Board of Directors and Stockholders
One Liberty Properties, Inc.

We have audited the statement of revenues and certain expenses of eleven properties leased by Haverty Furniture Companies, Inc. ("Haverty's") as described in Note 1 to be acquired by a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company") for the year ended December 31, 2005. The statement of revenues and certain expenses is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. We were not engaged to perform an audit of Haverty's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Haverty's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of revenues and certain expenses presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in Form 8-K/A of One Liberty Properties, Inc. and is not intended to be a complete presentation of Haverty's revenues and certain expenses.

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses of Haverty's as described in Note 1 for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

Haverty's Furniture Stores
Notes to Statements of Revenues and Certain Expenses

1. Organization and Basis of Presentation

Presented herein is the statement of revenues and certain expenses related to the operation of eleven retail properties leased by Haverty Furniture Companies, Inc. (the "Properties"). The Properties have approximately 612,130 square feet of leaseable space. The Properties were purchased on April 7, 2006 by a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company").

The accompanying statement of revenues and certain expenses has been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the statement of revenues and certain expenses exclude certain expenses that may not be comparable to those expected to be incurred in the future operations of the aforementioned property. Items excluded consist of interest, depreciation and amortization.

2. Use of Estimates

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K/A

The preparation of the statement of revenues and certain expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statement of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

3. Concentration of Credit Risk

The Properties are leased to a single tenant, Haverty Furniture Companies, Inc. (the "Tenant"), which occupies 100% of the Properties' total gross leaseable area under a triple-net lease. Therefore, the Properties' results of operations are significantly dependent on the overall health of the Tenant and the furniture industry.

4. Revenue Recognition

The lease with the Tenant is accounted for as an operating lease. Base rent is recognized on a straight-line basis over the lease term. The rent recognized exceeded the contractual rent amount due pursuant to the underlying lease by \$380,811 and \$95,203 for the year ended December 31, 2005 and the (unaudited) three months ended March 31, 2006, respectively.

3

Haverty's Furniture Stores Notes to Statements of Revenues and Certain Expenses (Continued)

5. Future Minimum Rents

Future minimum lease payments to be received by the Properties as of December 31, 2005 under a noncancellable operating lease are as follows:

2006	\$ 4,066,148
2007	4,157,636
2008	4,310,116
2009	4,310,116
2010	4,310,116
Thereafter	54,061,792

	\$75,215,924
	=====

6. Real Estate Management Agreement

Asset management fees were calculated at a percent of acquisition cost and paid to U.S. Realty Advisors, LLC during the year ended December 31, 2005 and three months ended March 31, 2006.

7. Interim Unaudited Financial Information

The statement of revenues and certain expenses for the three months ended March 31, 2006 is unaudited, however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the statement of revenues and certain expenses for the interim

period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.

(Unaudited)

On April 7, 2006, a wholly-owned subsidiary of One Liberty Properties, Inc. (the "Company") acquired, in an arms length transaction, eleven retail furniture properties located in six states (the "Properties").
