ITEM 1.01 Entry into a Material Definitive Agreement

On January 15, 2010, CalAmp Corp. (the "Company") raised \$3,075,000 from the second round issuance of subordinated promissory notes pursuant to a Joinder Agreement that was entered into with the six investors (the "Second Round Purchasers") listed in Schedule II of that agreement. The Joinder Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The first round issuance of subordinated notes in the aggregate principal amount of \$1,925,000 occurred on December 22, 2009 pursuant to a Subordinated Note and Warrant Purchase Agreement (the "Note Purchase Agreement"), as described in a Form 8-K filed on December 29, 2009. Pursuant to the Joinder Agreement, the Second Round Purchasers became parties to the Note Purchase Agreement. The subordinated notes issued in the second round, like those issued in the first round, bear interest at 12% per annum and have a maturity date of December 22, 2012. Interest is payable semiannually on the last day of June and December, and all subordinated note principal is payable at the maturity date. Also on January 15, 2010, the Company issued a total of 307,500 common stock purchase warrants to the Second Round Purchasers at an exercise price of \$4.02 per share, which is the same as the exercise price of the 192,500 warrants issued with the first round subordinated notes. The subordinated notes and warrants issued in both the first and second rounds were sold in private placement transactions, have not been registered under the Securities Act of 1933, as amended, and were not and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

Pursuant to the Joinder Agreement, the Second Round Purchasers also became a party to a Registration Rights Agreement, dated December 22, 2009. Under this Registration Rights Agreement, if the Company registers any shares of its common stock, it will use reasonable efforts to effect the registration of the shares of common stock underlying the warrants.

B. Riley & Co. LLC, the Company's financial advisor, will be paid a placement fee of \$45,000 in connection with the issuance of subordinated notes on January 15, 2010.

The foregoing description is qualified in its entirety by reference to the Joinder Agreement attached as Exhibit 10.1 and incorporated herein by reference. This Joinder Agreement has been included to provide investors with information regarding their terms and is not intended to provide any other factual information about the Company.

ITEM 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The Company has disclosed in Item 1.01 above the information relating to the Company's direct financial obligations under the Joinder Agreement dated January 15, 2010.

ITEM 3.02 Unregistered Sales of Equity Securities

On January 15, 2010, the Company issued warrants to purchase shares of the Company's common stock. The information set forth in Item 1.01 above with respect to the warrants and the shares of common stock issuable upon exercise thereof is incorporated by reference in this Item 3.02.

The Company issued these securities in reliance upon an exemption from registration under Rule 506 of Regulation D or Section 4(2) of the Securities Act of 1933, as amended. The Company agreed that if it registers any shares of its common stock, it will use commercially reasonable efforts to effect the
