PROXY STATEMENT

FOR THE

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 10, 2018

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS, ANNUAL MEETING AND VOTING

1. Why am I receiving these materials?

We are providing this meeting notice, proxy statement and proxy card (the “Proxy Materials”) in connection with the solicitation by the Board of Directors of Rubicon Technology, Inc., a Delaware corporation (“Rubicon,” the “Company,” “we,” “us,” or “our”), of proxies to be voted at our 2018 Annual Meeting of Stockholders (the “Annual Meeting”). The proxies also may be voted at any continuations, adjournments or postponements of the Annual Meeting. This proxy statement contains information you may use when deciding how to vote in connection with the Annual Meeting. We are first sending the Proxy Materials to stockholders on or about April 11, 2018.

2. When and where is the Annual Meeting, and who may attend?

The Annual Meeting will be held on May 10, 2018 at 8:30 a.m. local time, at 900 East Green Street, Bensenville, Illinois 60106. Stockholders who are entitled to vote and our invited guests may attend the Annual Meeting.

3. What do I need to attend the Annual Meeting?

Stockholders of Record. If you are a “stockholder of record” and plan to attend the Annual Meeting, please bring photo identification.

Beneficial Owners. If you are a “beneficial owner” and you plan to attend the Annual Meeting, you must present proof of your ownership of shares of our common stock as of March 21, 2018, such as a bank or brokerage account statement or a letter from the bank, broker or other nominee indicating that you are the beneficial owner of the shares, as well as photo identification. If you wish to vote at the Annual Meeting, you must also obtain a signed proxy from your bank, broker, trustee or other nominee who holds the shares on your behalf in order to cast your vote.

The answer to Question 11 describes the difference between stockholders of record and beneficial owners.

4. What proposals are being presented for stockholder vote at the Annual Meeting?

There are four proposals from Rubicon to be considered and voted on at the Annual Meeting:

1. Proposal 1: To elect Timothy Brog and Michael Mikolajczyk as directors to serve for a three-year term (see page 8).

2. Proposal 2: To approve an amendment to our Certificate of Incorporation to decrease our authorized number of shares of preferred stock from 5 million (5,000,000) to 1 million (1,000,000) (see page 11).

3. Proposal 3: To ratify the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 (see page 12).

4. Proposal 4: To approve, on a non-binding advisory basis, the compensation of our named executive officers (Say-on-Pay) (see page 14).

5. How does the Board of Directors recommend that I vote?

Our Board recommends that you vote your shares:

FOR the election of the Board's nominees, Timothy Brog and Michael Mikolajczyk, as directors for a three-year term;

FOR the approval of an amendment to our Certificate of Incorporation to decrease our authorized number of shares of preferred stock from 5 million (5,000,000) to 1 million shares of our preferred stock;

FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018; and

FOR the resolution approving the compensation of our named executive officers (Say-on-Pay).

6. Are there any other matters to be acted upon at the Annual Meeting?

We do not expect any matters to be presented for action at the Annual Meeting other than the matters described in this proxy statement. If any matters not set forth in the meeting notice included in the Proxy Materials are properly brought before the Annual Meeting, the persons named in the enclosed proxy card will have the discretion to vote on those matters for you.

7. Who is entitled to vote at the Annual Meeting?

You are entitled to vote at the Annual Meeting if you owned shares of our common stock as of the close of business on the record date, March 21, 2018. Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting and there is no cumulative voting. As of March 21, 2018, we had 2,739,691 shares of common stock outstanding. Both Delaware law and our Second Amended and Restated Bylaws (our “bylaws”) require our Board to establish a record date in order to determine who is entitled to receive notice of the Annual Meeting, and to vote at the Annual Meeting and any continuations, adjournments or postponements thereof.

8. How many stockholders must be present to hold the Annual Meeting?

Under Delaware law and our bylaws, holders of a majority of our outstanding shares of common stock as of the close of business on March 21, 2018 must be present in person or represented by proxy at the Annual Meeting. This is referred to as a quorum. The inspector of election will determine whether a quorum is present at the Annual Meeting. As of March 21, 2018, we had 2,739,691 shares of common stock outstanding. Accordingly, the presence of the holders of common stock representing at least 1,369,846 shares will be required to establish a quorum. Your shares are counted as present if you attend the Annual Meeting and vote in person or if you properly return a proxy over the Internet, by telephone or by mail. Abstentions and broker non-votes, if any, will be counted for purposes of establishing a quorum.

9. What happens if I do not submit voting instructions for a proposal? What is discretionary voting? What is a broker non-vote?

If you properly complete, sign, date and return a proxy card or voting instruction form, your shares of our common stock will be voted as you specify. If you are a stockholder of record and you sign and return a proxy card, but make no specifications on such proxy card, your shares of our common stock will be voted in accordance with the

recommendations of our Board, as provided above. If you are a beneficial owner and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares of our common stock for you, your shares of our common stock will not be voted with respect to any proposal for which the stockholder of record does not have discretionary authority to vote. Rules of the New York Stock Exchange (“NYSE”) determine whether proposals presented at stockholder meetings are “discretionary” or “non-discretionary.” If a proposal is determined to be discretionary, your bank, broker, trustee or other nominee is permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. If a proposal is determined to be non-discretionary, your bank, broker, trustee or other nominee is not permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. A “broker non-vote” occurs when a bank, broker, trustee or other nominee holding shares for a beneficial owner returns a valid proxy, but does not vote on a particular proposal because it does not have discretionary authority to vote on the matter and has not received voting instructions from the stockholder for whom it is holding shares.

10. How many votes are needed to approve the proposals? What is the effect of abstentions and broker non-votes on the outcome of the proposals?

