**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On October 29, 2012, PVH Corp., a Delaware corporation (“PVH”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with The Warnaco Group, Inc., a Delaware corporation (“Warnaco”), and Wand Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of PVH (“Merger Sub”). The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, Merger Sub will merge with and into Warnaco, with Warnaco continuing as the surviving company and as a wholly owned subsidiary of PVH (the “Merger”). The Merger Agreement was unanimously approved by the Board of Directors of each of PVH and Warnaco.

Subject to the terms and conditions of the Merger Agreement, upon completion of the Merger, each outstanding share of common stock, par value \$0.01 per share, of Warnaco (other than shares held by Warnaco, PVH, Merger Sub, their respective subsidiaries, or holders who properly exercise dissenters’ rights), will be converted into the right to receive (1) \$51.75 in cash and (2) 0.1822 of a share of common stock, par value \$1.00 per share, of PVH (“PVH Common Stock”) (collectively, the “Merger Consideration”). Warnaco stock options and other time-based equity awards will convert upon completion of the Merger into stock options to acquire PVH Common Stock and equity awards of or relating to PVH Common Stock (in each case, based on the stock exchange ratio and a formula which converts the cash portion of the Merger Consideration into PVH stock options or equity awards, as applicable) and Warnaco performance-based equity awards will vest upon completion of the Merger based on actual performance (for completed performance periods) or target performance (for performance periods that have not been completed) and convert into the right to receive Merger Consideration in respect of the vested number of shares or units.

The Merger Agreement contains customary representations and warranties from each of Warnaco and PVH that are qualified by the confidential disclosures provided to the other party in connection with the Merger Agreement, as well as matters included in Warnaco’s and PVH’s reports filed with the United States Securities and Exchange Commission (the “SEC”) prior to the date of the Merger Agreement.

Warnaco has agreed to various customary covenants and agreements, including (1) to conduct its business in the ordinary course consistent with past practice in all material respects during the period between the execution of the Merger Agreement and the consummation of the Merger (without the prior written consent of PVH, not to be unreasonably withheld, conditioned or delayed); (2) not to engage in certain transactions or take certain actions during this period (without the prior written consent of PVH, not to be unreasonably withheld, conditioned or delayed); (3) to convene and hold a meeting of its stockholders to consider and vote upon the Merger (the “Warnaco Stockholders’ Meeting”); and (4) subject to certain customary exceptions set forth in the Merger Agreement, to recommend that its stockholders adopt the Merger Agreement. In addition, subject to certain customary exceptions, Warnaco is prohibited from soliciting alternative acquisition proposals and providing information to or engaging in discussions with third parties. PVH has agreed to various customary covenants and agreements, including not taking certain actions during the period between the execution of the Merger Agreement and the consummation of the Merger (without the prior written consent of Warnaco, not to be unreasonably withheld, conditioned or delayed).

In connection with the execution of the Merger Agreement, PVH executed a commitment letter with Barclays Bank PLC, Bank of America, N.A., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc. that provides for \$4.325 billion of financing (consisting of senior secured credit facilities and a bridge facility) to, among other things, fund a portion of the cash consideration to be paid to Warnaco stockholders in the Merger and refinancing of PVH’s and Warnaco’s existing debt.

Completion of the Merger is subject to various conditions, including, among others, the (1) approval of the Merger Agreement by stockholders owning a majority of the outstanding shares of Warnaco common stock; (2) effectiveness of the registration statement on Form S-4 for the PVH Common Stock to be issued in the Merger; (3) approval of the listing on the New York Stock Exchange of the shares of PVH Common Stock to be issued in the Merger; (4) absence of any law or order prohibiting the closing of the Merger; and (5) receipt of certain governmental clearances or approvals, including the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, receipt of a decision from the European Commission declaring the Merger compatible with the common market, and approvals from antitrust regulators in Canada, Mexico and Turkey. Each party's obligation to consummate the Merger is also subject to (i) the accuracy (subject to certain materiality thresholds), of the representations and warranties of the other party set forth in the Merger Agreement, (ii) performance in all material respects by the other party of its material obligations under the Merger Agreement, and (iii) the absence of any change, event or development that would reasonably be expected to have a Material Adverse Effect (as defined in the Merger Agreement) on the other party. The closing of the Merger is expected to occur in early 2013.

