PROXY STATEMENT

This Proxy Statement (the "Proxy Statement") is being furnished to the stockholders of CommScope, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders (the "Annual Meeting") of the Company to be held on May 2, 2003 at 1:30 p.m., local

Edgar Filing: COMMSCOPE INC - Form DEF 14A

time, at the JP MorganChase Bank, 270 Park Avenue - 11th Floor, New York, New York 10017, and any adjournment or postponement thereof.

At the Annual Meeting, stockholders will be asked to consider and vote upon the following proposals: Proposal One: To elect two Class III directors for terms ending at the 2006 Annual Meeting of Stockholders and Proposal Two: To ratify the appointment by the Board of Directors of the Company of Deloitte & Touche LLP as independent auditor for the Company for the 2003 fiscal year.

The Board of Directors of the Company recommends a vote FOR approval of each of the proposals.

The Board of Directors of the Company has fixed the close of business on March 21, 2003 (the "Annual Meeting Record Date") as the record date for determining the holders of outstanding shares of common stock, par value \$0.01 per share (the "Common Stock"), entitled to receive notice of, and to vote at, the Annual Meeting or any adjournment thereof. On that date, there were 59,219,567 shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting, each entitled to one vote on all matters to be acted upon. The Notice of Annual Meeting of Stockholders, this Proxy Statement and the form of proxy are first being mailed or sent electronically on or about March 27, 2003 to each stockholder entitled to vote at the Annual Meeting.

On July 28, 1997, the Company became an independent public company when it was spun off (the "Spin-off") from its parent company, General Instrument Corporation (subsequently renamed General Semiconductor, Inc.).

VOTING AND REVOCATION OF PROXIES

VOTING

Only holders of record of shares of Common Stock as of the close of business on the Annual Meeting Record Date will be entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. The presence, either in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting and to permit action to be taken by the stockholders at the Annual Meeting.

The affirmative vote of a plurality of the shares of Common Stock entitled to vote thereon, and present in person or represented by proxy, at the Annual Meeting is required to elect the directors nominated pursuant to Proposal One. The affirmative vote of a majority of the shares of Common Stock entitled to vote thereon, and present in person or represented by proxy, is required to approve Proposal Two.

For purposes of determining the number of votes cast with respect to any voting matter, only those cast "for" or "against" are included; abstentions and broker non-votes are excluded. For purposes of determining

whether the affirmative vote of the holders of a majority of the shares entitled to vote on a proposal and present at the Annual Meeting has been obtained, abstentions will be included in, and broker non-votes will be

Edgar Filing: COMMSCOPE INC - Form DEF 14A

excluded from, the number of shares present and entitled to vote. Accordingly, abstentions will have the effect of a vote "against" the matter (other than the election of directors) and broker non-votes will have the effect of reducing the number of affirmative votes required to achieve the majority vote.

All shares of Common Stock that are represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated in such proxies. If no instructions are indicated for a particular proposal on a proxy, such proxy will be voted in accordance with the Board of Directors' recommendations as set forth herein with respect to such proposal(s).

In the event that a quorum is not present at the time the Annual Meeting is convened, or if for any other reason the Company believes that additional time should be allowed for the solicitation of proxies, the stockholders entitled to vote at the Annual Meeting, present in person or represented by proxy, will have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting. If the Company proposes to adjourn the Annual Meeting by a vote of the stockholders, the persons named in the enclosed form of proxy will vote all shares of Common Stock for which they have voting authority in favor of such adjournment.

VOTING ELECTRONICALLY VIA THE INTERNET OR TELEPHONE

Stockholders whose shares are registered in the name of a bank or brokerage and who elected to receive the Company's 2002 Annual Report and this Proxy Statement over the Internet will be receiving an email on or about March 27, 2003 with information on how to access stockholder information and instructions for voting. If your shares are registered in the name of a participating bank or brokerage firm and you have not elected to receive the Company's 2002 Annual Report and this Proxy Statement over the Internet, you may be eligible to vote your shares electronically over the Internet or by telephone. A number of banks and brokerage firms are participating in the ADP Shareholder Preference Database program. This program provides eligible stockholders who receive a paper copy of a company's annual report and proxy statement the opportunity to vote via the Internet or by telephone. If your bank or brokerage firm is participating in ADP's program, your voting form will provide instructions. If your voting form does not reference Internet or telephone information, please complete and return the paper proxy card in the self-addressed postage-paid envelope provided.

