Item 9. Regulation FD Disclosure.

On March 4, 2004, William W. Sherertz, President and Chief Executive Officer, and Michael D. Mulholland, Chief Financial Officer, of Barrett Business Services, Inc. (the "Company"), will speak to the investment community at the Robins Group "Spot-a-Winner" Conference in San Francisco, California. During their remarks, Messrs. Sherertz and Mulholland will comment on the Company's expected financial performance for 2004:

o The Company's gross revenues for the first quarter of 2004 are estimated to be \$110.0 million, compared to \$101.0 million for the fourth quarter of 2003 and \$41.0 million for the first quarter of 2003. Net revenues were \$36.3 million and \$23.4 million for the quarters ended December 31, 2003 and March 31, 2003, respectively.

Edgar Filing: BARRETT BUSINESS SERVICES INC - Form 8-K

o Earnings per diluted share for the first quarter of 2004 are estimated to range from \$0.00 to \$0.05, compared to earnings per diluted share of \$0.22 for the fourth quarter of 2003 and a loss of \$(0.06) per diluted share for the first quarter of 2003.

The Company changed its reporting of PEO revenues from a gross basis to a net basis in 2002 because it was determined that the Company was not the primary obligor for the services provided by employees pursuant to its PEO contracts. Gross revenues information, although not in accordance with generally accepted accounting principles ("GAAP"), is presented because management believes such information is more informative as to the level of the Company's business activity and more useful in managing its operations. In addition, the Company historically reported PEO revenues on a gross basis and believes that continued disclosure of gross revenues information provides consistency in the Company's financial reporting for comparative purposes.

A reconciliation of the historical non-GAAP gross revenues discussed above to net revenues is as follows (in thousands):

	Gross Revenue Reporting Method		Reclassification		Net Revenue Reporting Method	
	Fourth Quarter Ended 12/31/03	First Quarter Ended 3/31/03	Fourth Quarter Ended 12/31/03	First Quarter Ended 3/31/03	Fourth Quarter Ended 12/31/03	First Quarter Ended 3/31/03
Revenues:						
Staffing services	\$ 23,661	\$ 20,110	\$ ---	\$ ---	\$ 23,661	\$ 20,110
Professional employer services	77,366	20,539	(64,378)	(17,252)	12,988	3,287
Total revenues	\$101,027	\$ 40,649	\$ (64,378)	\$ (17,252)	\$ 36,349	\$ 23,397
Cost of revenues:	\$ 93,830	\$ 32,050	\$ (64,378)	\$ (17,252)	\$ 29,452	\$ 14,798

A reconciliation of estimated gross revenues to estimated GAAP net revenues for the first quarter of 2004 is not included in this report because estimated PEO revenues and cost of PEO revenues for the period cannot be determined without unreasonable effort and expense.

Statements in this report about future events or performance, including gross revenues and earnings per share expectations for 2004, are forward-looking statements, which

involve known and unknown risks, uncertainties and other factors that may cause the actual results of the Company to be materially different from any future results expressed or implied by such forward-looking statements. Although forward-looking statements help to provide complete information about the Company, readers should keep in mind that forward-looking statements may be less reliable than historical information.
