Item 1.01 Entry into a Material Definitive Agreement.

On October 15, 2018, The Andersons, Inc. (the "Company") entered into an Agreement and Plan of Merger ("Agreement") to purchase the remaining equity (not currently owned by the Company) of Lansing Trade Group, LLC ("Lansing"). The transaction will also result in the consolidation of Thompsons Limited of Ontario, Canada and related entities as they are currently jointly owned by the Company and Lansing. The Company currently owns approximately 32.5% of Lansing equity and will acquire the remaining approximately 67.5% interest for approximately \$305 million, which includes the Company's share of estimated working capital of the acquired entities and other closing adjustments. The Company will assume approximately \$166 million of long-term debt, consisting of up to \$130 million from Lansing and about \$36 million from Thompsons. The Company will pay the purchase price with cash and unregistered common shares of the Company. The Company intends to fund the cash portion utilizing the Company's existing line of credit. The final purchase price will be dependent on the number of shares issued, share price on date of closing, and actual working capital, among other items.

The completion of the transaction is subject to customary conditions, including, without limitation, (1) the adoption of the Agreement by Lansing's shareholders, (2) the absence of any order, law or other legal restraint or prohibition preventing or prohibiting completion of the purchase, (3) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (4) the receipt of other antitrust approvals, (5) subject to certain qualifications, the accuracy of representations and warranties of the Company and Lansing, and (6) the performance of or compliance with the covenants and agreements made by the Company and Lansing.

The Agreement is filed as Exhibit 2.1 and incorporated herein by reference.

The Agreement is included to provide security holders with information regarding its terms. It is not intended to provide any other factual information about the Company, Lansing or their respective subsidiaries and affiliates or their businesses. The Agreement contains representations and warranties by each of the parties. These representations and warranties were made solely for the benefit of the other parties to each such agreement and (a) are not intended to be treated as categorical statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate, (b) may have been qualified in the applicable agreement by confidential disclosure schedules that were delivered to the other party in connection with the signing of the agreements, which disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in such agreements, (c) may be subject to standards of materiality applicable to the parties that differ from what might be viewed as material to stockholders and (d) were made only as of the date of the Agreement or such other date or dates as may be specified in the Agreement. Accordingly, investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Lansing, their respective subsidiaries and affiliates or their businesses.
