ITEM 4. PURPOSE OF TRANSACTION.

Item 4 is hereby amended by adding at the end thereof the following:

The Reporting Persons sent the following letter earlier today to the Issuer's board of directors. The Reporting Persons now intend to nominate and solicit proxies in support of two independent candidates for the Issuer's board of directors; however, the Reporting Persons remain optimistic that they can instead reach a mutually agreeable resolution with the Issuer. The text of the letter follows:

Dear Gentlemen:

We have come to the conclusion that we must now communicate with other unitholders in advance of the June 7th meeting. It is now our plan to express our views to other unitholders that the board of directors needs "new blood" given the events that have transpired over the previous months. We plan to ask for their support in replacing two directors on the board with new directors who will bring new thoughts and ideas.

We do not ourselves have any desire to serve on the board, nor to have any of our affiliates serve on the board. We have retained Spencer Stuart to identify independent and qualified candidates. We believe it would be in the best interest of all unitholders for representative unitholders to interview candidates and will be asking them shortly to do so. We also plan to seek the company's views on each candidate before we decide who ultimately to put forth as candidates. We believe, as I am sure you do, that unitholders should have a significant voice in the process of picking their representatives on the board.

We understand through our legal counsel that you have thoughts on how we might work together through this process. Although many details still need to be worked out, we are optimistic that we can reach an agreement that works for all parties and therefore eliminate the need for us to put forth our own candidates and proxy statement. However, we as unit holders still need to be prepared for this eventuality should the need arise.

We look forward to having further discussions.

Sincerely,

Q Funding III & Q4 Funding

In addition, the Reporting Persons intend to file court proceedings in support of their efforts.

Except as set forth in this Item 4, the Reporting Persons have no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D of the Act.

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