Proposal	Voting Options	Vote Required to Adopt the Proposal	Effect of Abstentions	Effect of Broker Non-Votes
1: Election of two directors	For or withhold	Affirmative vote of a plurality of the shares present in person or by proxy and entitled to vote	N/A	No effect
2: Approval of amendment to our Certificate of Incorporation to decrease our authorized number of shares of preferred stock	For, against or abstain	Affirmative vote of a majority of the shares of common stock outstanding and entitled to vote	Treated as votes against	Treated as votes against
3: Ratification of the selection of our independent registered public accounting firm	For, against or abstain	Affirmative vote of a majority of the shares of common stock present in person or by proxy and entitled to vote	Treated as votes against	No effect
4: Approval, on a non-binding advisory basis, of executive compensation (Say-on-Pay)	For, against or abstain	Affirmative vote of a majority of the shares of common stock present in person or by proxy and entitled to vote	Treated as votes against	No effect

Our directors are elected by a plurality of the shares of our common stock present in person or by proxy and entitled to vote. At the Annual Meeting, two director seats are up for election. That means the director candidates receiving the highest number of “FOR” votes will be elected. Under our bylaws, all other matters require the affirmative vote of the holders of a majority of the shares of our common stock present in person or by proxy and entitled to vote, except as otherwise provided by statute, our Certificate of Incorporation or our bylaws. A properly executed card marked “WITHHOLD” with respect to the election of a director nominee will be counted for purposes of determining whether there is a quorum at the Annual Meeting, but will not be considered to have been voted on the director election.

11. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered in your name on the books and records of our transfer agent, you are a “stockholder of record.” Rubicon sent the proxy materials directly to you.

If your shares are held for you in the name of your bank, broker, trustee or other nominee, your shares are held in “street name” and you are considered the “beneficial owner.” The proxy materials have been forwarded to you by your bank, broker, trustee or other nominee, who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your bank, broker, trustee or other nominee on how to vote your shares by using the voting instruction form provided by your nominee. The answer to Question 10 describes brokers’ discretionary voting authority and when your bank, broker, trustee or other nominee is permitted to vote your shares without instructions from you. The answer to Question 3 describes how beneficial owners may attend the Annual Meeting.

12. How do I vote?

Stockholders of Record. If you are a Stockholder of Record you may vote in person at the Annual Meeting or by one of the following methods:

By Telephone. Call the toll-free telephone number on the proxy card (1-800-690-6903) and follow the recorded instructions.

By Internet. Access the secure Internet website registration page noted on the proxy card and follow the instructions.

Edgar Filing: FIRST KEYSTONE CORP - Form 8-K

By Mail. Complete, sign, date and return the enclosed proxy card in the postage-paid envelope provided.

Please refer to the specific instructions set forth on the proxy card you received.

If you are a Stockholder of Record, you may vote in person at the Annual Meeting, by accessing the secure Internet website registration page identified on the Notice of Internet Availability of Proxy Materials and following the instructions, or by mail or telephone if you request a printed copy of the Proxy Materials by calling the toll-free telephone number set forth on the Notice of Internet Availability of Proxy Materials (1-800-579-1639). Please refer to the specific instructions set forth in the Notice of Internet Availability of Proxy Materials you received.

Please note that the Internet and telephone voting facilities for Stockholders of Record will close at 11:59 p.m. Eastern Time on May 9, 2018. The individuals named as proxies on the proxy card will vote your shares in accordance with your instructions.

Beneficial Owners. If your shares of our common stock are held in a stock brokerage account by a bank, broker, trustee or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your bank, broker, trustee or other nominee that is considered the stockholder of record of those shares. As the beneficial owner, you have the right to direct your bank, broker, trustee or other nominee on how to vote your shares of our common stock via the Internet or by telephone, if the bank, broker, trustee or other nominee offers these options or by completing, signing, dating and returning a voting instruction form. Your bank, broker, trustee or other nominee will send you instructions on how to submit your voting instructions for your shares of our common stock. If you wish to vote in person at the Annual Meeting, you must obtain a signed proxy from your bank, broker, trustee or other nominee who holds the shares on your behalf in order to cast your vote. For a discussion of the rules regarding the voting of shares of our common stock held by beneficial owners, please see the question above titled “What happens if I do not submit voting instructions for a proposal? What is discretionary voting? What is a broker non-vote?”

13. What can I do if I change my mind after I vote my shares?

If you are a stockholder of record, you can revoke your proxy before it is counted by (1) sending written notice of revocation that is dated later than the date of your proxy to Mardel A. Graffy, our Secretary, at 900 East Green Street, Bensenville, Illinois 60106, (2) timely delivering a valid, later-dated proxy that we receive no later than the conclusion of voting at the Annual Meeting, or (3) if you are present at the Annual Meeting, either voting in person or notifying the Secretary in writing at the Annual Meeting of your wish to revoke your proxy. Your attendance alone at the Annual Meeting will not be enough to revoke your proxy.

If you are a beneficial owner of shares of our common stock, you may submit new voting instructions by contacting your bank, broker, trustee or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described in the answer to Question 12.

14. What if I do not specify a choice for a matter when returning a proxy?

Proxies that are signed and returned but do not contain voting instructions will be voted (1) “FOR” the election of Timothy Brog and Michael Mikolajczyk to a three-year term; (2) “FOR” the approval of an amendment to our Certificate of Incorporation to decrease our authorized number of shares of preferred stock to 1 million shares of our preferred stock outstanding; (3) “FOR” the ratification of Marcum LLP as our independent registered accounting firm for the fiscal year ending December 31, 2018; and (4) “FOR” on a non-binding advisory basis, the compensation of our named executive officers (Say-on-Pay) see Question 15 below.

If necessary, and unless the shares represented by the proxy are voted in a manner contrary to the manner described in the preceding paragraph, the persons named in the proxy may also vote in favor of a proposal to recess the Annual Meeting and to reconvene it on a subsequent date or dates, without further notice, in order to solicit and obtain sufficient votes to approve or disapprove any matters being considered at the Annual Meeting.

15. Will my shares be voted if I do not provide my proxy or instruction form?

If you are a Stockholder of Record and do not provide a proxy, you must attend the Annual Meeting in order to vote. If you are a Beneficial Owner and hold shares through an account with a bank or broker, your shares may be voted on certain matters if you do not provide voting instructions. Brokerage firms have the authority under the New York Stock Exchange rules to vote shares for which their customers do not provide voting instructions on routine matters. The ratification of the selection of independent auditors is considered a routine matter. The election of directors, the vote to amend the Company's Certificate of Incorporation and the advisory vote on executive compensation are not considered routine matters. When a proposal is not routine and the brokerage firm has not received voting instructions from the beneficial owner, the brokerage firm cannot vote the shares on that proposal. This is called a broker non-vote. We urge you to give voting instructions to your broker on "Proposal 1—Election of Directors", "Proposal 2-Approval of Amendment to the Company's Certificate of Incorporate to Reduce the Number of Authorized Preferred Shares" and "Proposal 4— Advisory Vote on Executive Compensation."

