### **Item 1. Security and Interest**

This Schedule 13D (the "Schedule 13D") relates to the common stock, par value \$0.001 per share (the "Common Stock"), of Nephros, Inc. (the "Company"), and is being filed on behalf of the Reporting Persons (as defined below). The address of the principal executive offices of the Company is 3960 Broadway, New York, New York 10032.

### **Item 2. Identity and Background**

(a), (f) This statement is filed by (i) 3V Capital Management LLC, a Delaware limited liability company ("Management") and (ii) Scott A. Stagg, a citizen of the United States (the persons mentioned in (i) and (ii) are referred to as the "Reporting Persons").

(b) The principal business address of each of Management and Mr. Stagg is 3 Greenwich Office Park, Greenwich, CT 06831.

(c) The principal business of Management is to serve as investment manager or adviser to, and to control the investing and trading in securities of, 3V Capital Master Fund, Ltd., a British Virgin Islands business company (the "Offshore Account") and Distressed/High Yield Trading Opportunities, Ltd., a British Virgin Islands business company (the "Managed Account"). Mr. Stagg serves as the principal control person (directly or indirectly) of Management, the Offshore Account and the Managed Account, and serves in a similar capacity to various other entities, all of which are engaged in investment or investment management activities.

(d) None of the Reporting Persons has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) None of the Reporting Persons has, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

### **Item 3. Source and Amount of Funds or Other Consideration**

The Reporting Persons obtained beneficial ownership of the securities covered by this statement pursuant to an Exchange Agreement, dated September 19, 2007 (the "Exchange Agreement"), between the Company and the holders of the Company's 6% Secured Convertible Notes due 2012 (the "Old Notes"), including the Offshore Account and the Managed Account.

On September 19, 20, 21 and 25, 2007, the Company entered into subscription agreements with several investors (the "Subscription Agreements"), pursuant to which these investors purchased an aggregate of approximately \$12.7 million principal amount of Series A 10% Secured Convertible Notes due 2008 of the Company (the "Series A Notes"), for the face value thereof (the "Private Placement").

In connection with the Private Placement, the Company entered into the Exchange Agreement. Pursuant to the Exchange Agreement, on September 19, 2007, the Offshore Account received a new Series B 10% Secured Convertible Note due 2008 (a "Series B Note" and, together with the Series A Notes, the "Notes") in an aggregate principal amount of \$1,528,846.15 (the "Offshore Account Note") in exchange for the principal and accrued but unpaid interest in an aggregate amount of approximately \$1,618,238.32 due under the Old Note held by the Offshore Account and the Managed Account received a Series B Note in an aggregate principal amount of \$1,528,846.15 (the "Managed Account Note") in exchange for the principal and accrued but unpaid interest in an aggregate amount of approximately \$1,618,238.32 due under the Old Note held by the Managed Account. In connection with the Private Placement and the transactions consummated pursuant to the Exchange Agreement (the "Closing"), the Company, the Offshore Account, the Managed Account and the other holders of Notes entered into an Investor Rights Agreement dated September 19, 2007 (the "Investor Rights Agreement").

The principal and accrued interest due under each Series A Note is convertible into (i) shares of Common Stock at a conversion price per share of Common Stock equal to \$0.706, and (ii) Class D Warrants (the "Warrants") for the purchase of shares of Common Stock in an amount equal to 50% of the number of shares of Common Stock issued upon conversion of the Series A Note. The exercise price for the Warrants is \$0.90 per share of Common Stock, and the Warrants may be exercised at any time after issuance for a period of 5 years. The principal and accrued interest due under each Series B Note is convertible into shares of Common Stock at a conversion price per share of Common Stock equal to \$0.706. All of the Notes will automatically convert on the twenty-first (21st) day after the Company sends or gives its stockholders a definitive Schedule 14C information statement relating to certain actions taken by stockholders of the issuer by written consent (the "Automatic Conversion Date"). Pursuant to the Subscription Agreements and the Exchange Agreement, the Company is obligated to file a preliminary Schedule 14C information statement with the Securities and Exchange Commission (the "Commission") no later than October 4, 2007 and to file a definitive Schedule 14C information statement (the "Definitive Schedule 14C") with the Commission no later than the second business day after receiving confirmation that the Commission has no further comments on the preliminary Schedule 14C information statement.

#### **Item 4. Purpose of Transaction**

The Reporting Persons consider the acquisition and ownership of the Offshore Account Note, the Managed Account Note and the Common Stock to be received upon the conversion thereof to be an investment.

