About Alico, Inc.

Alico, Inc. (“Alico”) is an American agribusiness and land management company built for today’s world and known for its legacy of achievement and innovation in citrus, sugar, cattle and resource conservation. We own approximately 130,800 acres of land in six Florida counties (Alachua, Collier, Glades, Hendry, Lee and Polk). Our principal lines of business are citrus groves, improved farmland including sugar cane, cattle ranching and conservation, and related support operations. We also receive royalties from rock mining and oil production. Our mission is to create value for our customers, clients and shareholders by managing existing lands to their optimal current income and total returns, opportunistically acquiring new agricultural assets and producing high quality agricultural products while exercising responsible environmental stewardship.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on Alico’s current expectations about future events and can be identified by terms such as “plans,” “expect,” “may,” “anticipate,” “intend,” “should be,” “will be,” “is likely to,” “believes,” and similar expressions referring to future periods.

Alico believes the expectations reflected in the forward-looking statements are reasonable but cannot guarantee future results, level of activity, performance or achievements. Actual results may differ materially from those expressed or implied in the forward-looking statements. Therefore, Alico cautions you against relying on any of these forward-looking statements. Factors which may cause future outcomes to differ materially from those foreseen in forward-looking statements include, but are not limited to: changes in laws, regulation and rules; weather conditions that affect production, transportation, storage, import and export of fresh product, increased pressure from disease, insects and other pests; disruption of water supplies or changes in water allocations; pricing and supply of raw materials and products; market responses to industry volume pressures; pricing and supply of energy; changes in interest rates; availability of financing for land development activities; onetime events; acquisitions; seasonality; labor disruptions; inability to pay debt obligations; inability to engage in certain transactions due to restrictive covenants in debt instruments; government restrictions on land use; changes in agricultural land values; and market and pricing risks due to concentrated ownership of stock. Other risks and uncertainties include those that are described in Alico’s SEC filings, which are available on the SEC’s website at <http://www.sec.gov>. Alico undertakes no obligation to subsequently update or revise the forward-looking statements made in this press release, except as required by law.
