the Corporation of any change of address.

All communications with or notices required to be given to the Transfer Agent should be addressed to:

Computershare Trust Company, Inc., Transfer Agent

Golden, Colorado 80401

Additional Authorization Forms may be requested and inquiries made about the Plan by writing to the mailing address shown above or by calling the Corporation's Investor Relations Department (903) 531-7220.

XVIII. DUTIES AND RESPONSIBILITIES

Neither the Corporation nor the Transfer Agent shall have any responsibility beyond the exercise of ordinary care for any action taken or omitted pursuant to the Plan, nor shall they have any duties, responsibilities or liabilities except such as are expressly set forth herein. Neither the Corporation nor the Transfer Agent shall be liable for any act done in good faith, or for any good faith omission to act, including, without limitation, any claims of liability (i) with respect to the time or prices at which Common Stock is purchased or sold for a Participant's account, or any inability to purchase or sell Common Stock, for any reason, (ii) for any fluctuation in the market value after purchase or sale of Common Stock, or (iii) arising out of failure to terminate a Participant's account upon such Participant's death prior to receipt of notice in writing of his or her death.

XIX. GOVERNING LAW

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS APPLYING TO CONTRACTS ENTERED INTO AND TO BE PERFORMED WITHIN THE STATE OF TEXAS, WITHOUT REGARD FOR THE PROVISIONS THEREOF REGARDING CHOICE OF LAW.

XX. NO TERMINATION BY OPERATION OF LAW

The delivery by a Participant of a signed Authorization Form to the Transfer Agent shall constitute an irrevocable appointment of the Transfer Agent as such Participant's agent, which appointment can be terminated by terminating such Participant's account in the manner provided in Article XIV. The authority conferred by the Authorization Form shall not be terminated by operation of law, whether by the death or incapacity of the Participant, the termination of any trust, the dissolution of any corporation or the occurrence of any other event.

XXI. GENDER AND NUMBER

Except when otherwise indicated by the context, the masculine gender shall also include the feminine gender, and the definition of any term herein in the singular shall also include the plural.

Item 15. Indemnification of Directors and Officers.

Generally, Chapter 8 of the Texas Business Organizations Code ("TBOC") permits a corporation to indemnify a person who was, is, or is threatened to be made a named defendant or respondent in a proceeding because the person was or is a director or officer if it is determined that such person (1) conducted himself in good faith, (2) reasonably believed (a) in the case of conduct in his official capacity as a director or officer of the corporation, that his conduct was in the corporation's best interest, or (b) in other cases, that his conduct was not opposed to the corporation's best interests, and (3) in the case of any criminal proceeding, did not have reasonable cause to believe that his conduct was unlawful. In addition, the TBOC requires a corporation to indemnify a director or officer for any action that such director or officer is wholly successful, on the merits or otherwise, in the defense of the proceeding.

Article 13 of the Registrant's certificate of formation limits the liability of directors of the Registrant to the fullest extent permitted by Texas statutory or decisional law. The TBOC currently prohibits the elimination of personal liability for (1) a breach of the director's duty of loyalty, (2) acts or omissions not in good faith that (a) constitute a breach of the director's duty to the corporation or (b) involve intentional misconduct or a knowing violation of law, (3) any transaction from which the director derived an improper personal benefit, or (4) acts or omissions for which the liability of a director is expressly provided by an applicable statute.

The Registrant's bylaws provide for indemnification rights to its officers and directors to the fullest extent allowed by Texas law. Pursuant to the TBOC and Article 6 of the Registrant's bylaws, the Registrant will indemnify and, under certain circumstances, advance expenses to, any person who was, is, or is threatened to be named as, a defendant or respondent in a proceeding because that person is or was one of the Registrant's directors or officers or because that person served at its request as a present or former partner, director, officer, venturer, proprietor, trustee, employee, administrator or agent of another corporation, limited liability company, partnership, joint venture, trust or other organization or employee benefit plan. The Registrant may also pay or reimburse expenses incurred by any director or officer in connection with that person's appearance as a witness or other participation in a proceeding at a time when that person is not a named defendant or respondent in that proceeding.

The TBOC authorizes a Texas corporation to purchase and maintain insurance to indemnify or hold harmless an existing or former director, delegate, officer, employee or agent against any liability asserted against and incurred by the person in that capacity or arising out of the person's status in that capacity, without regard to whether the corporation would have the power to indemnify the person against that liability under Chapter 8 of the TBOC.

Article 6 of the Registrant's bylaws authorizes it to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Registrant or is or was serving at the request of the Registrant as a partner, director, officer, venturer, proprietor, trustee, employee, administrator or agent of another corporation, limited liability company, partnership or other organization or employee benefit plan, against any expense, liability, or loss asserted against and incurred by such person in such capacity or arising out of such person's status as such, without regard to whether the Registrant would otherwise have the power to indemnify such person against such expense, liability or loss under Article 6 of the Registrant's bylaws or applicable law.

In addition, the Registrant maintains insurance policies, which insure its officers and directors against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