In satisfaction of a condition to the Closing, four of the Company's seven directors, including the Company's Executive Chairman, resigned on September 19, 2007. Also on September 19, 2007, Arthur Amron, a Vice President and Assistant Secretary of Lambda Investors LLC ("Lambda"), one of the three other investors in the Series A Notes, and a Partner and the Secretary of Wexford Capital, LLC ("Wexford Capital"), managing member of Lambda, and Dr. Paul Mieryl, an employee of Wexford Capital, were appointed to the board of directors of the Company (the "Board") in satisfaction of a condition to the Closing. We understand from the Company that it currently plans to elect an additional director to increase its Board size to six members. Wexford Capital and Lambda will be involved in such election; however, it is expected that the person to be elected will not be an affiliate of Wexford Capital or Lambda.

To permit the issuance of the Common Stock issuable upon the conversion of the Notes and the exercise of the Warrants (the "Subject Securities"), the Company is in the process of amending its Certificate of Incorporation to increase its number of authorized shares of Common Stock from 40,000,000 shares to 60,000,000 shares (the "Certificate Amendment"). As a condition to the Closing, the Company was required to obtain written consents of stockholders of the Company sufficient to approve the Certificate Amendment and the issuance of the Subject

Securities; however, such written consents will not become effective until 20 days after the Definitive Schedule 14C is given or sent to the Company's stockholders. The Certificate Amendment is expected to become effective on or before the Automatic Conversion Date.

As part of the Closing, the Company entered into a Registration Rights Agreement with the holders of the Notes (the "Registration Rights Agreement"), pursuant to which the Company agreed to register the Subject Securities for resale under the Securities Act of 1933. Pursuant to the Registration Rights Agreement, the Company is obligated to file a registration statement for such purpose within 60 days after the date on which the Definitive Schedule 14C is filed and to use its commercially reasonable best efforts to cause such registration statement to become effective within 180 days after the date on which the Definitive Schedule 14C is filed. The Company is obligated to pay all expenses in connection with such registration. If the Company is unable to register all of the Subject Securities on a single registration statement, the Company is obligated to file successive registration statements and cause such registration statements to become effective until all of the Subject Securities have been registered, all in accordance with the rules of the Commission.

Except as set forth above, none of the Reporting Persons have any plans or proposals which relate to or would result in (i) the acquisition by any person of additional securities of the Company (other than upon the conversion of the Offshore Account Note and the Managed Account Note) or the disposition of securities of the Company, (ii) an extraordinary corporate transaction, such as a merger, reorganization, or liquidation, involving the Company or any of its securities, (iii) a sale or transfer of a material amount of the assets of the Company or any of its subsidiaries, (iv) any change in the present Board or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board, (v) any material change in the present capitalization or dividend policy of the Company, (vi) any other material change in the Company's business or corporate structure, (vii) changes in the Company's charter, bylaws, or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person, (viii) causing a class of the securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (ix) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (x) any action similar to any of those enumerated above. However, the Reporting Persons retain their rights to modify their plans with respect to the transactions described in this Item 4, to acquire or dispose of securities of the Company and to formulate plans and proposals that could result in the occurrence of any such events, subject to applicable laws and regulations.

## **Item 5. Interest in Securities of the Issuer**

(a) As of October 23, 2007, the Offshore Account is a direct beneficial owner of 2,165,504 shares of Common Stock (the "Offshore Account Shares") that can be obtained by the Offshore Account upon conversion of the Offshore Account Note and the Managed Account is a direct beneficial owner of 2,165,504 shares of Common Stock (the "Managed Account Shares" and, together with the Offshore Account Shares, the "Shares") that can be obtained by the Managed Account upon conversion of the Managed Account Note. Management serves as the investment advisor to the Offshore Account and the Managed Account and Mr. Stagg is the managing member of Management. By reason of such relationships, Management and Mr. Stagg may be deemed to be indirect beneficial owners of the Shares. The Shares represent 11.5% of the Company's outstanding shares of Common Stock. The percentage of class specified above (and in the cover pages to this Statement) is calculated on the basis of 12,317,992 shares of Common Stock issued and outstanding as reported in the Company's Form 10-QSB filed with the Commission on August 13, 2007, increased by the aggregate number of shares of Common Stock issuable upon the conversion of the principal amount of all of the Notes, including the Offshore Account Note and the Managed Account Note (i.e., shares of Common Stock issuable upon the exercise of Warrants by the holders of Series A Notes have not been taken into account). The shares of Common Stock issuable upon the conversion of all of the Notes (as opposed to only the Offshore Account Note and the Managed Account Note) have been taken into account notwithstanding Rule 13d-3(d)(1)(i) promulgated under the Act because all of the Notes will be converted on the Automatic Conversion Date. If the shares of Common

Stock issuable upon conversion of the Notes other than the Offshore Account Note and the Managed Account Note were not taken into account, the percent of class for each Reporting Person would instead be 26%.

