## Edgar Filing: Aleris International, Inc. - Form 8-K

### ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

#### DEFINITIVE AGREEMENT

Aleris International, Inc. (the "Company") entered into definitive purchase agreements to acquire the \$1.8 billion revenue downstream aluminum business of Corus Group plc ("Corus").

The transaction will include Corus's aluminum rolling and extrusion businesses but will not include Corus's primary aluminum smelters. Aggregate net cash consideration for the acquisition will be approximately 700 million euro, excluding the assumption of approximately 28 million euro of debt as well as certain other liabilities.

The transaction includes two agreements, one for the purchase of Corus's European and Chinese legal entities and the other for the purchase of Corus's Canadian legal entities. With respect to the European and Chinese agreement, the Company entered into a definitive share purchase agreement (the "Share Purchase Agreement") with Corus to purchase all of the capital stock of Corus Hylite BV, Corus Aluminium Rolled Products BV, Corus Aluminium NV, Corus Aluminium GmbH, Corus Aluminium Corporation and Hoogovens Aluminium Europe Inc. and their respective subsidiaries (the "Corus Entities").

The Corus Entities made customary representations, warranties and covenants in the Share Purchase Agreement, including, among others, covenants (i) to conduct their business in the ordinary course consistent with past practice during the interim period between the execution of the Share Purchase Agreement and consummation of the transaction, and (ii) not to engage in certain transactions during such period. Aleris has made customary representations, warranties and covenants in the Share Purchase Agreement. Consummation of the Corus Acquisition is subject to customary conditions, including (i) clearance by the European Commission, (ii) expiration or termination of the applicable Hart-Scott-Rodino waiting period, (iii) delivery of audited financial statements by Corus, and (iv) the absence of any material adverse effect on the Corus Entities. If the transaction is not consummated on or before October 31, 2006, the Share Purchase Agreement may be terminated by either party unless otherwise waived in accordance with the terms of the Share Purchase Agreement.

With respect to the Canadian agreement, Aleris also entered into a definitive securities purchase agreement (the "Canadian Securities Purchase Agreement") with Corus and Societe generale de financement du Quebec to purchase limited partnership interests of Corus and Societe generale de financement du Quebec in Corus LP and the shares which they respectively hold in Corus Aluminium Inc., Corus LP's general partner, for a net cash consideration of approximately (euro)61 million, subject to adjustment (the "Canadian Acquisition"). Completion of the Canadian Acquisition is subject to customary closing conditions, including regulatory approvals in Canada and the United States. The Canadian Acquisition Agreement will terminate on October 31, 2006 if the transaction has not been consummated.

The foregoing descriptions of the Share Purchase Agreement and the Canadian Securities Purchase Agreement do not purport to be complete and are qualified in their entirety by reference to the Share Purchase Agreement and Canadian Securities Purchase Agreement, copies of which are attached as Exhibit 99.1 and Exhibit 99.2, respectively, to this Current Report on Form 8-K and are incorporated by reference into this Item 1.01.