16. What does it mean if I receive more than one proxy card?

If you received multiple proxy cards, it means that you hold your shares in different ways (e.g., trust, custodial accounts, joint tenancy) or in multiple accounts. You should complete, sign, date and return your proxy card(s), as described in each proxy card you received.

17. Who will pay for the cost of this proxy solicitation and how will the Company solicit votes?

We pay all expenses incurred in connection with this solicitation of proxies to vote at the Annual Meeting. In addition to solicitation by mail, some of our directors, officers and employees may solicit proxies in person or by telephone at no additional compensation. We will also request banks, brokers, trustees and other nominees holding shares of our common stock beneficially owned by others to forward these proxy materials to the beneficial owners and upon request we will reimburse such nominees for the customary costs of forwarding the proxy materials.

PROPOSAL 1: ELECTION OF DIRECTORS

Our bylaws permit our Board of Directors to establish by resolution the authorized number of directors. Our Board of Directors currently consists of four directors, who are divided into three classes with staggered three-year terms. The current terms of our Class II directors— Timothy Brog and Michael Mikolajczyk— will expire at this Annual Meeting. Following the recommendation of the Nominating and Governance Committee, the Board of Directors recommends the re-election of Messrs. Brog and Mikolajczyk, each for a three-year term.

The individuals named as proxies on the enclosed proxy card intend to vote your shares of common stock for the election of Messrs. Brog and Mikolajczyk, the nominees proposed by the Board, unless otherwise directed. Messrs. Brog and Mikolajczyk have consented to serving as a nominee and being named as a nominee in this proxy statement, and to serving as a director if elected at the Annual Meeting. However, if, contrary to our present expectations, Messrs. Brog and Mikolajczyk are unable to serve or for good cause will not serve, your proxy will be voted for a substitute nominee designated by our Board of Directors, unless otherwise directed.

All of our directors bring to our Board of Directors a wealth of executive leadership experience derived from their service as corporate executives as well as service as directors on other boards. When evaluating director candidates, the Nominating and Governance Committee takes into account all factors it considers appropriate, which include (i) ensuring that the Board of Directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, and financial expertise (including expertise that could qualify a director as a “financial expert,” as that term is defined by the rules of the SEC), and (ii) minimum individual qualifications, including strength of character, mature judgment, familiarity with the Company’s business and industry and independence of thought. The Nominating and Governance Committee also considers geographical, cultural, experiential and other forms of diversity when evaluating director candidates. In addition, the Nominating and Governance Committee also may consider the extent to which the candidate would fill a present need on the Board of Directors. Information about Messrs. Brog and Mikolajczyk and the rest of our current directors, including their business experience for the past five years, appears below.

PROPOSAL 2: DECREASE IN NUMBER OF AUTHORIZED SHARES OF PREFERRED STOCK

Overview

Our Certificate of Incorporation currently provides that 5 million shares of preferred stock are authorized for issuance. Our Board has unanimously approved and recommended to our stockholders for approval an amendment to our Certificate of Incorporation to decrease our authorized number of shares of preferred stock. The proposed amendment would reduce our authorized preferred shares to 1 million shares.

Our Board reserves the right to elect not to proceed with this proposed amendment to our Certificate of Incorporation if, at any time prior to its filing, our Board, in its sole discretion, determines that it is no longer in our best interests or the best interests of our stockholders to decrease our authorized number of shares of preferred stock.

The proposed amendment to our Certificate of Incorporation to decrease the number of our authorized shares preferred stock is substantially in the form set forth in Appendix A to this proxy statement.

Reasons for Decrease in Authorized Shares of Preferred Stock

Our Board has determined that the proposed decrease in the authorized number of shares of our preferred stock is in the Company's and our stockholders' best interests because the Company believes it will reduce Company expenses. The Company believes that 1 million shares of preferred stock is sufficient to meet its needs for equity financing, stock splits and stock dividends, employee equity incentives or other corporate purposes as may be deemed by the Board of Directors to be in the best interest of the Company and its stockholders from time to time. At present, our Board has no immediate plans, arrangements or understandings to issue shares of preferred stock.

Certain Risks and Potential Disadvantages Associated with the Decrease in Authorized Preferred Stock

The proposed decrease in the authorized number of shares of our preferred stock could have an adverse effect on us because the Board will have less ability to issue shares of preferred stock in connection with a potential merger or acquisition, or capital raising transaction. Authorized but unissued shares of our preferred stock are available for future issuance as may be determined by our Board without further action by our stockholders, unless stockholder

approval is required by applicable law or securities exchange listing requirements in connection with a particular transaction. These additional shares may be issued in the future for a variety of corporate purposes including, but not limited to, raising additional capital, corporate acquisitions and equity incentive plans. Future issuances of shares of preferred stock could have the effect of making it more difficult for a third party to acquire control of our Company. In addition, the issuance of additional shares, or the perception that additional shares may be issued could also adversely affect the market price of our common stock.

Effective Time of Decrease in Authorized Shares of Preferred Stock

Following stockholder approval of this Proposal 3, the decrease in authorized shares of preferred stock would become effective upon the filing of a certificate of amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware, or such later effective time as is specified in such certificate of amendment as permitted under Delaware law. The exact timing of the amendment will be determined by our Board based on its evaluation as to when such action will be the most advantageous to us and our stockholders. Our Board reserves the right, notwithstanding stockholder approval and without further action by the stockholders, to elect not to proceed with the amendment to decrease the authorized number of shares if, at any time prior to filing the amendment to our Certificate of Incorporation, our Board, in its sole discretion, determines that it is no longer in our best interests or the best interests of our stockholders to decrease the authorized number of shares of preferred stock.

If the amendment is filed, at the effective time of the amendment, shares of our preferred stock authorized for issuance will be decreased to 1 million shares.

Recommendation of the Board of Directors

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO DECREASE THE AUTHORIZED NUMBER OF SHARES OF OUR PREFERRED STOCK.

PROPOSAL 3:

**RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

After soliciting and considering proposals from several firms including Grant Thornton LLP (“Grant Thornton”), on December 28, 2017, the Audit Committee of the Board of Directors dismissed Grant Thornton as the Company’s independent registered public accounting firm and approved the selection of Marcum LLP (“Marcum”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017 and engaged Marcum as of December 28, 2017.

