Section 1 - Conflict Minerals Disclosure

Item 1.01 Conflict Minerals Disclosure and Report

In accordance with Section 1502 of the Dodd-Frank Financial Reform and Consumer Protection Act (the “Act”) and Rule 13p-1 under the Securities and Exchange Act of 1934 (the “Rule”), Pitney Bowes Inc. (the “Company”) has determined that it is subject to the reporting requirements under the Act and the Rule and that certain products that Pitney Bowes contracted to manufacture during calendar year 2013 contain “conflict minerals” as defined in the Rule (in the form of gold and the derivatives tantalum, tin and tungsten) necessary to the functionality of those products. The Company has undertaken a reasonable inquiry into the country of origin of the conflict minerals in our products to assess whether any of those conflict minerals originated in the Democratic Republic of Congo or an “adjoining country” as defined in the Rule or were “conflict minerals from recycled or scrap sources” as defined in the Rule. To maximize efficiency, we combined our inquiry with our due diligence activities. Our inquiry and due diligence activities are described in the Conflict Minerals Report attached hereto as Exhibit 1.02.
