This Amendment No. 2 hereby amends the Schedule 13D originally filed jointly on October 5, 2006 by BCE Inc. and various entities controlled by BCE Inc. Items 1 through 7 of that Schedule 13D are hereby amended and restated to read in their entirety as follows:

**Item 1. Security and Issuer.**

This statement on Schedule 13D relates to the shares of common stock, par value \$0.01 per share ( Common Stock ), of Motient Corporation, a Delaware corporation ( Motient ). The principal executive offices of Motient are located at 300 Knightsbridge Parkway, Lincolnshire, IL 60069.

**Item 2. Identity and Background.**

This statement is being filed by BCE Inc. ( BCE ).

BCE is a corporation organized under the laws of Canada. Its principal business is communications. The address of its principal office is 1000, rue de la Gauchetière Ouest, Bureau 3700, Montréal, Québec H3B 4Y7, Canada.

Information about the executive officers and directors of BCE is set forth in Schedule I hereto, which is incorporated herein by reference.

During the last five years, neither BCE nor, to the best of its knowledge, any of the persons listed in Schedule I has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration.**

As described in greater detail in response to Item 6 below, BCE entered into an exchange agreement pursuant to which it acquired 9,031,213 shares of Common Stock of Motient (the Initial Motient Shares ) in exchange for the 5,073,715 shares of common stock of TerreStar Networks Inc. and 1,887,133.89202 shares of common stock of TerreStar Global Ltd. (formerly known as TerreStar Networks Bermuda Ltd.) that were owned by BCE (collectively, the TerreStar Shares ).

**Item 4. Purpose of Transaction.**

As described in greater detail in response to Item 6 below, BCE sold 4,500,000 of the Initial Motient Shares on the date BCE exchanged its TerreStar Shares for the Initial Motient Shares. BCE (a) acquired its remaining Initial Motient Shares (the Shares ) for investment purposes only, (b) expects to evaluate on an ongoing basis Motient 's financial condition,

business, operations and prospects, the market price of the Common Stock, conditions in the securities markets generally, general economic and industry conditions and other factors, (c) expects in particular to consider reductions in its holdings of Shares as and when market conditions permit, (d) may dispose of Shares from time to time in public or private transactions and (e) may enter into privately negotiated derivative transactions with institutional

counterparties to hedge the market risk of some or all of its positions in the Shares. BCE reserves the right to change its plans and intentions at any time.

Except as set forth in this Item 4, BCE has no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Schedule 13D.

**Item 5. Interest in Securities of the Issuer.**

As a result of the exchange described in Item 6 below pursuant to which BCE acquired the Initial Motient Shares and the sale described in Item 6 below pursuant to which BCE sold 4,500,000 of the Initial Motient Shares, BCE now owns 4,531,213 shares of Motient Common Stock. The Shares represent approximately 6.5% of the outstanding shares of Common Stock of Motient, based on the 69,610,780 shares Motient reported as outstanding as of November 1, 2006 in its quarterly report on Form 10-Q for the period ended September 30, 2006. BCE has the sole power to vote or direct the vote and the sole power to dispose or direct the disposition of all such Shares. To the best of BCE's knowledge, none of the persons named on Schedule I hereto beneficially own any shares of Common Stock.

Except as described in Item 6 below, BCE has not, and to the best of BCE's knowledge, none of the other persons named on Schedule I hereto has, effected any transactions in the past sixty days in the Common Stock.

No other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

BCE has not ceased to be the beneficial owner of more than five percent of the shares of Common Stock. However, as a result of an assignment on January 5, 2007 described in Item 6 below, the other entities controlled by BCE that had been reporting persons under this statement as in effect before Amendment No. 1 hereto (the Previous Reporting Persons) have ceased to be beneficial owners of any shares of Common Stock.

