Item 5. Other Events.

Daleen Technologies, Inc. (the "Company") previously reported that on May 14, 2003, the Company's largest outsourcing service customer, Allegiance Telecom, Inc. and its affiliates ("Allegiance"), announced that it had filed for relief under Chapter 11 of the U.S. Bankruptcy Code. The Company previously reported that the last due invoice was paid by Allegiance on schedule. Since that time, the check representing such payment was not honored upon attempts by the Company to deposit such funds. The Company is actively continuing to discuss with Allegiance this payment and other payments that are due and that will be coming due. While the Company anticipates that it will continue to do business with Allegiance while it restructures its operations, there can be no assurance that this business relationship will continue during the course of the Chapter 11 proceedings. If Allegiance ceases to do business with the Company and the Company fails to obtain additional financing or fails to engage in one or more strategic alternatives, it may have a material adverse effect on the Company's ability to continue to operate as a going concern.