The Audit Committee of the Board of Directors has selected Marcum LLP (“Marcum”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018 and is submitting this matter to the stockholders for ratification at the Annual Meeting. One or more representatives of Marcum will be present at the Annual Meeting to make a statement if they desire to do so and to be available to respond to appropriate questions that may be asked by stockholders.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of Marcum as our independent registered public accounting firm. However, the Board is submitting the selection of Marcum to the stockholders for ratification as a matter of good corporate practice. In the event the proposal to ratify the selection of Marcum is defeated, the adverse vote will be considered as a direction to the Board to select another independent registered public accounting firm for the next fiscal year ending December 31, 2019. However, because of the expense and difficulty in changing independent registered public accounting firms after the beginning of a year, the Board intends to allow the appointment of Marcum for the fiscal year ending December 31, 2018 to stand unless the Board finds other reasons for making a change.

During the Company’s fiscal years ended December 31, 2015 and 2016 and the subsequent interim period through December 28, 2017, neither the Company, nor anyone acting on its behalf, consulted Marcum regarding (1) the application of accounting principles to a specified transaction, either completed or proposed; (2) the type of audit opinion that might be rendered on the Company’s financial statements, and Marcum did not provide any written report or oral advice that Marcum concluded was an important factor considered by the Company in reaching a decision as any such accounting, auditing, or financial reporting issue; or (3) any matter that was either the subject of a “disagreement” as that term is defined in Item 304(a)(1)(iv) and the related instructions to Item 304 of Regulation S-K or a “reportable event” as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

During the Company's fiscal years ended December 31, 2015 and 2016 and the subsequent interim period through December 28, 2017, there were: (1) no disagreements as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, between the Company and Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Grant Thornton would have caused it to make reference thereto in its reports on the Company's financial statements for such years; and (2) no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K. Grant Thornton's audit reports on the Company's consolidated financial statements for the fiscal year ended December 31, 2016 and 2015 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

The Company provided Grant Thornton a copy of its disclosures when it first reported its change in certifying accountant on Form 8-K dated January 2, 2018 and requested that Grant Thornton furnish a letter addressed to the Securities and Exchange Commission stating whether or not it agreed with the Company's statements and if not, stating the respects in which it did not agree. A copy of the letter dated December 28, 2017, is filed as Exhibit 16.1 to the Company's Current Report on Form 8-K filed with the SEC on January 2, 2018. A representative of Grant Thornton is not expected to be present at the Annual Meeting.

Audit Fees

The aggregate fees billed by Marcum for audit services (audit of the Company's annual financial statements and assistance with and review of SEC filings) for fiscal 2017 was \$83,000.

The aggregate fees billed by Grant Thornton for audit services (audit of the Company's annual financial statements, reviews of the Company's interim unaudited financial statements, and assistance with and review of SEC filings) for fiscal 2017 and fiscal 2016 were \$94,201 and \$282,044, respectively.

Audit-Related Fees

There were no audit-related fees billed by Marcum in fiscal 2017. There were no audit-related fees billed by Grant Thornton in fiscal 2017 or fiscal 2016.

Tax Fees

There were no such fees billed by Grant Thornton or Marcum in fiscal 2017. The aggregate fees billed by Grant Thornton in fiscal 2016 for tax planning services were \$12,480.

All Other Fees

There were no other fees billed by Marcum in fiscal 2017 or Grant Thornton in fiscal 2017 or fiscal 2016 for any other services.

Pre-Approval Policy and Procedures

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee is required to pre-approve all auditing services and permissible non-audit services, including related fees and terms, to be performed for the Company by its independent registered public accounting firm subject to the de minimis exceptions for non-audit services described under the Exchange Act, which are approved by the Audit Committee prior to the completion of the audit. In fiscal 2017 and fiscal 2016, the Audit Committee pre-approved all audit and non-audit services provided to the Company by its independent registered public accounting firm.

Vote Required

Approval of this proposal requires the affirmative vote of a majority of the shares of our common stock present in person or by proxy and entitled to vote. For more information on the voting requirements, see “Questions and Answers about the Proxy Materials, Annual Meeting and Voting.”

Recommendation of the Board of Directors

PROPOSAL 4:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Overview

The Company is providing its stockholders an advisory vote on executive compensation as required by Section 14A of the Exchange Act and Rule 14a-21 promulgated thereunder. The advisory vote on executive compensation is a non-binding vote to approve the compensation of the Company's named executive officers, as disclosed pursuant to SEC rules in this proxy statement, including the compensation tables and the accompanying narrative disclosure. The advisory vote on executive compensation is not a vote on the Company's general compensation policies or compensation of the Board of Directors.

The Company's executive compensation programs are designed to attract, motivate and retain highly qualified executive officers who are able to achieve corporate objectives and create stockholder value. The Compensation Committee believes the Company's executive compensation programs reflect a strong pay-for-performance philosophy and are well aligned with the stockholders' long-term interests. The Compensation Committee believes the Company's executive compensation programs have been effective at incentivizing the achievement of improved financial performance and returns to stockholders.

At our 2017 annual meeting of stockholders, the Company's stockholders approved a one-year frequency for the stockholder advisory vote to approve executive compensation. While the stockholder vote on the frequency of future advisory votes on executive compensation is not binding, the Board will take it into consideration when determining the frequency of future advisory votes to approve executive compensation.

Stockholders are being asked to vote on the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to SEC rules in this proxy statement, including the compensation tables and accompanying narrative disclosure under "Executive Compensation," is hereby **APPROVED**.

While this advisory vote on executive compensation is not binding on the Board of Directors, the Board of Directors will take into account the result of the vote when determining future executive compensation arrangements.

Vote Required

Approval of this proposal requires the affirmative vote of a majority of the shares of our common stock present in person or by proxy and entitled to vote. For more information on the voting requirements, see “Questions and Answers about the Proxy Materials, Annual Meeting and Voting.”

Recommendation of the Board of Directors

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE RESOLUTION APPROVING EXECUTIVE COMPENSATION.

