On June 15, 2007, the board of directors of Cree, Inc. (the "Company") approved the extension of the Company's stock repurchase program through June 29, 2008. Under the stock repurchase program authorized on April 27, 2005, the Company had been authorized to repurchase up to 5,450,000 shares of common stock. As of June 15, 2007, 4,382,918 shares remain available for purchase under the repurchase program. The Company expects to use available cash to finance purchases under the program. The repurchase program can be implemented through open market or privately negotiated transactions at the discretion of the Company's management. The Company will continue to determine the time and extent of any repurchases based on its evaluation of market conditions and other factors.

The Company anticipates that it will file the required financial statements and pro forma financial information relating to its March 30, 2007 acquisition of COTCO Luminant Device Limited ("COTCO") by July 16, 2007.

This Current Report on Form 8-K contains forward-looking statements involving risks and uncertainties, both known and unknown, that may cause actual results to differ materially from those indicated. Actual results may differ materially due to a number of factors, including fluctuations in the market price of the Company's common stock and other market conditions, the difficulty of predicting the Company's future cash needs which may turn out to be different from what the Company expects, the nature of other investment opportunities available to the Company from time to time, the Company's cash flow from operations, the Company's ability to obtain completed audited financial information for COTCO and other factors discussed in the Company's filings with the Securities and Exchange Commission, including its report on Form 10-K for the fiscal year ended June 25, 2006, and subsequent filings.

**SIGNATURES**
