The figure of **2,717,710,074** may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, National Grid plc under the FSA's Disclosure and Transparency Rules.

Note: This notification confirms actual voting capital as recorded on the register at the above date, allowing for share issues or cancellations recorded since the last notification. National Grid is currently undertaking a share repurchase (and cancellation) programme. Where repurchases are made, separate covering announcements will, as required, identify numbers being repurchased and the supporting details indicate resultant share capital after market settlement and cancellation of the shares involved (and any earlier repurchases which remain to be cancelled).