REVOCATION

Any stockholder who executes and returns a proxy may revoke it at any time prior to the voting of the proxies by giving written notice of revocation to the Secretary of the Company or by executing a later-dated proxy. In addition, voting by telephone, Internet or mail will not prevent you from voting in person at the Annual Meeting should you be present and wish to do so.

Edgar Filing: COMMSCOPE INC - Form DEF 14A

COMPENSATION OF DIRECTORS

Employee directors do not receive additional compensation for serving on the Company's Board of Directors. Nonemployee directors receive an annual retainer of \$30,000, and committee chairpersons receive an additional \$5,000 retainer. The nonemployee directors' remuneration is paid quarterly unless payment is deferred. The Company has adopted a deferred compensation program by which directors may elect to defer the receipt of retainers that would otherwise be payable for services performed as a director of the Company. Directors are immediately and fully vested in any such deferred compensation and any income and gain attributable thereto under the program. Distributions are made either in the form of a single lump sum or annual installments over a period elected by the director up to ten years. In the event of a change in control of the Company, the deferred compensation will be distributed to the directors.

In addition, each nonemployee director, upon initial election to the Board of Directors, receives 1,000 shares of Common Stock that vest immediately and is granted an option to purchase 20,000 shares of Common Stock at an exercise price per share equal to the fair market value on the date of grant, which option becomes exercisable with respect to one-third of the underlying shares on each of the first three anniversaries of the grant date. In February 2002, such awards were made to one nonemployee director upon initial election to the Board of Directors. If a director remains in office, a similar option is granted every three years. In February 2002, the Company made one such grant to one nonemployee director to purchase 20,000 shares of Common Stock.

The Amended and Restated CommScope 1997 Long-Term Incentive Plan (the "1997 LTIP") provides that nonemployee directors may be granted stock options under the 1997 LTIP in addition to the automatic grants described above. In February 2002, the Company made four such additional grants of stock options to nonemployee directors to purchase an aggregate of 20,000 shares of Common Stock. On March 5, 2003, the Company made two additional grants of stock options to nonemployee directors to purchase an aggregate of 10,000 shares of Common Stock.

COMMITTEES OF THE BOARD OF DIRECTORS - BOARD MEETINGS

The Board of Directors of the Company held eight meetings in 2002. Each incumbent director attended (i) all meetings of the Board of Directors and (ii) all meetings of the Board Committees on which they served.

The Company has Audit, Compensation, Nominating and Governance and Executive Committees of the Board of Directors. Members of the Audit, Compensation and Nominating and Governance Committees are not employees of the Company.

AUDIT COMMITTEE. The Audit Committee's principal functions are to review the scope of the annual audit of the Company's consolidated financial statements by its independent auditors, review the annual consolidated financial statements of the Company and the related audit report as prepared by the independent auditors, pre-approve all audit and non-audit services of the independent auditors, recommend the selection and compensation of the independent auditors, review the qualifications, performance and independence of the independent auditors, review the adequacy and scope of the internal audit plan, and review any significant internal audit findings. The members of the Audit Committee are all of the nonemployee directors. All members of the Audit Committee are independent and financially literate. The Audit Committee held nine meetings in 2002.

COMPENSATION COMMITTEE. The Compensation Committee administers the stock option and incentive plans of the Company, and in this capacity it makes or recommends option grants or awards under these plans. In addition, the Compensation Committee makes recommendations to the Company's Board of Directors with respect to the compensation of the Chief Executive Officer and determines the compensation of the other senior executives. The Compensation Committee also recommends the establishment of policies dealing with various compensation and employee benefit plans for the Company. The members of the Compensation Committee are all of the nonemployee directors. The Compensation Committee held four meetings in 2002.

NOMINATING AND GOVERNANCE COMMITTEE. The Nominating and Governance Committee's principal functions are to review and make recommendations to the Board of Directors regarding nominees for directors, monitor and review the Company's corporate governance practices and compliance with corporate governance rules and regulations and to conduct reviews of Board effectiveness and performance. The members of the Nominating and Governance Committee are all of the nonemployee directors. The Nominating and Governance Committee did not meet in 2002 since it was formed in November 2002.

