**SAPIENS LAUNCHES RULES-BASED BILLING SOLUTION IN NORTH AMERICA FOR PROPERTY & CASUALTY INSURERS**

*New Sapiens INSIGHT™ for Billing rules-based insurance solution recognized for its unique benefits and ability to allow for rapid adaptability.*

**Kissimmee, F.L. – November 14, 2006** – Sapiens International Corporation N.V. (NASDAQ and TASE: SPNS), a global provider of insurance technology solutions, announced today the North American release of **Sapiens INSIGHT™ for Billing** for Property & Casualty insurers at the 2006 ISOTech Insurance Technology Conference in Kissimmee, Florida.

The billing module, part of the Sapiens INSIGHT™ suite of insurance solutions, is a fully functional and flexible billing and collections solution. Developed using the company's pioneering eMerge™ business rules technology, it is designed to meet each carrier's requirements in an expedited implementation timeframe, directly impacting the bottom line. A highly configurable and flexible solution, Sapiens INSIGHT™ for Billing will support all lines of P&C business, and is designed to include core functionality and provide flexibility across the following areas: pay plan development, collections and allocations, billing production along with arrears management and reimbursements. Sapiens INSIGHT™ for Billing is built to integrate and automate insurance processes using underlying rules technology, providing the ability to adapt quickly to changing business conditions, deploy new billing related initiatives easily and meet future billing needs.

Already being implemented for its first two clients, this state-of-the-art, web-enabled solution is designed to enhance rapid implementation and support for billing and collections, while at the same time maintaining transaction control, accountability for results and assurance of process consistency and continuity. In addition, business users can dynamically alter the behavior of the solution in response to market changes, corporate and stakeholder needs. Changes in the business rules can cause changes to the application on an immediate and real-time basis.

As part of Sapiens' commitment to excellence in the practices and needs of billing solutions, it recently welcomed Mr. Wayne Shockley as Director of Billing for Sapiens Americas. With over 25 years of insurance background and experience, Mr. Shockley will continue to further develop the INSIGHT for Billing solution into the leading next generation Billing solution. Having managed 17 major billing system implementations and projects, Mr. Shockley brings a vast knowledge of the development, implementation and support of billing solutions.

"We are proud to introduce **Sapiens INSIGHT™ for Billing** to the North American insurance market" said Mr. Shockley. "Our solution gives insurance companies the power to adapt and the speed to do it quickly for this important customer touch point. It is another example of our Business Change, Made Simple philosophy."

#

### **About Sapiens INSIGHT™ for Billing**

The Sapiens INSIGHT™ for Billing module is a fully functional and flexible billing & collections solution for the Property & Casualty insurance industry designed to meet each carrier's requirements in an expedited implementation time frame. The billing module has the capability to set up the billing account and associated payment plan details while supporting the on-going transaction processing for the account. This functionally rich product supports the impact of all premium related transactions and reconciliation of all billing and collection activities. The **Sapiens INSIGHT™ for Billing** module is a highly flexible solution that offers versatile billing plans, and payment methods. The solution supports carrier specific requirements across the system and helps improve satisfaction during this important customer touch point.

**SAPIENS CONTINUES TREND OF IMPROVED RESULTS**

*Sapiens Announces Q3 2006 Results Strong Move Towards Profitability with Further Improved Revenues and a 61% Decrease in Net Loss*

**Cary, N.C. November 19, 2006** - Sapiens International Corporation N.V. (NASDAQ and TASE: SPNS) today announced its financial results for the third quarter of 2006, ended September 30, 2006. The Company showed continued improved results and a strong commitment to achieve operational turnaround with sustained profitability and strong growth.

Revenues increased 14% to \$11.3 million, up from \$9.9 million in the third quarter of 2005. Revenues totaled \$33.4 million for the first nine months of 2006, up from \$29.6 million for the first nine months of 2005.

Operating Loss, including a \$0.36 million write-off due to bad debt, decreased 77% to \$0.21 million, down from \$0.94 million in the third quarter of 2005. Net of the write-off, the company showed an Operating Profit of \$0.15 million for the third quarter. Operating Loss for the first nine months of 2006, decreased to \$0.91 million, down from \$4.6 million for the first nine months of 2005.

Net Loss significantly decreased 61% to \$0.62 million in the quarter, from \$1.6 million in the third quarter of 2005.

Net Loss for the first nine months of 2006 decreased to \$2.6 million, down from \$5.9 million for the first nine months of 2005.

Roni Al-Dor, President and CEO, commented "Our shareholders now see the first signs of our intended turnaround. Our two consecutive quarters of significant operational improvement are very encouraging and a great start. We have the repeat customers, the products, the technological edge and the will. We have planted the seeds for our future."