CORPORATE GOVERNANCE

DIRECTOR INDEPENDENCE

Our Board of Directors undertook a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board of Directors determined that Messrs. Mikolajczyk, Gramm and Ms. Westphal are independent under the standards for director independence adopted by the Board of Directors and are “independent directors” as defined under the rules of the NASDAQ Stock Market. Based on the foregoing, our Board of Directors has concluded that a majority of our Board of Directors has been independent during the periods covered by this proxy statement, as required by the rules of the NASDAQ Stock Market. The standards for director independence adopted by the Board of Directors are available for review on our website www.rubicontechtechnology.com.

BOARD OF DIRECTORS LEADERSHIP STRUCTURE

Our Board of Directors is led by an independent Chairman, Mr. Mikolajczyk. The Board has determined that having an independent Chairman is in the best interest of the Company’s stockholders at this time and adopted a formal policy to that effect on December 14, 2016. The Board believes that this leadership structure is appropriate because it strikes an effective balance between management and independent director participation in the Board process. The independent Chairman role allows our Chief Executive Officer to focus on his management responsibilities in leading the business, setting the strategic direction of the Company and optimizing the day-to-day performance and operations of the Company. At the same time, the independent Chairman can focus on Board leadership, providing guidance to the Chief Executive Officer and the Company’s overall business strategy. The Board believes that the separation of functions between the Chief Executive Officer and Chairman of the Board provides independent leadership of the Board in the exercise of its management oversight responsibilities, increases the accountability of the Chief Executive Officer and creates transparency into the relationship among executive management, the Board of Directors and the stockholders. The independent Chairman regularly presides at executive sessions of the independent directors, without the presence of management. We have maintained this leadership structure since our inception.

BOARD OF DIRECTORS OVERSIGHT OF RISK

Our executive management team is responsible for our day-to-day risk management activities. The Board of Directors oversees these risk management activities, delegating its authority in this regard to the standing committees of the Board of Directors. The Audit Committee is responsible for discussing with executive management policies with

respect to financial risk and enterprise risk management. The Audit Committee also oversees the Company's corporate compliance programs. The Compensation Committee considers risk in connection with its design of compensation programs for our executives. The Nominating and Governance Committee reviews the Company's corporate governance principles and their implementation. Each committee regularly reports to the Board of Directors. In addition to each committee's risk management oversight, the Board of Directors regularly engages in discussions of the most significant risks that the Company is facing and how these risks are being managed.

The Board of Directors believes that each committee's risk oversight function, together with the efforts of the full Board of Directors and the Chief Executive Officer in this regard, enables the Board of Directors to effectively oversee the Company's risk management activities.

COMMITTEES OF THE BOARD OF DIRECTORS AND MEETINGS

Our Board of Directors has established three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Described below are the membership and principal responsibilities of all of the standing committees of the Board of Directors, as well as the number of meetings held during 2017. Each of these committees is composed entirely of non-employee directors who have been determined by our Board of Directors to be independent under the current requirements of the NASDAQ Stock Market and the rules and regulations of the SEC. Each committee operates under a charter approved by the Board of Directors setting out the purposes and responsibilities of the committee. All committee charters are available for review on our website, www.rubicontechology.com. The information contained on our website is not a part of this proxy statement and shall not be deemed incorporated by reference into this proxy statement or any other public filing made by us with the SEC.

The Board of Directors held twelve meetings during 2017. Each of our directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the committees on which he served during 2017. Our non-employee directors meet regularly without our Chief Executive Officer present.

CODE OF ETHICS

We have adopted a Code of Ethics that applies to all of our employees, officers and directors. A copy of the Code of Ethics is available on our website at www.rubicontechnology.com, and any waiver from or amendment to the Code of Ethics granted to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, will be timely disclosed on the Company's website as set forth above rather than by filing a Form 8-K. The information found on our website is not part of this proxy statement or any report filed with or furnished to the SEC.

POLICIES AND PROCEDURES GOVERNING DIRECTOR NOMINATIONS

The Nominating and Governance Committee considers candidates for nomination to the Board of Directors from a number of sources, including recommendations by current members of the Board of Directors and members of management. Current members of the Board of Directors are considered for re-election unless they have notified us that they do not wish to stand for re-election. The Nominating and Governance Committee will also consider director candidates recommended by our stockholders, although a formal policy has not been adopted with respect to consideration of such candidates because stockholders may nominate director candidates pursuant to our bylaws. Stockholders desiring to submit recommendations for director candidates must follow the following procedures:

The Nominating and Governance Committee will accept recommendations of director candidates throughout the year; however, in order for a recommended candidate to be considered for nomination for election at an upcoming annual meeting of stockholders, the recommendation must be received by the Secretary of the Company not later than the close of business on the 60th day nor earlier than the close of business on the 90th day prior to the anniversary date of our most recent annual meeting of stockholders, unless the date of the annual meeting is more than 30 days before or more than 60 days after the first anniversary of the preceding year's annual meeting, in which case notice must be delivered not earlier than the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which we first publicly announce the date of such annual meeting. If the number of directors to be elected to the Board is increased and the Company does not make public announcement naming all of the nominees for director or specifying the size of the increased Board at least 70 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's nomination notice will also be considered timely with respect to nominees for any newly created positions if such notice is delivered to the Secretary not later than the close of business on the 10th day following the day on which such public announcement is first made by the Company.

A stockholder making the recommendation must be a stockholder of record at the time of giving of notice, be entitled to vote at the meeting and comply with the notice procedures set forth in the bylaws. Furthermore, this recommendation must be in writing and must include the following initial information: (i) as to each person whom the stockholder proposes to nominate for election as a director, all information relating to such person that would be

required to be disclosed in proxy solicitations for election of directors in an election contest, or would otherwise be required, in each case pursuant to Regulation 14A under the Securities and Exchange Act of 1934, as amended (the "Exchange Act") and Rule 14a-11 promulgated under the Exchange Act, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; and (ii) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made, the name and address of such stockholder and beneficial owner, and the class and number of shares of the Company that are owned beneficially and of record by such stockholder and beneficial owner. The Nominating and Governance Committee may subsequently request additional information regarding the candidate.

Recommendations must be sent by U.S. Mail, courier or expedited delivery service to Mardel A. Graffy, Secretary, Rubicon Technology, Inc., 900 East Green Street, Bensenville, Illinois 60106.