EXECUTIVE COMMITTEE. The Executive Committee has the authority to exercise all powers and authority of the Company's Board of Directors that may be lawfully delegated to it under Delaware law. It meets between regularly scheduled meetings of the Company's Board of Directors to take such action as is necessary for the efficient operation of the Company. The members of the Executive Committee are: Messrs. Drendel, Chairman, Whitson and George. The Executive Committee held no meetings in 2002.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2002, the Company leased an aircraft and hangar from companies owned by Frank M. Drendel, Chairman and Chief Executive Officer of the Company, for an aggregate amount of approximately \$74,000. Mr. Drendel is a director of Nextel Communications, Inc., a leading provider of fully integrated wireless communication services. In 2002, Nextel Communications, Inc. and its affiliates purchased products from the Company for an aggregate amount representing less than 1% of the Company's total sales.

Boyd L. George, a director of the Company, is Chairman and Chief Executive Officer of Alex Lee, Inc., the parent of Lowe's Food Stores, Inc. In 2002, the Company purchased gift certificates for all of its North Carolina area employees (as an employee benefit) from Lowe's Food Stores, Inc. for an aggregate amount of approximately \$63,000.

In November 2001, Lucent Technologies Inc. ("Lucent") acquired 10.2 million shares of the Company's Common Stock, representing approximately 16.5% of the Company's then outstanding Common Stock, excluding the Common Stock acquired by Lucent, in connection with the Company's acquisition of an approximate 18.4% interest in OFS BrightWave, LLC ("OFS BrightWave"). The Company and The Furukawa Electric Co., Ltd. ("Furukawa") formed OFS BrightWave to operate certain fiber optic cable and transmission fiber assets acquired from Lucent. In October 2002, the Company and Furukawa

Edgar Filing: COMMSCOPE INC - Form DEF 14A

purchased 10.2 million shares of the Company's Common Stock from Lucent for approximately \$53 million (\$5.20 per share). Of the total 10.2 million shares purchased from Lucent, Furukawa purchased 7.7 million shares for approximately \$39.8 million and the Company purchased 2.5 million shares for approximately \$13.2 million. In conjunction with this stock purchase, the Company also entered into agreements with Furukawa which outline various investment terms, including resale restrictions, registration rights, standstill provisions, as well as call and limited put rights related to the Company's Common Stock held by Furukawa. Additionally, the Company agreed with Furukawa to change from 2004 to 2006 the date when the Company could first exercise its contractual right to sell its investment

7

in OFS BrightWave to Furukawa for a cash payment equal to its original investment in and advances to OFS BrightWave. The Company also agreed that if it does sell such interest back to Furukawa in 2006, Furukawa would at that time have the right to sell its shares of the Company's Common Stock back to the Company for \$45.8 million.

In 2002, the Company recognized interest income from OFS BrightWave in the amount of approximately \$935,000 on a \$30,000,000 revolving note, which was fully drawn as of December 31, 2002. The Company purchased cable products from OFS BrightWave in 2002 for an aggregate amount representing less than 1% of the Company's consolidated operating costs and expenses. In addition, in 2002, the Company purchased optical fiber products from OFS Fitel LLC (a wholly-owned indirect subsidiary of Furukawa) for an aggregate amount representing less than 5% of the Company's consolidated operating costs and expenses.

The Company believes that the terms of each of the transactions described above were no less favorable to the Company than the terms which could be obtained from unrelated third parties.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers and holders of more than 10% of the Common Stock to file with the Securities and Exchange Commission (the "Commission") and The New York Stock Exchange reports of ownership and changes in ownership of Common Stock and other equity securities of the Company on Forms 3, 4 and 5 and to provide the Company with copies of such reports. The Company undertakes to make such filings on Forms 3, 4 and 5 on behalf of its directors and officers. Based solely on a review of the reports filed by the Company on behalf of its directors and officers, the reports provided to the Company and on written representations of certain reporting persons that no Form 5 report was required to be filed by them, the Company believes that, during the year ended December 31, 2002, its officers and directors and holders of more than 10% of the Common Stock complied with all applicable Section 16(a) filing requirements with the exception of the following filings: as a result of an administrative error, each of Randall W. Crenshaw, Frank M. Drendel, Brian D. Garrett, William R. Gooden, Edward A. Hally, Jearld L. Leonhardt, Christopher A. Story, Gene W. Swithenbank and Frank B. Wyatt, II failed to file on a timely basis one Form 4 to report a grant of stock options on December 19, 2002; all such reports were filed on January 16, 2003.

