2003. For the nine months ended December 31, 2004, the registrant expects to report that it incurred an operating loss of \$917,000 compared to operating income of \$864,000 for the nine months ended December 31, 2003. The losses for the three and nine months ended December 31, 2004 were primarily a result of losses associated with the start-up of a new enterprise maintenance contract and certain unanticipated service delivery costs which exceeded the estimates the registrant utilized in pricing this contract.

For the nine months ended December 31, 2004, the registrant expects to report that it incurred a net income loss of \$900,000 compared to a net income of \$405,000 for the nine months ended December 31, 2003.