In evaluating nominees for director, the Nominating and Governance Committee is guided by, among other things, the objective that the Board of Directors be composed of qualified, dedicated and highly regarded individuals who have experience relevant to our operations and who understand the complexities of our business environment. See “Proposal 1: Election of Director” on page [] for a discussion of the evaluation of director candidates. The Nominating and Governance Committee may also consider other factors such as whether the candidate is independent under the standards adopted by the Board of Directors and within the meaning of the listing standards of the NASDAQ Stock Market, and whether the candidate meets any additional requirements for service on the Audit Committee. The Nominating and Governance Committee does not intend to evaluate candidates recommended by stockholders any differently than other candidates.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Interested parties, including stockholders, may communicate by mail with all or selected members of the Board of Directors. Correspondence should be addressed to the Board of Directors or any individual director(s) or group or committee of directors either by name or title (for example, “Chairman of the Nominating and Governance Committee” or “All Non-Management Directors”). All correspondence should be sent c/o Mardel A. Graffy, Secretary, Rubicon Technology, Inc., 900 East Green Street, Bensenville, Illinois 60106. The Secretary will, in consultation with the appropriate members of the Board as necessary, generally screen out communications from stockholders to identify communications that are (i) commercial, charitable or other solicitations for products, services and funds, (ii) matters of a personal nature not relevant for stockholders, or (iii) matters that are of a type that render them improper or irrelevant to the functioning of the Board and the Company.

ATTENDANCE AT ANNUAL MEETING

Directors are encouraged, but not required, to attend our annual stockholders’ meeting. All directors attended the 2017 Annual Meeting of Stockholders.

REPORT OF THE AUDIT COMMITTEE

The primary purpose of the Audit Committee is to assist the Board of Directors in its general oversight of Rubicon's financial reporting process.

Rubicon's management is responsible for the preparation, consistency, integrity and fair presentation of the financial statements, accounting and financial reporting principles, and systems of internal control and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. Rubicon's independent registered public accounting firm, Marcum LLP, is responsible for performing an independent audit of the financial statements and issuing its report thereon.

The Audit Committee conducted its oversight activities in accordance with the duties and responsibilities outlined in the Audit Committee charter. These activities included, but were not limited to, the following during the fiscal year ended December 31, 2017:

Reviewed and discussed with management and the independent registered public accounting firm the audited financial statements, the quarterly financial statements, and press releases for the year ended December 31, 2017. Management has the primary responsibility for such financial statements and press releases.

Reviewed with management and the independent registered public accounting firm management's annual report on internal controls over financial reporting.

Discussed with the independent registered public accounting firm the matters requiring discussion by the statement on Auditing Standards No. 16, as amended ("Communication with Audit Committees"), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

Received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and discussed with the independent registered public accounting firm its independence.

In reliance on the committee's review and discussions of the matters referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements and management's annual report on internal controls over financial reporting be included in Rubicon's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

Amounts represent the full aggregate grant date fair value of the restricted stock units granted in 2017, calculated in accordance with FASB ASC Topic 718. The equity grant is subject to price based vesting and was not an outright stock grant. For a discussion of the assumptions and methodologies used in calculating the grant date fair value of the stock option awards and restricted stock unit awards in 2017, please see Note 7 to the Company's consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2017.

Discussion of Summary Compensation Table

Our executive compensation policies and practices for fiscal 2017 and 2016, pursuant to which the compensation set forth in the “Summary Compensation Table” table was paid or awarded, are described below.

Base salary

Pursuant to the terms of their employment agreements, the annual base salaries for 2017 and 2016 for Mr. Brog, Mr. Weissman, and Ms. Graffy were \$306,000, \$300,000, and \$200,000, respectively. Mr. Tamim’s base salary for 2016 was \$225,000. We formally evaluate executive performance on an annual basis, and these evaluations are one of the factors considered in making adjustments to base salaries. After consideration of the Company’s performance within our industry, the base salaries for our named executive officers were not increased in 2017.

Cash incentive bonuses

The primary objectives of our incentive bonus plan are to provide an incentive for superior work, to motivate our executives toward even higher achievement and business results, to tie our executives’ goals and interests to ours and our stockholders’ and to enable us to attract and retain highly qualified individuals. These targets are typically set in the first three months of the year. The targets under our incentive bonus plan are mutually agreed upon by the independent directors and each of the executives.

The Compensation Committee also granted Mr. Brog a discretionary cash bonus of \$30,000 in recognition of Mr. Brog’s efforts to cause the Company’s improved financial, operational and strategic performance, in the last three quarters of calendar 2017. Mr. Brog received a cash bonus of \$25,000 in connection with his appointment as Chief Executive Officer and President.

For 2017, there were no other cash incentive bonuses paid or bonus plans in place.

For 2016, Mr. Weissman was entitled to receive a bonus of up to one-half of his base salary and Ms. Graffy and Mr. Tamim were entitled to receive a bonus of up to 30% of their base salaries, in each case based on our achieving the following pre-determined targets. Forty-five percent (45%) of the bonus would be paid if the Company’s operations

had been cash flow positive (the “2016 Cash Flow Target”), meaning that the Company was cash flow positive for the fourth quarter of 2016 and was reasonably expected to be cash flow positive in 2017. If, and only if, the 2016 Cash Flow Target had been achieved, then the remaining 55% of the target bonus could have been achieved based upon the following performance goals: an additional 15% of the target bonus would be paid if the Company’s annual optical revenue was \$8.0 million or more, 15% of the target bonus would be paid if the Company had qualified Sapphire on Glass (“SoG”) for production with at least one customer, 15% of the target bonus would be paid if for the Company’s LANCE product, the Air Force Research Lab deliverables were completed and qualified with at least one customer, 5% of the target bonus would be paid if the Company sold out wafer capacity by the end of 2016 and 5% of the target bonus would be paid if the Company qualified with two other six inch wafer customers. The 2016 Cash Flow Target was not achieved and, therefore, no incentive cash bonuses were paid to executive officers for fiscal 2016.