EMPLOYMENT AGREEMENTS

In November 1988, Frank M. Drendel entered into an employment agreement (the "Agreement") with GI Delaware and CommScope NC, providing for his employment as President and Chief Executive Officer of CommScope NC for an initial term ending on November 28, 1991. The Agreement provides for a minimum salary, which is less than Mr. Drendel's current salary, and provides that Mr. Drendel will participate in any management incentive compensation plan for executive officers that CommScope NC maintains. Commencing on November 29, 1989, subject to early termination by reason of death or disability or for cause (as defined in the Agreement), the Agreement extends automatically so that the remaining term is always two years, unless either party gives notice of termination, in which case the Agreement will terminate two years from the date of such notice. As of the date of this Proxy Statement, neither party has given notice of termination. Pursuant to the Agreement, Mr. Drendel is eligible to participate in all benefit plans available to other CommScope NC senior executives. The Agreement prohibits Mr. Drendel, for a period of five years following the term of the Agreement, from engaging in any business in competition with the business of CommScope NC, in any country where CommScope NC then conducts business. Effective as of the Spin-off, GI Delaware ceased to be a party to the Agreement.

SEVERANCE PROTECTION AND SEPARATION AGREEMENTS

The Company has entered into severance protection agreements with its Chief Executive Officer and its other executive officers. These agreements continue in effect for a period of two years from January 1 of a given year and are automatically extended for one year on January 1 of each year unless notification is given to either the Company or the executive, except that the term may not expire prior to 24 months following a Change in Control (as defined in the agreement).

The agreements provide severance pay and other benefits in the event of a termination of employment within 24 months of a Change in Control of the Company if such termination is (i) by the Company for any reason other than for cause or disability or (ii) by the executive for Good Reason (as defined in the agreement). Such severance pay will be in an amount equal to two times the sum of the executive's base salary and the target annual bonus payable to the executive under the Company's annual incentive plan for the fiscal year immediately preceding the fiscal year of termination in the case of the Chief Executive Officer and one and one-half times such sum in the case of all other executive officers. In addition, the Company will

Edgar Filing: COMMSCOPE INC - Form DEF 14A

pay the executive all accrued but unpaid compensation and a pro rata bonus (calculated up to the executive's termination date). The executive's benefits will be continued for either 24 months, in the case of the Chief Executive Officer, or 18 months in the case of all other executive officers

11

(in each case, a "Continuation Period"). If, at the end of the Continuation Period, the executive is not employed by another employer (including self-employment), the executive will receive for up to six months, an amount equal to one-twelfth (1/12) of the sum of the executive's base amount and the executive's bonus amount. The executive will also receive limited reimbursement for outplacement, tax and financial planning assistance and reimbursement for relocation under certain circumstances. The severance pay and benefits provided for under the severance protection agreements shall be in lieu of any other severance pay to which the executive may be entitled under any other plan, agreement or arrangement of the Company or any of its affiliates. If the executive's employment is terminated without cause (i) within six months prior to a Change in Control or (ii) at any time prior to the date of a Change in Control but (A) at the request of a third party who has indicated an intention or taken steps reasonably calculated to effect a Change in Control and who effectuates a Change in Control or (B) otherwise in connection with, or in anticipation of, a threatened Change in Control which actually occurs, such termination shall be deemed to have occurred after the Change in Control.

If the executive's employment is terminated by the Company for cause or disability, by reason of the executive's death or by the executive other than for Good Reason, the Company shall pay to the executive his accrued compensation. In addition, in the case of a termination by the Company for disability or due to the executive's death, the executive will receive a pro rata bonus in addition to accrued compensation.

The agreements provide for a gross-up payment by the Company in the event that the total payments the executive receives under the agreement or otherwise are subject to the excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended. In such an event, the Company will pay an additional amount so that the executive is made whole on an after-tax basis from the effect of the excise tax.

OTHER CHANGE IN CONTROL ARRANGEMENTS

Following is a brief description of the change in control provisions included in each of the Company's employee compensation plans and arrangements.

