Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Kansas General Corporation Code (the "KGCC")

Section 17-6305(a) of the KGCC empowers a corporation to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprises against expenses, judgments, fines and amounts (including attorneys' fees) paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that he or she did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 17-6305(b) of the KGCC empowers a corporation to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Section 17-6305(c) of the KGCC provides that to the extent a present or former director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 17-6305, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

Section 17-6305(d) of the KGCC provides that any indemnification under subsections (a) and (b) of Section 17-6305 (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in subsections (a) and (b) of Section 17-6305. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination: (1) by a majority vote of the directors who were not parties to such action, suit or proceeding, even though less than a quorum; (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum; (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion; or (4) by the stockholders.

Section 17-6305(e) of the KGCC provides that expenses, including attorneys' fees, incurred by an officer or director in defending a civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it is ultimately determined that he or she is not entitled to be indemnified by the corporation as authorized in Section 17-6305. Such expenses, including attorneys' fees, incurred by former directors and officers or incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the board of directors deems appropriate.

II-2

---

Section 17-6305(f) of the KGCC provides that the indemnification and advancement of expenses provided by, or granted pursuant to, Section 17-6305 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in a person's official capacity and as to action in another capacity while holding such office. Section 17-6308(f) further provides that a right to indemnification or to advancement of expenses arising under a provision of the articles of incorporation or a bylaw shall not be eliminated or impaired by an amendment to such provision after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or omission explicitly authorizes such elimination or impairment after such action or omission has occurred.

#### Articles of Incorporation

The Company's Second Restated Articles of Incorporation (the "Articles") provide that its directors shall not be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that the Articles do not eliminate or limit the liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) in respect of certain unlawful dividend payments or stock purchases or redemptions, pursuant to Section 17-6424 of the KGCC and amendments thereto or (iv) for any transaction from which the director derived an improper personal benefit. Further, the Company's Articles provide that it may agree to the terms and conditions upon which any director, officer, employee or agent accepts his or her office or position and in the Company's Bylaws, by contract or in any other manner may agree to indemnify and protect any director, officer, employee or agent of the corporation, or any other person who serves at the Company's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, to the extent permitted by the laws of the State of Kansas.

#### Bylaws

The Company's Amended and Restated Bylaws (the "Bylaws") provide that each person who is or was a director or officer of the Company or is or was serving at the request of the Company as a director, officer, employee or agent of another entity (including the heirs, executors, administrators or estate of such person) shall be indemnified by the Company as of right to the full extent permitted or authorized by the laws of the State of Kansas, as now in effect and as hereafter amended (but, in the case of any such amendment, only to the extent that such amendment permits us to provide broader indemnification rights than permitted prior thereto) against any liability, judgment, fine, amount paid in settlement, cost and expense (including attorneys' fees) asserted or threatened against and incurred by such person in his or her capacity as or arising out of his or her status as a director or officer of the Company or, if serving at our request, as a director, officer, employee or agent of another entity. The indemnification provisions of the Company's Bylaws are not exclusive of any other rights to which those indemnified may be entitled under any other provision of the Company's Bylaws or under any agreement, vote of stockholders or disinterested directors or otherwise, and shall not limit in any way any right which we may have to make different or further indemnification with respect to the same or different persons or classes of persons. The Company's Bylaws further provide that the Company will advance to any person entitled to indemnification under the Bylaws such expenses and costs as the person may incur in connection with any matter, event, claim or cause of action for which indemnification is, or may be, available hereunder provided that such person agrees to return to the Company any such funds so advanced in the event that the person is not entitled to such indemnification.

In addition, the Company's Bylaws provide that no person will be liable to the Company for any loss, damage, liability or expense suffered by him or her on account of any action taken or omitted to be taken by him or her as a director or officer of the Company or of any other entity which he or she serves as a director, officer, employee or agent at our request, if such person (i) exercised the same degree of care and skill as a prudent person would have exercised under the circumstances in the conduct of his or her own affairs, or (ii) took or omitted to take such action in reliance upon advice of the Company's counsel, or for such other entity, or upon statements made or information furnished by directors, officers, employees or agents of the corporation or for such other entity which he or she had no reasonable grounds to disbelieve.

**Indemnification Agreements and Insurance**

The Company has limited indemnification agreements with certain officers that are included in such officers' employment agreements. The Company has also entered into indemnification agreements with each of its directors and certain senior officers. The indemnification agreements supplement existing indemnification provisions of the Articles and Bylaws and, in general, provide for indemnification of and advancement of expenses to the indemnified party, subject to the terms and conditions provided in the indemnification agreement. The indemnification agreements also establish processes and procedures for indemnification claims, advancement of expenses and other determinations with respect to indemnification.

The Company also maintains a directors' and officers' liability insurance policy insuring its directors and officers against certain losses resulting from certain acts committed by them in their capacities as directors and officers of the Company.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