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.**

On June 22, 2006, TMI Communications Delaware, Limited Partnership, a limited partnership that was at the time indirectly wholly owned by BCE (TMI Delaware), entered into a letter agreement with Motient (the Letter Agreement) which gave TMI Delaware the right, on the terms and subject to the conditions set forth therein, to enter into an exchange agreement with Motient (the Exchange Agreement) pursuant to which TMI Delaware would acquire the Initial Motient Shares in exchange for the TerreStar Shares. On September 25, 2006, the last material condition to that right was satisfied, and as a result as of September 25, 2006

Page 4 of 16 Pages

BCE and the Previous Reporting Persons were deemed to have acquired beneficial ownership of the Initial Motient Shares.

On January 5, 2007, the TerreStar Shares were transferred in a series of steps to BCE and TMI Delaware assigned its rights and obligations under the Letter Agreement to BCE.

On January 15, BCE exercised its right to require Motient to enter into the Exchange Agreement. The Exchange Agreement is substantially identical to the Exchange Agreements among Motient, MVH Holdings Inc. (MVH) and various Columbia and Spectrum funds (the Funds) dated as of May 6, 2006.

The Exchange Agreement grants BCE the right to have an observer on the board of directors of Motient and all committees of the board of Motient other than the compensation committee and the audit committee. Those rights would terminate when (a) neither BCE nor an affiliate of BCE remains the legal holder of the 2 Ghz Authorization referred to in the Exchange Agreement and (b) BCE and its affiliates collectively no longer hold all of the shares of common stock of TerreStar Networks Holdings (Canada), Inc. that they initially receive when the 2 Ghz Authorization is transferred to TerreStar Canada as contemplated by the Exchange Agreement.

In connection with entering into the Exchange Agreement, BCE and Motient also entered into a registration rights agreement (the Registration Rights Agreement). The Registration Rights Agreement is substantially identical to the terms of the registration rights agreements that Motient entered into with the Funds, except that BCE's registration rights last longer.

On March 7, 2007 BCE, Harbinger Capital Partners Master Fund I, Ltd. (Harbinger Master), Harbinger Capital Partners Special Situations Fund, LP (Harbinger Special Situations), Stanfield Offshore Leveraged Assets, Ltd. (Stanfield) and, together with Harbinger Master and Harbinger Special Situations, the Buyers), Motient, MVH and BCE entered into a letter agreement (the Harbinger-Stanfield-Motient-BCE Letter Agreement) pursuant to which (a) BCE, Motient and MVH agreed to close the exchange contemplated by the Exchange Agreement on March 8, 2007 or as soon thereafter as practicable and (b) each Buyer agreed to purchase from BCE, and BCE agreed to sell to such Buyer, concurrently with the closing of the exchange under the Exchange Agreement, the number of shares of Common Stock of Motient set forth opposite its name in the table below for the aggregate purchase price set forth opposite its name in the table below (in each case, equivalent to US\$8.15 per share).

<b><u>Buyer</u></b>	<b><u># of Shares</u></b>	<b><u>Aggregate Purchase Price</u></b>
Harbinger Master	959,715	US\$7,821,677.25
Harbinger Special Situations	1,540,285	US\$12,553,322.75
Stanfield	2,000,000	US\$16,300,000.00

On March 8, 2007, BCE, Motient and MVH closed the exchange contemplated by the Exchange Agreement and the Buyers and BCE closed the purchases and sales referred to above.

The descriptions of the Letter Agreement, Exchange Agreement, Registration Rights Agreement and Harbinger-Stanfield-Motient-BCE Letter Agreement contained herein are qualified in their entirety by reference to the executed Letter Agreement, Exchange Agreement,

Registration Rights Agreement and Harbinger-Stanfield-Motient-BCE Letter Agreement, copies of which has been filed as Exhibits 2, 3, 4 and 5 hereto and are incorporated herein by reference.

Except as described or incorporated by reference herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among BCE or, to its best knowledge, any of the other persons named in Item 2 or between BCE or, to its best knowledge, any of the other persons named in Item 2 and any other person with respect to any securities of Motient, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss or the giving or withholding of proxies.