ANNUAL INCENTIVE PLAN. The CommScope, Inc. Annual Incentive Plan (the "Annual Incentive Plan") is the Company's annual cash bonus incentive plan for the Chief Executive Officer and certain other key employees. In the event of a change in control of the Company (as defined in the Annual Incentive Plan), within 60 days thereafter, the Company will pay to each participant in the Annual Incentive Plan immediately prior to such change in control (regardless of whether such participant remains in the employ of the Company following the change in control) a pro rata portion of his or her bonus award assuming that all performance percentages are 100%.

DEFERRED COMPENSATION PLAN. The CommScope, Inc. of North Carolina Deferred Compensation Plan (the "Deferred Compensation Plan") allows a

Edgar Filing: COMMSCOPE INC - Form DEF 14A

select group of management or highly compensated employees to defer a percentage of compensation or a specified dollar amount each year up to 50% of base salary and 100% of any bonuses earned under the Company's annual management incentive plan for that year. Amounts deferred are payable in a lump sum or in annual installments pursuant to the terms of an irrevocable election made by the participant or earlier upon the occurrence of certain events, including specified terminations of the participant's employment.

Upon a change in control of the Company (as defined in the Deferred Compensation Plan), the Deferred Compensation Plan will terminate and each participant will be paid his or her entire deferred compensation account balance in a single lump sum.

12

1997 LTIP. The 1997 LTIP provides for the granting of stock options, restricted stock, performance units, performance shares and phantom stock to employees and officers of the Company and its subsidiaries and the granting of stock and stock options to the Company's nonemployee directors. The Compensation Committee selects those individuals to whom options and awards will be granted, and determines the type, size and other terms and conditions of such options and awards, including the vesting provisions and/or restrictions relating to such awards. Pursuant to the terms of the 1997 LTIP and subject to an optionee's rights under his or her option or award agreement, in the event of a change in control of the Company (as defined in the 1997 LTIP), all stock options granted pursuant to the 1997 LTIP will become immediately and fully exercisable.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN. The CommScope, Inc. Supplemental Executive Retirement Plan is an unfunded nonqualified plan maintained for the benefit of a select group of management and/or highly compensated employees of the Company and its subsidiaries that, in general, provides for retirement benefits payable over 5, 10 or 15 years (or, upon approval of the plan administrator and subject to forfeiture of a portion of the participant's account balance, in a lump sum) out of amounts credited to a participant's accounts and earnings credited thereon. Pursuant to the terms of that plan, in the event of a Change in Control (as defined therein), each participant who is employed by the Company immediately prior to that change in control will be eligible to receive the full value of his or her account balance in a single lump sum following his or her termination other than for cause occurring within 2 years after the date of such change in control.

COMPENSATION COMMITTEE REPORT ON COMPENSATION OF EXECUTIVE OFFICERS

The Compensation Committee of the Board of Directors is comprised entirely of nonemployee directors. The Compensation Committee considers and recommends to the Board of Directors the base salary to be paid to the Chief Executive Officer, determines the base salary for all other executive officers, makes recommendations to the Board of Directors with respect to the Company's overall compensation policies, administers and grants awards

Edgar Filing: COMMSCOPE INC - Form DEF 14A

under the 1997 LTIP and administers the Annual Incentive Plan with respect to executive officers and performs such duties as the Board of Directors may from time to time request.

In establishing and administering the Company's compensation policies and programs, the Compensation Committee considered the compensation plans and arrangements of a peer group of companies with which the Company competes for customers and executive talent, including the levels of individual compensation for similarly situated executives of the peer group, as well as factors specifically relevant to the Company. The basic objective of the Compensation Committee is to formulate compensation policies and programs intended to attract, retain, and motivate highly qualified key employees, including executive officers. Compensation of executive officers and other key employees, including the Chief Executive Officer, is comprised of three principal elements: (i) stock ownership, (ii) base salary and (iii) annual bonus.

STOCK OWNERSHIP

The Compensation Committee believes that executive officers and other significant employees, who are in a position to make a substantial contribution to the long-term success of the Company and to build stockholder value, should have a significant stake in the Company's on-going success. This focuses attention on managing the Company as an owner with an equity position in the business and seeks to align these employees' interests with the long-term interests of stockholders. Accordingly, one of the Company's principal methods to motivate executive officers and other significant employees is through a broad and deep stock option program.