The Merger Agreement, in addition to providing that the parties can mutually agree to terminate the Merger Agreement, contains certain termination rights for PVH and Warnaco, as the case may be, including upon (1) a court or other governmental entity issuing a final and non-appealable order prohibiting the Merger; (2) the six-month anniversary of the date of the Merger Agreement (subject to extension for up to three months if the required regulatory approvals have not yet been obtained), if the Merger has not been completed by that time; (3) failure by Warnaco's stockholders to approve the Merger; and (4) a breach by the other party that is not or cannot be cured as specified in the Merger Agreement, if such breach would result in a failure of the conditions to closing set forth in the Merger Agreement. In addition, the Merger Agreement provides that PVH may terminate the Merger Agreement prior to holding the Warnaco Stockholders' Meeting upon (a) the Warnaco board of directors' withdrawal or adverse modification of its recommendation that Warnaco's stockholders approve the Merger or its recommendation or approval of an alternative acquisition proposal; (b) the failure by Warnaco's board of directors to call or hold the Warnaco Stockholders' Meeting; or (c) Warnaco's material breach of its non-solicitation obligations. Warnaco may also terminate the Merger Agreement prior to holding its stockholders' meeting in order to enter into a definitive agreement providing for an alternative acquisition proposal that Warnaco's board of directors has determined in good faith is more favorable from a financial point of view to Warnaco's stockholders than the Merger. Upon termination of the Merger Agreement under certain circumstances, Warnaco will be obligated to pay PVH a termination fee of \$100 million.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. In addition, such representations and warranties (1) will not survive consummation of the Merger and cannot be the basis for any claims under the Merger Agreement

by the other party after termination of the Merger Agreement, except as a result of willful breach, and (2) were made only as of the date specified in the Merger Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding PVH or Warnaco, their respective affiliates or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding PVH or Warnaco, their respective affiliates or their respective businesses, the Merger Agreement and the Merger that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 that will include a Proxy Statement of Warnaco and a Prospectus of PVH, as well as in the respective Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and other filings that each of PVH and Warnaco make with the SEC.

#### **Cautionary Statements Regarding Forward-Looking Information**

This Current Report on Form 8-K (including the Exhibits hereto) contains forward-looking statements and information about PVH's current and future prospects and PVH's operations and financial results, which are based on currently available information. Actual future results and financial performance could vary significantly from those anticipated in such statements. The forward looking statements include assumptions about PVH's operations, and the proposed merger (including its benefits, results, effects and timing) that may not be realized. Risks and uncertainties related to the merger include, but are not limited to: the risk that the conditions to the closing of the merger are not satisfied (including a failure of the stockholders of Warnaco to approve the merger and the risk that regulatory approvals required for the merger are not obtained or are obtained subject to conditions that are not anticipated); potential adverse reactions or changes to business relationships resulting from the announcement or completion of the merger; uncertainties as to the timing of the merger; competitive responses to the proposed merger; costs and difficulties related to the integration of Warnaco's businesses and operations with PVH's business and operations; the inability to obtain, or delays in obtaining, cost savings and synergies from the merger; unexpected costs, charges or expenses resulting from the merger; litigation relating to the merger; the inability to retain key personnel; and any changes in general economic and/or industry specific conditions.

Additional factors that could cause future results or events to differ from those we expect are those risks discussed under the heading "Risk Factors" in PVH's Annual Report on Form 10-K for the fiscal year ended January 29, 2012, Warnaco's Annual Report on Form 10-K for the fiscal year ended December 31, 2012, PVH's Quarterly Reports on Form 10-Q for the quarters ended April 29, 2012 and July 29, 2012, Warnaco's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2012 and June 30, 2012, and other reports filed by each of PVH and Warnaco with the SEC. PVH undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, the occurrence of certain events or otherwise. As a result of these risks and others, actual results could

vary significantly from those anticipated in this Current Report on Form 8-K, and PVH's financial condition and results of operations could be materially adversely affected.
