U.S. Securities and Exchange Commission Deregistration

Coles Group Limited (CGJ) today announced its intention to deregister its ordinary shares under the U.S. Securities Exchange Act.

The decision is consistent with the company announcement of February 6, 2006 to delist from the New York Stock Exchange (NYSE) because the cost of meeting listing requirements for the NYSE far outweighed the benefits to shareholders.

The delisting and deregistration are given effect by the recently adopted deregistration rules of the U.S. Securities and Exchange Commission (SEC), which became effective on June 4, 2007.

Upon deregistration, CGJ's obligations to file reports with the SEC will be immediately suspended. The company expects that the deregistration of its ordinary shares will become effective and Exchange Act reporting obligations will be terminated 90 days after filing with the SEC.