Ordinarily the Company has awarded options annually under the 1997 LTIP in December of a given year. However, in December 2001, the Company did not award any options under the 1997 LTIP because the Company was considering changing the timing of option grants from an annual basis to a different basis and evaluating the impact of a recent acquisition on its stock option plans. On February 21, 2002, the Company awarded options under the 1997 LTIP to purchase an aggregate of approximately 189,000 shares of Common Stock to the executive officers named in the Summary Compensation Table (other than the Chief Executive Officer whose grants are described below). Such option awards were consistent with those that would have been made in December of 2001. The exercise price of each of these options as of the date of grant was the closing market price per share of Common Stock on the date of grant.

In addition, on December 19, 2002, the Company granted options under the 1997 LTIP to purchase an aggregate of approximately 337,000 shares of Common Stock to the executive officers named in the Summary Compensation Table (other than the Chief Executive Officer whose grants are described below). In doing so, the Company returned to its historical practice of making annual option grants in December. The exercise price of each of these options was the closing market price per share of Common Stock on the date of grant.

Management recommends to the Compensation Committee those executive officers and other significant employees to whom options should be granted and the number of options to be granted to them. The recommendations are based on a review of each employee's individual performance, position and

Edgar Filing: COMMSCOPE INC - Form DEF 14A

level of responsibility in the Company, long-term potential contribution to the Company and the number of options previously granted to the employee. Neither management nor the Compensation Committee assigned specific weights to these factors, although the executive's position and a subjective evaluation of his performance were considered most important. Generally, the number of options granted to an executive reflects his or her level of responsibility and position in the Company. To encourage key employees to remain in the employ of the Company, options generally vest and become exercisable over a three- or four-year period and normally are not exercisable until one year after the date of grant.

BASE SALARY

The Compensation Committee believes that it is important to pay reasonable and competitive salaries. Salaries paid to executive officers are based on the Chief Executive Officer's recommendations to the Compensation Committee, which is responsible for reviewing and approving or disapproving those recommendations. Generally, an executive's base salary reflects his level of responsibility and position in the Company.

During 2002, only Messrs. Switherbank and Story, two executive officers named in the Summary Compensation Table, received base salary increases. These increases were based upon each officer's individual services rendered, level and scope of responsibility and experience. Also taken into account was the relationship of the compensation of such officers to the compensation of officers occupying comparable positions in other organizations.

ANNUAL INCENTIVE BONUS

The Annual Incentive Plan is intended to provide a means of annually rewarding certain key employees, including the executives listed in the Summary Compensation Table, based on the performance of the Company. In addition, awards for each officer (other than the Chief Executive Officer) may be adjusted based on the officer's achievement of a personal performance percentage. This approach allows management to focus on key business objectives in the short-term, and to support the long-term performance orientation of stock ownership. Under the Annual Incentive Plan, in 2002 management recommended, and the Compensation Committee established, for each executive officer a bonus target percentage of that officer's salary. That percentage was based on the officer's position in the Company and was the percentage of the officer's salary that would be paid if the performance targets were met. The target award percentage for executive officers named in the Summary Compensation Table (other than the Chief Executive Officer) for 2002 ranged from 50% to 60%. The target award percentage for the Chief Executive Officer was 75%. Because the Company's performance target for 2002 basic earnings per share was not achieved, in 2002 no target awards were paid with respect to performance in 2002 (see "Summary Compensation Table - Bonus").

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

Effective January 1, 2001, the Company amended and restated the terms and conditions of the CommScope, Inc. of North Carolina Supplemental Executive Retirement Plan to change the plan from a defined benefit type plan to a defined contribution plan. The amendment and restatement does not apply with respect to participants who were retired as of December 31, 2000. The amended and restated plan is named the CommScope, Inc. Supplemental Executive Retirement Plan and provides for retirement benefits payable over 5, 10 or 15 years (or, upon approval of the plan administrator

Edgar Filing: COMMSCOPE INC - Form DEF 14A

and subject to forfeiture of a portion of the participant's account balance, in a lump sum) out of amounts credited to a participant's special and regular accounts and earnings at a rate of 7% per year (or other rate that may be established by the plan administrator).

