The Fund's Board of Directors does not have a standing nominating committee or committee performing similar functions as the Board has determined, given its relatively small size, to perform this function as a whole. The Board does not currently have a charter or other written policy with regard to the nomination process, or a formal policy with respect to the consideration of director candidates. The nominations of the directors standing for re-election at the 2006 annual meeting were approved by the Board of Directors, including Messrs. Holth, Smith, Lane and Sims, who are independent directors within the meaning of Rule 19(a) of the Chicago Stock Exchange Rules.

Qualifications for consideration as a board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. In making its nominations, the Board of Directors considers relevant factors, including an individual's business experience, breadth of knowledge about issues and matters affecting the Fund, time available for meetings and consultation regarding the Fund matters, and other particular skills and experience possessed by the individual. The Board desires a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to the Board, the Fund and its shareholders. In the event of a need for a new or additional director, the Board of Directors would evaluate potential nominees by reviewing their qualifications, results of personal interviews and such other information as they may deem relevant.

The Fund does not currently employ an executive search firm, or pay a fee to any other third party, to assist in identifying or evaluating potential qualified candidates for director positions. Since 1989, the Board of Directors has nominated the current directors for re-election at each annual meeting of shareholders. All of the Fund's current members of the Board of Directors have served as directors since 1989, except Mr. Lane, who became a director in 1996, and Mr. Sims, who became a director in 2002.

The Board has not established special procedures for the Fund's shareholders to submit director recommendations. If the Secretary of the Fund were to receive recommendations of candidates from the Fund's shareholders, the Board of Directors would consider such recommendations in the same manner as all other candidates.

Shareholders of the Fund may send communications to the Board to the attention of the Fund's Secretary at the Fund's principal executive offices. All shareholder communications shall be compiled by the Secretary and forwarded directly to the Board or the director as indicated in the letter. All letters will be forwarded to the appropriate party. The Board of Directors reserves the right to revise this in the event that this process is abused, becomes unworkable or otherwise does not efficiently serve its purpose.

The Board of Directors does not currently have a policy with regard to the attendance of board members at its annual meeting of shareholders. All of the directors attended the Fund's 2005 Annual Meeting of Shareholders.

The Fund has no standing compensation committees of the Board of Directors, or committee performing a similar function.

The Fund has an audit committee comprised of Messrs. Holth, Smith and Lane. The audit committee is responsible for the appointment, compensation, retention and oversight of the work of the Fund's independent accountants. The audit committee met twice during 2005. Messrs. Holth, Smith and Lane meet the requirements for independence set forth in Rule

Edgar Filing: NAIC GROWTH FUND INC - Form DEF 14A

19(b) of the Chicago Stock Exchange Rules. They are not "Interested Persons" fo the Fund as defined in section 2(A)(19) of the Investment Company Act of 1940. A copy of the report of the audit committee is attached hereto as Exhibit A. The Board of Directors of the Fund has adopted a written charter for the audit committee.

The Directors of the Fund know of no business other than that mentioned in Items 1 and 2 of the Notice of Meeting which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

Section 16(a) Beneficial Ownership Reporting Compliance

Directors and officers of the Fund and certain of its affiliates and beneficial owners of more than 10% of the Fund's common stock are required to file initial reports of ownership and reports of changes in ownership of the Fund's common stock pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended. The Fund has reviewed such reports received by it and written representations of such persons who are known by the Fund, and based solely upon such review, the Fund believes that during the year ended December 31, 2005 all such reports were timely filed.

PROPOSAL NO. 1 (Election of Directors)

A Board of eight (8) Directors to serve for a term of one (1) year, or until their successors are elected and qualified, is to be elected at the Meeting. Unless authorization to do so is withheld, it is intended that the proxies will be voted for the election of the nominees named below. Directors will be elected by a plurality of votes cast at the Meeting. If any nominee becomes unavailable for election, an event not now anticipated by the Board of Directors, the proxy will be voted for such other nominee as may be designated by the Board of Directors.
