BCE confirms discussions with CGI

Montreal, Quebec, December 18, 2002-- BCE Inc. (BCE) (TSX:BCE; NYSE: BCE) today

## Edgar Filing: BCE INC - Form 6-K

confirmed that it has commenced discussions with CGI Group Inc. (CGI) (TSX: GIB.A; NYSE: GIB) on the future of BCE's investment in CGI.

BCE has informed CGI that its prior publicly stated intentions, to dispose of the control block in CGI following the exercise of the put and call rights in 2003 and 2004, is no longer BCE's preferred course of action. While no final decisions have been made, BCE and CGI have commenced discussions to develop a plan with the following objectives:

- (i) to realize the maximum value of BCE's investment in CGI; and
- (ii) to enhance the value of CGI by ensuring the continuity of CGI's management and CGI's ability to deliver high quality services to its customers.

BCE also informed CGI that if BCE were to divest a portion of its investment in CGI, this would be done in an orderly manner.

BCE confirmed that the existing commercial alliance between BCE and CGI will be maintained, including the various outsourcing and consulting services agreements provided by CGI to the BCE companies.

In order to allow appropriate time for these discussions, CGI's Majority Shareholders have agreed with BCE to defer until April 15, 2003 the exercise date of the put rights held by CGI's majority shareholders contained in the Options Agreement entered into between the Majority Shareholders, BCE, Bell Canada and CGI in 1998. Except for this deferral, the Options Agreement remains unchanged.