(b) Management and Mr. Stagg have the power to vote and dispose of the Shares. The filing of this statement on Schedule 13D shall not be construed as an admission that either of the Reporting Persons is, for the purposes of Section 13(d) or 13(g) of the Act, the beneficial owner of any of the Shares. Pursuant to Rule 13d-4, Management and Mr. Stagg disclaim all such beneficial ownership.

(c) Not Applicable.

(d) The Offshore Account (identified above) has the right to receive dividends from, or the proceeds from the sale of, the Offshore Account Shares. The Managed Account (identified above) has the right to receive dividends from, or the proceeds from the sale of, the Managed Account Shares.

(e) Not Applicable.

Pursuant to the Investor Rights Agreement and as further described in Item 6 below, the holders of the Notes other than Lambda have agreed to vote any shares of Common Stock or other voting securities of the Company held by them for the election (or removal if directed by Lambda) of two individuals nominated for election to the Board by Lambda. Each of such holders has granted Lambda an irrevocable proxy to vote such Common Stock or voting securities in connection with any vote on such matters. As a result of such rights, the Investor Rights Agreement may be deemed to create a group of which Management and Mr. Stagg are members pursuant to Rule 13d-5 promulgated under the Act. If a group were to exist, based upon the conversion of the principal amount of the Notes the group would beneficially own 34,440,155 shares, representing a percent of class of 73.7%. Each of the Reporting Persons disclaims the existence of a group, and this Statement shall not be construed as an admission that a group exists.

#### **Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Pursuant to the Subscription Agreement, the Company has agreed that at all times until the Investor Rights Agreement has terminated in accordance with its terms (the "Designation Period"), the Company will cause two individuals designated by Lambda (the individuals whom Lambda has so designated from time to time are referred to herein as the "Lambda Designees") to be members of the Board except to the extent that (i) Lambda otherwise consents in writing, or (ii) a member of the Board originally designated by Lambda resigns and Lambda has not yet designated a successor. Without limiting the generality of the Company's obligations, during the Designation Period the Company must cause the Lambda Designees to be elected or nominated to the Board, promptly remove any Lambda Designee from the Board upon the written direction of Lambda, and promptly elect or appoint any successor designated by Lambda having reasonably appropriate business experience and background to fill any vacancy caused by any Lambda Designee ceasing to be a member of the Board for any reason.

Pursuant to the Investor Rights Agreement, the Company has agreed to take such corporate actions as may be required to, among other things, entitle Lambda to (i) nominate the Lambda Designees to the Board, (ii) nominate each successor to the Lambda Designees, provided that any successor shall have reasonably appropriate experience and background, and (iii) direct the removal from the Board of any director nominated under the foregoing clauses (i) or (ii). The holders of Notes have agreed to vote any shares of Common Stock or other voting securities of the Company held by them for the election (or removal if directed by Lambda) of the Lambda Designees and have granted Lambda an irrevocable proxy to vote such Common Stock or voting securities in connection with any vote on such matters. The Investor Rights Agreement will automatically terminate if Lambda no longer owns shares of Common Stock and securities representing the right to acquire shares of Common Stock upon conversion, exchange or exercise (including the Warrants held by Lambda, "Equity Securities") that in the aggregate represent at least 10% of the sum of the number of outstanding shares of Common Stock plus the number of shares of Common Stock issuable to Lambda upon the exercise of Equity Securities. The parties to the Investor Rights Agreement are the

Company, Lambda, Enso Global Equities Master Partnership LP, the Offshore Account, the Managed Account, Southpaw Credit Opportunity Master Fund LP, Kudu Partners, L.P., LJHS Company, GPC 76, LLC and Lewis P. Schneider.

The disclosure concerning the Registration Rights Agreement contained in Item 4 is incorporated herein by reference. In addition, the Subscription Agreement, Registration Rights Agreement, Offshore Account Note and Managed Account Note contain customary provisions relating to the transfer of the Offshore Account Note, the Managed Account Note and the Subject Securities. The parties to the Registration Rights Agreement are the same as the parties to the Investor Rights Agreement.

Except for the Subscription Agreement, the Investor Rights Agreement, the Registration Rights Agreement, the Offshore Account Note and the Managed Account Note, none of the Reporting Persons are a party to any contract, arrangement, understanding or relationship (legal or otherwise) with any person with respect to any securities of the Company, including, but not limited to, any agreement concerning (i) transfer or voting of any securities of the Company, (ii) finder's fees, (iii) joint venture, (iv) loan or option arrangements, (v) puts or calls, (vi) guarantees of profits, (vii) divisions of profits or losses, or (viii) the giving or withholding of proxies.