15

CHIEF EXECUTIVE OFFICER COMPENSATION

Frank M. Drendel has served as Chairman and Chief Executive Officer of the Company since July 1997. In 2002, the Compensation Committee recommended and the Board of Directors of the Company approved of Mr. Drendel's annual salary rate being kept at \$555,000 (no increase), effective March 1, 2002, and his target bonus percentage under the Annual Incentive Plan remained at 75%. Mr. Drendel's salary and target bonus percentage was determined based on factors such as the Company's overall performance, Mr. Drendel's individual performance, and the compensation of similarly situated executives at comparable corporations.

The Compensation Committee recommended and on February 21, 2002, Mr. Drendel was granted an option to purchase 155,000 shares of Common Stock with a per share exercise price of \$16.20, the closing market price of the Common Stock on the date of the grant. In addition, on December 19, 2002, the Company granted Mr. Drendel an option to purchase 272,000 shares of Common Stock with a per share exercise price of \$7.93, the closing market price of the Common Stock on the date of grant. In each case, the options vest over a period of 3 years at a rate of 33 1/3% per year. The options would become immediately and fully exercisable in the event of a Change in Control of the Company.

COMPLIANCE WITH INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), which was enacted in 1993, generally disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to the chief executive officer or any of the four other most highly compensated executive officers who are employed by the Company on the last day of the taxable year. Section 162(m), however, does not disallow a federal income tax deduction for qualified "performance-based compensation," the material terms of which are disclosed to and approved by stockholders.

The Compensation Committee has considered the tax deductibility of compensation awarded under the 1997 LTIP and the Annual Incentive Plan in light of Section 162(m). The Company structured and intends to administer the stock option, performance unit and performance share portions of the 1997 LTIP with the intention that the resulting compensation payable thereafter qualify as "performance-based compensation" and be deductible. The Company has structured the Annual Incentive Plan with the intention that awards payable thereafter to the Chief Executive Officer qualify as "performance-based" compensation and, if so qualified, be deductible. No executive officer's compensation in 2002 was non-deductible by reason of the application of Section 162(m) and it is not expected that any executive officer's compensation will be non-deductible in 2003 by reason of the application of Section 162(m).

Respectfully submitted,

This report confirms that the Audit Committee has: (i) reviewed and discussed the audited financial statements for the year ended December 31, 2002 with management and the Company's independent public accountants; (ii) discussed with the Company's independent public accountants the matters required to be reviewed pursuant to the Statement on Auditing Standards No. 61 (Communications with Audit Committees); (iii) reviewed the written disclosures letter from the Company's independent public accountants as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees); and (iv) discussed with the Company's independent public accountants their independence from the Company.

PROPOSAL TWO: RATIFICATION OF APPOINTMENT OF AUDITOR

The Board of Directors, based on the recommendation of the Audit Committee, appointed the firm of Deloitte & Touche LLP as independent auditor to examine the books of account and other records of the Company and its consolidated subsidiaries for the 2003 fiscal year. The Board of Directors is asking the stockholders to ratify and approve this action. Deloitte & Touche LLP has been the Company's independent auditor since July 1997. Representatives of the auditing firm will be present at the Annual Meeting and will be afforded the opportunity, if they so desire, to make a statement or respond to appropriate questions that may come before the Annual Meeting.

Although such ratification is not required by law, the Board of Directors believes that stockholders should be given the opportunity to express their views on the subject. While not binding on the Board of Directors, the failure of the stockholders to ratify the appointment of Deloitte & Touche LLP as the Company's independent auditor would be considered by the Board of Directors in determining whether to continue with the services of Deloitte & Touche LLP.

INDEPENDENT AUDITORS

AUDIT FEES

The aggregate fees and expenses billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective worldwide affiliates ("Deloitte") for professional services rendered for the audit of the Company's annual consolidated financial statements for the year ended December 31, 2002 and the reviews of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for that year amounted to \$317,525.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The aggregate fees and expenses billed by Deloitte for professional information technology services rendered to the Company relating to financial information systems design and implementation for the year ended December 31, 2002 amounted to \$5,000.

ALL OTHER FEES

The aggregate fees and expenses billed by Deloitte for professional

Edgar Filing: COMMSCOPE INC - Form DEF 14A

services rendered to the Company relating to services other than those described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees" for the year ended December 31, 2002 amounted to \$345,645. This amount includes \$263,599 of tax-related fees and \$82,046 of audit-related fees.

The Audit Committee of the Company's Board of Directors has considered whether the provision of non-audit professional services rendered by Deloitte, as discussed above, is compatible with maintaining their independence.