In consideration for his continued supervision of operations at the Penang, Malaysia facility through its closure in order for us to honor our customer obligations, on September 12, 2016, we approved cash bonuses to Mr. Tamim for the months of October and November 2016 in the amount of either \$10,000 or \$15,000 per month, contingent on the polished wafer cost in the respective month being below specified thresholds. These thresholds were achieved and bonuses aggregating \$30,000 were paid to Mr. Tamim. Also on September 12, 2016, we determined that Mr. Tamim would be eligible to receive an incentive bonus equal to 1% of the sale price of the real estate in Penang if Mr. Tamim was able to arrange the successful sale of such property. No sale of the property was arranged. Consistent with the Company’s determination to close its facility in Penang and to sell the Company’s assets relating to the Malaysian operations, on September 28, 2016, the Compensation Committee determined that Mr. Tamim would receive an incentive bonus equal to 2% of the sale price of any of our remaining equipment in Penang if Mr. Tamim was able to successfully arrange the sale of such equipment. Mr. Tamim was paid \$12,556 in connection with the sales of equipment he arranged. These bonuses were subject to certain conditions, including Mr. Tamim’s continued employment with us through November 30, 2016. The bonus amounts described above were in addition to severance payments that Mr. Tamim was eligible to receive under his letter of appointment and applicable law.

Equity incentive compensation

In 2008, our Board of Directors adopted a policy generally to grant equity awards to executives once per year to the extent equity awards are to be granted during such year (except in the case of newly hired executives, as described below). With respect to newly hired executives, our practice is typically to make equity grants at the first meeting of the Board of Directors following such executive’s hire date. We do not have any program, plan or practice to time equity awards in coordination with the release of material non-public information. There were no equity awards granted to executives in 2016.

On March 15, 2017, the Company entered into an employment agreement (as amended and restated on May 12, 2017) with Mr. Brog. Pursuant to the terms of his employment agreement, Mr. Brog was granted restricted stock units (“RSUs”) valued at \$322,623. The vesting condition metrics of the RSUs were determined by the Compensation Committee.

The RSUs vest in the amounts set forth below on the first date the 15-trading day average closing price of the Company’s common stock equals or exceeds the corresponding target price for the common stock before March 15, 2021.

	Target price
Number of restricted stock units	
15,000	\$ 6.50
15,000	\$ 8.00
15,000	\$ 9.50
14,098	\$ 11.00

During the twelve months ended December 31, 2017, the first three tranches of the grant vested.

The 2017 restricted stock unit grants were made pursuant to our 2016 Plan, which was adopted by our Board of Directors and our stockholders on June 24, 2016. The 2016 Plan permits the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards and bonus shares.

Severance and change in control arrangements

Payments upon termination are described below under “Potential Payments Upon Termination of Employment or Change in Control”.

The award of 59,098 restricted stock units vest in the amounts set forth below on the first date the 15-trading day average closing price of the Company's common stock equals or exceeds the corresponding target price for the (1) common stock before March 15, 2021. 15,000 - \$6.50, 15,000 - \$8.00, 15,000 - \$9.50 and 14,098 - \$11.00, provided that Mr. Brog remains employed with us through the applicable vesting dates. The market value of unvested stock awards is calculated by multiplying the number of unvested restricted stock (2) units by \$7.98, the closing price of the Company's common stock on The NASDAQ Stock Market on December 31, 2017.

In connection with the termination of Mr. Weissman's employment effective March 17, 2017, all of his unvested (3) options became vested on March 24, 2017 and the exercise date of his options granted on December 1, 2015 was extended to March 17, 2019. The exercise period for these options would have otherwise expired on June 17, 2017 as a result of Mr. Weissman's termination.

(4) The stock options vest in equal annual installments over a period of four years with the first vesting date on September 19, 2015, provided that Ms. Graffy remains employed with us through the applicable vesting dates.

(5) The stock options vest in equal annual installments over a period of four years with the first vesting date on December 1, 2016, provided that Ms. Graffy remains employed with us through the applicable vesting dates.

TERMINATION OF EMPLOYMENT OR CHANGE IN CONTROL

Mr. Brog's Severance Terms. Pursuant to the terms of his employment agreement, if Mr. Brog's employment is terminated by us without "cause" or if he resigns for "good reason," he will receive a continuation of his annual base salary for twelve months thereafter and all of his outstanding restricted stock unit awards will become vested, provided that Mr. Brog delivers a release of claims to the Company. In addition, he is entitled to receive any unused vacation pay, any bonus earned prior to the termination date that remained unpaid, and continuation of his medical and welfare benefits for a period of twelve months thereafter. If within two years after a "change in control," as defined in the 2016 Plan and summarized below, we terminate Mr. Brog without cause or he resigns for good reason, he will be entitled to a lump sum payment equal to 100% of his annual base salary in lieu of the salary continuation described above.

For purposes of Mr. Brog's agreement (i) "cause" generally is defined as willful misconduct materially and adversely affecting us; theft, fraud, embezzlement or similar behavior; indictment or conviction of a felony; or willfully failing to substantially perform the material duties of his position, other than failure resulting from incapacity due to physical or mental illness, following a demand for performance delivered by the Board of Directors and a specified cure period of not less than 10 days; and (ii) "good reason" generally is defined as a material reduction in base salary or benefits; substantial diminution in Mr. Brog's duties, responsibilities or title, if uncured by us within 30 days of receipt of notice from Mr. Brog; or Mr. Brog is required by the Board to work in the Company's office located in any place other than in the New York metropolitan area for more than 12 days in any one month in order to maintain employment with the Company.

Mr. Weissman's Severance Terms. Effective March 17, 2017, Mr. Weissman's employment with us ended and the Company and Mr. Weissman entered into the Separation Agreement, under which Mr. Weissman will receive \$300,000, payable over a period of twelve (12) months, and health and welfare benefits for a period of twelve (12) months. All of Mr. Weissman's unvested options became vested on March 24, 2017. All of Mr. Weissman's options remained exercisable until June 17, 2017, other than 27,777 options granted to Mr. Weissman on December 1, 2015 which will expire on March 17, 2019. Pursuant to the Separation Agreement, Mr. Weissman provided the Company with a general release of claims against the Company. The value of Mr. Weissman's severance benefits is reported in the Summary Compensation Table above.

Ms. Graffy's Severance Terms. Pursuant to the terms of her employment agreement, if Ms. Graffy's employment is terminated by us without "cause" or if she resigns for "good reason," she will receive a continuation of her annual base salary for six months thereafter and all of her outstanding stock option awards will become vested, provided that Ms. Graffy delivers a release of claims to the Company. In addition she is entitled to receive any unused vacation pay, any bonus earned prior to the termination date that remained unpaid, and continuation of her medical and welfare benefits for a period of six months thereafter. If within two years after a "change in control," as defined in the 2007 Plan and summarized below, we terminate Ms. Graffy without cause or she resigns for good reason, she will be entitled to a lump sum payment equal to 50% of her annual base salary in lieu of the salary continuation described above.

