However, shares received upon the exercise of accelerated options are subject to a restriction on transfer (covering sales, gifts, pledges, and any other method of disposition) that will remain in effect until the earlier of the original vesting date of those options or termination of employment.

(2) As originally granted, these options would have become exercisable on March 24, 2008. Effective June 2, 2005, the vesting of all of these options was accelerated. However, shares received upon the exercise of accelerated options are subject to a restriction on transfer (covering sales, gifts, pledges, and any other method of disposition) that will remain in effect until the earlier of the vesting date of those options, i.e. March 24, 2008, or termination of employment.

(3) These options originally became exercisable in four equal annual installments, commencing June 17, 2005. Effective January 20, 2005, the vesting of all of these options was accelerated. However, shares received upon the exercise of accelerated options are subject to a restriction on transfer (covering sales, gifts, pledges, and any other method of disposition) that will remain in effect until the earlier of the original vesting date of those options or termination of employment.

(4) These options are fully vested and exercisable as of June 2, 2005, the grant date.
