Item 5.02.

Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 24, 2011, the Compensation Committee of the Board of Directors of ARI Network Services, Inc. (the Company) adopted a new equity performance bonus plan (the Plan) pursuant to which participants will be eligible to receive an award of restricted shares of the Company s common stock based on the per share market price of the Common Stock on a pre-determined date.

While the Company s Compensation Committee intends to designate other executive officers as participants in the Plan for future fiscal years, Roy W. Olivier, the Company s President and Chief Executive Officer, is the only participant for fiscal 2012. Under the Plan for fiscal 2012, Mr. Olivier will receive an award of restricted stock with a grant date fair value of \$150,000 if the closing price per share of Company common stock on July 31, 2012 is at least \$3.00. To the extent the closing price per share on July 31, 2012 is less than \$3.00, the Compensation Committee may, in its discretion, determine to grant Mr. Olivier a number of shares of restricted stock based on the Compensation Committee s subjective assessment of the Company s performance against key financial targets, investor relations program activity, peer group comparisons and other subjective factors as the Compensation Committee may deem appropriate in its discretion. Any such subjective grant determination by the Compensation Committee will be subject to approval by the Company s Board of Directors. Any shares of restricted stock granted under the Plan will be subject to a four-year vesting period, at a rate of 25% per year in each of the four years.
