**Employment Agreements and Severance Arrangement**

We have entered into employment agreements with two of our Named Executive Officers, Dr. Shrotriya and Dr. Lenaz. The agreements require each executive to devote his full working time and effort to the business and affairs of the Company during the term of the agreement. The agreements provide for an annual base salary with annual increases, periodic bonuses and option grants as determined by the Compensation Committee of our Board of Directors.

Each officer's employment may be terminated by us with or without cause as defined in the agreement. The agreements provide for certain guaranteed severance payments and benefits if the officer's employment is terminated without cause, if the officer's employment is terminated due to a change in control or is adversely affected due to a change in control and the officer resigns or if the officer decides to terminate his employment due to a disposition of a significant amount of assets or business units. The guaranteed severance payment includes a payment equal to twice the officer's annual base salary. In addition, all options held by the officer shall immediately vest and will be exercisable for one year from the date of termination; provided, however, if the Board determines that the officer's employment is being terminated for the reason that the shared expectations of the officer and the Board are not being met, in the Board's judgement, then the options currently held by the officer will vest in accordance with their terms for up to one year after the date of termination, with the right to exercise those options, when they vest, for approximately thirteen (13) months after the date of termination. The agreements also provide that, upon his retirement, all options held by the officer will become fully vested.

Following termination of the officer's employment, the officer shall be permitted to continue in his usual occupation and shall not be prohibited from competing with us except during the two (2) year severance period and in the specific industry market segments in which we compete and which represent twenty percent (20%) or more of our revenues.

The following table sets forth information regarding the employment agreements for each Named Executive Officer, including each Named Executive Officer's current base salary and each agreement's ending date:

Name	Current Base Salary	Ending Date(1)
Rajesh C. Shrotriya	\$ 500,000	December 31, 2004
Luigi Lenaz	\$ 280,500	July 1, 2005

In addition, all stock options granted to Mr. McManus became fully vested as of November 13, 2003, subject only to any applicable stockholder approval requirements, and Mr. McManus shall be entitled to exercise such options in whole or in part from time to time during the one year period commencing on November 17, 2003. We also agreed to submit the 90,000 share conditional stock option grant made to Mr. McManus on September 5, 2003, to our stockholders for approval at our 2004 Annual Meeting of Stockholders with a recommendation that the stockholders approve such grant. If the stockholders fail to approve the grant at the Annual Meeting, we have agreed to pay Mr. McManus \$504,900, less applicable statutory withholdings and deductions, within seven (7) days after the Annual Meeting. *Assignment of Patents by Dr. Alvin J. Glasky.* Dr. Alvin J. Glasky, Ph.D., is our former Chief Executive Officer and the father of one of our Directors, Mark J. Glasky. Pursuant to royalty agreements (Glasky Agreements) with Dr. Glasky, we are obligated to pay a royalty of two percent (2%) of all revenues derived by us from the use and sale by us of any products or methods included in the ten patents assigned to us. Our obligations expire concurrently with the expiration of the underlying patents, and any additional patents derived there from. Dr. Glasky may terminate the Glasky Agreements and receive a reassignment of the patents if we file a petition under any bankruptcy or insolvency laws or otherwise commence liquidation or winding up of our business. These patents related to certain of our neurology compounds. We do not currently anticipate generating any revenues from these compounds. We have not paid any royalties to Dr. Glasky pursuant to the agreements.

*McMaster University Agreement.* In 1996, we entered into a license agreement with McMaster University (McMaster) that allows us the use of certain technologies developed by McMaster covered in the patents filed jointly by us and McMaster, all of which are also encumbered by the Glasky Agreements.

Under the McMaster agreement, we are obligated to pay to McMaster an annual royalty of five percent (5%) on net sales of products containing compounds developed by McMaster, subject to annual minimum royalty payments of \$25,000.

*Outsource Arrangement.* During 2003, through November 2003, we had outsourced the administration, accounting, human resources functions, and SEC report preparation to McManus Financial Consultants, Inc. MFC and M&C are co-owned by two of our former officers, John and Michael McManus, who are also brothers. John McManus received direct compensation from us as Vice President Finance and Strategic Planning and Assistant Corporate Secretary, however, Michael McManus received no direct compensation from us for his services as Controller.
