Act (17 CFR 240.13e-4(c))

### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On May 24, 2006, Regions Financial Corporation ("REGIONS") and AmSouth Bancorporation ("AMSOUTH") entered into an Agreement and Plan of Merger (the "MERGER AGREEMENT"), pursuant to which AmSouth will, subject to the terms and conditions of the Merger Agreement, merge with and into Regions (the "MERGER"), with the combined company retaining the name Regions Financial Corporation.

Subject to the terms and conditions of the Merger Agreement, which has been unanimously approved by the boards of directors of both companies, upon the completion of the Merger each share of AmSouth common stock will be converted into 0.7974 shares of Regions common stock (the "EXCHANGE RATIO"), with cash to be paid in lieu of fractional shares of Regions common stock. AmSouth stock options and other equity awards will convert upon completion of the Merger into stock options and equity awards with respect to Regions common stock, subject to adjustment to reflect the Exchange Ratio.

The Merger Agreement contains representations, warranties and covenants of AmSouth and Regions, including, among others, covenants (i) to conduct their respective businesses in the ordinary course during the period between the execution of the Merger Agreement and consummation of the Merger and (ii) not to engage in certain kinds of transactions during such period. The board of directors of each company has adopted a resolution recommending the approval and adoption of the Merger Agreement by its respective stockholders, and each party has agreed to hold a stockholder meeting to put these matters before their stockholders for their consideration. Each party has also agreed not to (i) solicit proposals relating to alternative business combination transactions or (ii) subject to certain exceptions, enter into discussions or negotiations or provide confidential information in connection with any proposals for alternative business combination transactions.

Consummation of the Merger is subject to various conditions, including (i) requisite approvals of the holders of AmSouth and Regions common stock, (ii) receipt of regulatory approvals, (iii) the absence of any law or order prohibiting the closing, and (iv) effectiveness of the Form S-4 registration statement relating to the Regions common stock to be issued in the Merger and listing of the Regions common stock to be issued in the Merger on the New York Stock Exchange. In addition, each party's obligation to consummate the Merger is subject to certain other conditions, including (i) subject to the standards set forth in the Merger Agreement, the accuracy of the representations and warranties of the other party, (ii) compliance of the other party with its covenants in all material respects and (iii) the delivery of opinions from counsel to AmSouth and counsel to Regions relating to the U.S. federal income tax code treatment of the Merger.

Under the Merger Agreement, upon completion of the Merger, Jackson W. Moore, chairman of the board, president and chief executive officer of Regions, will become chairman of the board of the combined company, and C. Dowd Ritter, chairman of the board, president and chief executive officer of AmSouth, will become president and chief executive officer of the combined company. The combined company's board of directors will initially be comprised of twenty-one members, with twelve nominated by Regions and nine nominated by AmSouth (subject

to possible increase by one newly appointed director for each company as mutually agreed by the parties). Effective as of the completion of the Merger, the Regions by-laws will be amended to implement provisions relating to the management and the board of directors of Regions after the Merger, as further described in the Merger Agreement.

The Merger Agreement contains certain termination rights for both Regions and AmSouth. Under certain circumstances, termination of the Merger Agreement may result in a party having rights under its relevant Stock Option Agreement (described below).

In connection with entering into the Merger Agreement, Regions and AmSouth entered into separate reciprocal stock option agreements (the "STOCK OPTION AGREEMENTS"), pursuant to which each of AmSouth and Regions granted to the other a stock option (the "OPTION") with respect to a number of shares representing up to 19.9% of each party's total outstanding common shares prior to the issuance of shares under the applicable Stock Option Agreement. Neither of the Options is currently exercisable and, as further set forth in the Stock Option Agreements, will only become exercisable upon the occurrence of certain events relating to a third party acquisition proposal relating to the issuer of the shares covered by the respective Option. Each party's total realizable value under the Option it has been granted is subject to a cap of approximately \$393 million. Under certain circumstances, each of the parties may be required to repurchase for cash the applicable Option or the shares acquired pursuant to the exercise of such Option.

In connection with the execution of the merger agreement, Jackson W. Moore, Regions' chief executive officer, entered into an employment agreement with a four-year term commencing upon completion of the Merger, which will supersede his existing agreement. During the term, Mr. Moore will serve as Regions' Chairman and as a member of its board of directors. Mr. Moore will be provided with office space and secretarial services at both Regions' headquarters and a location to be determined by Mr. Moore. During the term, Mr. Moore will receive annual base salary, annual bonus and long-term incentive compensation of not less than 75 percent of those provided to Regions' chief executive officer, with newly granted long-term incentive awards to vest no later than the expiration of the four-year term. Mr. Moore will participate in all benefit, perquisite (including reimbursement for club dues and relocation expenses) and other plans (other than certain retirement plans of AmSouth) generally applicable to Regions' chief executive officer and other senior executives, including retiree medical benefits for Mr. Moore and his spouse and use of a corporate aircraft. Following completion of the Merger, Mr. Moore will be paid his SERP benefit, his deferred stock account balance and the change-in-control benefits under his existing employment agreement, and on completion of the Merger, all equity-based compensation awards will vest and options will remain exercisable in accordance with their current terms. In addition, Regions will honor the existing terms of the trust agreement pertaining to the payment of premiums on Mr. Moore's life insurance policy. In the event that, during the term, Mr. Moore's employment is terminated by Regions without "cause" or by Mr. Moore for "good reason," Mr. Moore will be paid a lump sum cash payment equal to the sum of (1) a pro rata bonus for the year of termination and (2) Mr. Moore's annual base salary and average annual bonus as Chairman (or if no such bonus has been paid, his last bonus as chief executive officer) for the remainder of the term. In addition, upon such a termination all equity compensation awards will vest and remain exercisable for their full term.