For purposes of Ms. Graffy's agreement (i) "cause" generally is defined as willful misconduct materially and adversely affecting us; theft, fraud, embezzlement or similar behavior; indictment or conviction of a felony; or willfully failing to substantially perform the material duties of her position, other than failure resulting from incapacity due to physical or mental illness, following a demand for performance delivered by the Board of Directors and a specified cure period of not less than 10 days; and (ii) "good reason" generally is defined as a material reduction in base salary or benefits; substantial diminution in Ms. Graffy's duties, responsibilities or title, if uncured by us within 30 days of receipt of notice from Ms. Graffy; or relocation for a period of greater than six consecutive months greater than 100 miles from the Chicago metropolitan area.

Mr. Tamim's Severance Terms. Mr. Tamim's employment with us ended on December 31, 2016. Pursuant to the terms of his letter agreement, upon his termination, Mr. Tamim became entitled to receive a continuation of his annual base salary for six months thereafter and his options and restricted stock units became vested. In addition, he became entitled to receive any unused vacation pay, any bonus earned prior to the termination date that remained unpaid, reimbursement of medical claims for six months following the termination date, and a continuation of his medical and welfare benefits for a period of six months thereafter. The value of Mr. Tamim's severance benefits is reported in the Summary Compensation Table above.

Restrictive Covenants. Each executive's employment agreement contained or contains customary non-competition and non-solicitation covenants. These restrictions survive for a period of 12 months after the executive's resignation or termination, and in the event of a breach of his or her employment agreement, the period is automatically extended by the period of the breach.

Equity Compensation Awards. The equity compensation awards granted under the 2016 Plan or 2007 Plan may become vested upon a change in control. The 2016 and 2007 Plans provide that in the event of "change in control," as defined in the 2016 and 2007 Plans, each outstanding award will be treated as the Compensation Committee determines, including that the successor corporation or its parent or subsidiary may be required to assume or substitute an equivalent award for each outstanding award. The Compensation Committee is not required to treat all awards similarly. If there is no assumption or substitution of outstanding awards, the award recipient will fully vest in and have the right to exercise all of his or her outstanding options and stock appreciation rights, all restrictions on restricted stock and restricted stock units will lapse and all performance goals or other vesting requirements for performance awards will be deemed achieved at 100% of target levels and all other terms and conditions will be deemed met. If an option or stock appreciation right is not assumed or substituted, the Compensation Committee will provide notice to the award recipient that the option or stock appreciation right will be fully vested and exercisable for a period of time determined by the Compensation Committee in its discretion, and the option or stock appreciation right will terminate upon the expiration of such period. Notwithstanding the Compensation Committee's general discretionary authority described above, the individual award agreements may provide for the vesting of such awards upon the occurrence of a change in control. Under the 2016 and 2007 Plans, a "change in control" is deemed to occur when (i) a person becomes the beneficial owner (directly or indirectly) of at least 50% of the voting power represented by the Company's outstanding voting securities, (ii) the Company sells or disposes of all or substantially all of its assets, (iii) the composition of the Board of Directors changes within a two-year period resulting in fewer than a majority of the directors being "incumbent directors" (as defined in the 2016 and 2007 Plans), or (iv) a merger or consolidation of the Company is consummated with any other corporation resulting in the voting securities of the Company outstanding immediately prior thereto representing (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) less than 50% of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

LIMITATION ON LIABILITY AND INDEMNITY

Our Certificate of Incorporation contains provisions that limit or eliminate the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as a director, except liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions as provided in Section 174 of the Delaware General Corporation Law; or

any transaction from which the director derived an improper personal benefit.

Our bylaws provide that we are required to indemnify our directors and officers, in each case to the fullest extent permitted by Delaware law. Our bylaws also provide that we are obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered into agreements and intend to continue to enter into agreements to indemnify our executive officers and directors. With certain exceptions, these agreements provide for indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding for which indemnification is available. We believe these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' insurance.

each person that was a beneficial owner of 5% of more of our outstanding shares of common stock;

each of our named executive officers;

each of our directors, including the director nominees; and

Beneficial ownership is determined in accordance with the rules of the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to such securities. Except as otherwise indicated, all of the shares reflected in the table are shares of common stock and all persons listed below have sole voting and investment power with respect to the shares beneficially owned by them, subject to applicable community property laws. Percentage of beneficial ownership is based on 2,740,909 shares of common stock outstanding as of April 2, 2018. CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policy and Procedures for Review, Approval or Ratification

We recognize that transactions between the Company and related persons present a potential for actual or perceived conflicts of interest. Our general policies with respect to such transactions are included in our Code of Ethics which is administered by our Audit Committee. All employees and members of our Board of Directors agree to be bound by the Code of Ethics. As a supplement to the Code of Ethics, the Audit Committee adopted a written policy setting out the procedures and standards to be followed for the identification and evaluation of “related party transactions.” For purposes of the policy, a related party transaction is any transaction or series of related transactions in excess of \$120,000 in which we are a party and in which a “related person” has a material interest. Related persons include our directors, director nominees, executive officers, beneficial owners of 5% or more of any class of our voting securities and members of their immediate families. The Audit Committee has determined that certain transactions are deemed to be pre-approved under this policy. These include (i) transactions with another company in which the related person’s only interest is as a director or beneficial owner of less than 10% of the equity interests in that other company and (ii) certain compensation arrangements that have either been disclosed in our public filings with the SEC or approved by our Compensation Committee.

We collect information about potential related party transactions in our annual questionnaires completed by directors, executive officers and certain beneficial owners of 5% or more of any class of our voting securities. Potential related party transactions are first reviewed and assessed by our Secretary to consider the materiality of the transactions and then reported to the Audit Committee. If a related party transaction is identified during the year, it is reported promptly to the Audit Committee. The Audit Committee reviews and considers all relevant information available to it about each related party transaction. A related party transaction is approved or ratified only if the Audit Committee determines that it is in, or is not inconsistent with, our best interests and those of our stockholders and is in compliance with the Code of Ethics.

We did not have any such related party transactions, in excess of the lesser of \$120,000 or 1% of the average of our total assets at year end for the past two fiscal years.
