PARTIAL DEREGISTRATION OF SHARES OF COMMON STOCK

This Post-Effective Amendment relates to File No. 333-36390, Registration Statement on Form S-8 pertaining to the registration of 4,843,430 shares of the common stock, par value \$0.01 per share (“Common Stock”) of Fuel Tech, Inc. (the “Company”), issuable under the 1993 Incentive Plan of Fuel Tech, Inc., as amended in 2004 (the “FTIP”) which was originally filed with the Securities and Exchange Commission (the “SEC”) and became effective on May 5, 2000 and was thereafter amended by post-effective amendment on October 2, 2006 (the “Prior Registration Statement”).

At the 2014 Annual Meeting of Stockholders of the Company held on May 20, 2014, the stockholders of the Company approved the Fuel Tech, Inc. 2014 Long-Term Incentive Plan (the “2014 Plan”) to replace the FTIP. Effective that date, no additional awards will be made under the FTIP. Effective immediately upon the filing of this Post-Effective Amendment to the Prior Registration Statement, the Company hereby deregisters the shares of Common Stock previously registered for offer and sale under the FTIP and remaining available for future issuance under the FTIP (the “Excess Shares”). Up to an additional 2,984,126 shares of Common Stock subject to outstanding awards under the FTIP that are forfeited, expire, otherwise terminate without issuance of shares, are settled for cash (in whole or in part) or otherwise do not result in the issuance of all or a portion of the shares subject to an award under the Prior Plan (including, without limitation, shares withheld to satisfy the exercise price or withholding tax liabilities) (the “Carry Forward Shares”) will also be deregistered upon such forfeiture, lapse, expiration or termination. The Prior Registration Statement will remain in effect as to the FTIP to cover the potential issuance of shares of Common Stock upon the exercise of the awards to which the Carry Forward Shares are subject. Under the terms of the 2014 Plan, upon the expiration, termination, cancellation, forfeiture or repurchase of the subject awards, the Carry Forward Shares will become available for issuance under the 2014 Plan, will be deregistered from the Prior Registration Statement and will be carried forward to the New Registration Statement (as defined below).

Contemporaneously with the filing of this Post-Effective Amendment to the Prior Registration Statement covering the FTIP, the Company is filing a new Registration Statement on Form S-8 to register 1,416,550 shares of Common Stock for issuance under the 2014 Plan, together with up to 2,984,126 Carry Forward Shares when they become eligible for issuance under the terms of the 2014 Plan as described above (the “New Registration Statement”). In accordance with Instruction E to the General Instructions to Form S-8 and the principles set forth in Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Division of Corporate Finance of the SEC (July 1997), this Post-Effective Amendment to the Prior Registration Statement covering the FTIP is hereby filed to (i) deregister the Excess Shares and (ii) carry forward when eligible under the terms of the 2014 Plan and the applicable award grants, up to 2,984,126 of the Carry Forward Shares and the registration fees paid in respect thereof from the Prior Registration Statement to the New Registration Statement.
